Lot Like You:

It's Beginning to Look a Lot Like Murder Maria DiRico, 2021-10-26 Astoria Queens is decorated within an inch of its life for the Christmas season and Mia Carina is juggling her job at the Belle View catering hall with a case of murder. Mia's busy with a full schedule of events at the family business among them an over the top Nativity themed first birthday party and a Sweet Sixteen for a teen drama queen. But her personal life is even more challenging. Her estranged mother has returned and her lifelong friend Jamie has discovered a shocking secret about his past. He's so angry that he starts hanging out with Lorenzo who claims to be his long lost brother even after it becomes clear that Lorenzo's story is as fake as a plastic Christmas tree. Then a body turns up among the elves in a Santa's workshop lawn display and amateur sleuth Mia has a buffet of suspects to choose from. Amid the holiday celebrations she intends to find out who's the guilty party. **Weeping**

Underwater Looks a lot Like Laughter Michael J. White, 2010-02-04 Smart ironic prose reminiscent of Dave Eggers. Library Journal. George Flynn is the new nobody at St Pius High School until he falls in with the enchanting Schell sisters. Emily, an aspiring actress, is the object of his infatuation. But there's something special about her quirky younger sister Katie who has her own crush on George, not to mention a scathing deadpan sense of humor in the face of multiple sclerosis. When an accident destroys their delicate balance, George and Emily find themselves searching for forgiveness yet losing each other. With no holds barred honesty and razor sharp wit, Michael J. White's debut novel explores friendship, first love, and a young man's need to come of age without coming undone. **Coaltrain** Richard Pederson, 2011-09-01 This book is an environmental fiction novel dealing with 2 brothers from West Virginia who high jack and then blow up a giant train loaded with coal as a protest against the coal companies strip mining all the land surrounding their mountain family farm. In preparation for the operation, one brother hitch hikes West to enlist the aid of an old family friend and meets and falls in love with a tall beautiful girl in Denver. The other brother heads East and rescues a young swimmer from a deadly stinging jellyfish and meets a wise yoga master from whom he learns much. This is an action packed story with an exciting plot and yet deals with many topics of today's society, especially the negative aspects of our current energy policies of burning so much coal and fossil fuels. The environmentally aware reader should find it entertaining and exciting, especially the ending where the disastrous effects of strip mining collide full force with a mountain family's fierce determination to save the land they love.
