Wicked Naughty Love Jennifer Bernard, 2021-07-05 From USA TODAY BESTSELLING AUTHOR Jennifer Bernard comes the next three standalone small town romances in the *Lost Harbor Alaska* series. This charming harbor town is bursting with stories filled with laughter, danger, and lots of sexy sizzle. Each of the books in this box set is a standalone romance, but you'll encounter familiar settings and characters, and I do mean characters along the way. When a threat to the Ross family surfaces, Zander gets the shock of his life when Gretel steps up with an outrageous idea that might help them both. *Naughty All Night*: Lawyer Kate Robinson is lying low at her grandmother's *Lost Harbor* peony farm where she used to spend summers. She's always had a knack for trouble, but nothing has prepared her for the likes of hottie fire chief Darius Boone. Why not have some harmless naughty fun while she figures out her next move? She never expected the heat the two of them would generate or to fall so hard. The next time trouble strikes, everything she loves is on the line. *Love at First Light*: Private investigator Ethan James' newest case should be simple: it's just a birth parents search in stunning *Lost Harbor*. But now he has a sidekick he never expected: the super sexy

Woods H. William Rice, 2014-04-21 A collection that follows the lives of two families who own land and hunt in rural South Carolina. *The Lost Woods* is a collection of fifteen short stories most of them set in and around the fictional small town of Sledge, South Carolina. The events narrated in the stories begin in the 1930s and continue to the present day. The stories aren't accounts of hunting methods or legends of trophy kills; they are serious stories about hunting that are similar in style to William Faulkner's *Go Down Moses*. The collection traces the evolution of two families, the Whites and the Chapmans, as well as the changes in hunting and land use of the past eighty years. Some of these stories are narrated in third person; others are told by a wide range of characters from grown men and women to children, but only from one perspective: that of the hunter. As they walk the woods in search of turkeys, deer, or raccoons, these characters seek something more than food. They seek a lost connection to some part of themselves. The title, *The Lost Woods*, is adapted from Cherokee myths and stories wherein people must return again and again to the woods to find animals that were lost. Thereby, we find not only food but who we are. Through these stories, Rice reminds us that hunting is inextricably entwined with identity. As one of the oldest rituals that we as a species know, it reflects both our nobility and our depravity. Through it, we return again and again to find the lost woods inside ourselves.
