of the Museum
(1925-1933)*

Lost Tales Of Appalachia

Vicki Sigmon Collins

Lost Tales Of Appalachia:

Lost Tales of Appalachia Howard Burton Lee, 1977 Fairy Tales of Appalachia Stacy Sivinski, 2025-09-02 While taking a graduate course in Appalachian literature at the University of Tennessee Stacy Sivinski was surprised to discover that much of the folklore she had heard while growing up in Schuyler Virginia was rarely represented in popular published collections In particular they lacked the strong female heroines she had come to know and most anthologies were full of Jack Tales stories that focus on the adventures of the character from Jack and the Beanstalk Feminist critics have long discussed the gender inequalities and stereotypes that fairy tales often promote With *Fairy Tales of Appalachia* Sivinski asks whether such conclusions are inevitable and invites a fresh analysis of these regional tales with a contemporary sense of wonder These tales carefully and thoughtfully transcribed by Sivinski have been passed down through Appalachia's oral histories over decades and even centuries This wonderful selection was mainly drawn from the Archives of Appalachia at East Tennessee State University and special collections at Berea College Drawing on the work of other regional archivists and folklorists Sivinski grapples with issues of gender balance in Appalachian storytelling The problem Sivinski posits does not rest with the fairy tale genre itself but in the canonization process in which women's contributions have been diminished as oral traditions become transcribed Appalachian women have historically demonstrated resilience wit and adaptability and it is time that more collections of regional folklore reorient themselves to make this fact more apparent Stories are living breathing narratives meant not just to be read but to be read aloud This timely selection of unique stories along with beautiful evocative illustrations makes *Fairy Tales of Appalachia* an intriguing addition to the much contested fairy tale canon

Encyclopedia of West Virginia Nancy Capace, 1999-01-01 The Encyclopedia of West Virginia contains detailed information on States Symbols and Designations Geography Archaeology State History Local History on individual cities towns and counties Chronology of Historic Events in the State Profiles of Governors Political Directory State Constitution Bibliography of books about the state and an Index The Silent Appalachian Vicki Sigmon Collins, 2017-01-03 Appalachian literature is filled with silent or non discursive characters The reasons for their wordlessness vary Some are mute or pretend to be some choose not to speak or are silenced by grief trauma or fear Others mutter monosyllables stutter grunt and point speak in tongues or idiosyncratic language They capture the reader's attention by what they don't say **Discovering Family Roots in the Heart of Appalachia** Pasquale De Marco, 2025-07-19 Embark on a captivating journey through the heart of Appalachian genealogy with *Discovering Family Roots in the Heart of Appalachia* This comprehensive guide unveils the rich tapestry of ancestral heritage waiting to be explored within the rolling mountains and vibrant valleys of Appalachia Discover the distinct character of Appalachian ancestry as you delve into the captivating stories of those who settled these lands From the early pioneers who carved out homesteads in the wilderness to the resilient communities that thrived amidst adversity the Appalachian heritage is a testament to the strength and determination of its people Whether you are a seasoned

genealogist or a novice explorer of family history this book is your trusted companion Through a blend of historical context practical advice and inspiring narratives it illuminates the unique challenges and rewards of tracing your Appalachian lineage Prepare to embark on a thrilling expedition through time unearthing forgotten tales and forging connections with long lost relatives Discover the secrets hidden within family Bibles courthouse records and DNA tests Learn how to navigate the labyrinth of genealogical resources maximizing your chances of uncovering elusive ancestral clues As you delve deeper into your family s past you will witness the resilience of the Appalachian spirit a spirit that has weathered countless storms and emerged stronger You will encounter stories of courage perseverance and unwavering determination that will leave an indelible mark on your heart Discovering Family Roots in the Heart of Appalachia is more than just a guide to genealogy it is an invitation to embark on a transformative journey of self discovery As you explore your Appalachian roots you will gain a profound appreciation for the sacrifices made by your ancestors and the legacy they have bestowed upon you If you like this book write a review

The Lost Story Nicholas Peel,2001-06-10 [Back Talk from Appalachia](#) Dwight B. Billings,Gurney Norman,Katherine Ledford,2013-07-24 Appalachia has long been stereotyped as a region of feuds moonshine stills mine wars environmental destruction joblessness and hopelessness Robert Schenkkan s 1992 Pulitzer Prize winning play The Kentucky Cycle once again adopted these stereotypes recasting the American myth as a story of repeated failure and poverty the failure of the American spirit and the poverty of the American soul Dismayed by national critics lack of attention to the negative depictions of mountain people in the play a group of Appalachian scholars rallied against the stereotypical representations of the region s people In Back Talk from Appalachia these writers talk back to the American mainstream confronting head on those who view their home region one dimensionally The essays written by historians literary scholars sociologists creative writers and activists provide a variety of responses Some examine the sources of Appalachian mythology in nineteenth and early twentieth century literature Others reveal personal experiences and examples of grassroots activism that confound and contradict accepted images of hillbillies The volume ends with a series of critiques aimed directly at The Kentucky Cycle and similar contemporary works that highlight the sociological political and cultural assumptions about Appalachia fueling today s false stereotypes

Moving Mountains Penny Loeb,2021-12-14 Deep in the heart of the southern West Virginia coalfields one of the most important environmental and social empowerment battles in the nation has been waged for the past decade Fought by a heroic woman struggling to save her tiny community through a landmark lawsuit this battle which led all the way to the halls of Congress has implications for environmentally conscious people across the world The story begins with Patricia Bragg in the tiny community of Pie When a deep mine drained her neighbors wells Bragg heeded her grandmother s admonition to fight for what you believe in and led the battle to save their drinking water Though she and her friends quickly convinced state mining officials to force the coal company to provide new wells Bragg s fight had only just begun Soon large scale mining began on the mountains behind her beloved hollow Fearing what the blasting off of

mountaintops would do to the humble homes below she joined a lawsuit being pursued by attorney Joe Lovett the first case he had ever handled In the case against the U S Army Corps of Engineers Bragg v Robertson federal judge Charles Haden II shocked the coal industry by granting victory to Joe Lovett and Patricia Bragg and temporarily halting the practice of mountaintop removal While Lovett battled in court Bragg sought other ways to protect the resources and safety of coalfield communities all the while recognizing that coal mining was the lifeblood of her community even of her own family her husband is a disabled miner The years of Bragg v Robertson bitterly divided the coalfields and left many bewildered by the legal wrangling One of the state s largest mines shut down because of the case leaving hardworking miners out of work at least temporarily Despite hurtful words from members of her church Patricia Bragg battled on making the two hour trek to the legislature in Charleston over and over to ask for better controls on mine blasting There Bragg and her friends won support from delegate Arley Johnson himself a survivor of one of the coalfield s greatest disasters Award winning investigative journalist Penny Loeb spent nine years following the twists and turns of this remarkable story giving voice both to citizens like Patricia Bragg and to those in the coal industry Intertwined with court and statehouse battles is Patricia Bragg s own quiet triumph of graduating from college summa cum laude in her late thirtie and moving her family out of welfare and into prosperity and freedom from mining interests Bragg s remarkable personal triumph and the victories won in Pie and other coalfield communities will surprise and inspire readers
