Magdalene Pbk:

Magdalene's Lost Legacy Margaret Starbird, 2003-05-05 Using New Testament gematria symbolic number values encoded in the Greek phrases the author reveals that the sacred couple was one of the essential pillars of early Christian teachings before being denied by the architects of institutional Christianity and obscured by later Church doctrine **Mary Magdalene** Diana Wallis Taylor, 2012-06-01 Long maligned as a prostitute or a woman of questionable reputation Mary Magdalene's murky story seems lost to the sands of time Now a portrait of this enigmatic woman comes to life in the hands of an imaginative master storyteller Diana Wallis Taylor's Mary is a woman devastated by circumstances beyond her control and plagued with terrifying dreams until she has a life changing confrontation with the Savior Lovers of historical and biblical fiction will find this creative telling of Mary's story utterly original and respectful as it opens their eyes to the redeeming work of Christ in the lives of those who follow him **The Magdalene Scrolls** Barbara Wood, 2016-12-06 Barbara Wood's 1978 debut novel is now back in print in a new edition from Turner Publishing When the first of the Magdalene Scrolls arrives Professor Ben Messer is puzzled intrigued excited What scholar of ancient languages wouldn't be when he held in his hands something even more astonishing than the Dead Sea Scrolls a scroll just discovered to contain the life story and last confession of a man who had lived in Jerusalem just after the death of Christ By the time the second scroll arrives Ben's interest has begun to be more than professional For it seems that David the writer of the ancient scrolls is in many ways very much like Ben and he seems to be speaking directly to Ben across nearly 2 000 years of history Before long the terrifying transformation has begun and there can be no turning back What do the words of a Jew who lived 2 000 years ago have to do with today and with Ben Messer a man who had forsaken his Jewish identity years ago or thought he had And why does David's life suddenly seem so much more real and powerful than Ben's own Why does Ben suddenly shut himself off from the beautiful woman he intends to marry and become involved with Judy Golden a very different kind of woman And what will happen if Ben surrenders completely to the power of the scrolls Before long the terrifying transformation has begun and there can be no turning back *The Meaning of Mary Magdalene* Cynthia Bourgeault, 2010-09-14 The author of *The Wisdom Jesus* takes readers on a journey to discover the real Mary Magdalene and finds a powerful ancient model for 21st century spirituality Mary Magdalene is one of the most influential symbols in the history of Christianity yet if you look in the Bible you'll find only a handful of verses that speak of her How did she become such a compelling saint in the face of such paltry evidence In her effort to answer that question Cynthia Bourgeault examines the Bible church tradition art legend and newly discovered texts to see what's there She then applies her own reasoning and intuition informed by the wisdom of the ages old Christian contemplative tradition What emerges is a radical view of Mary Magdalene as Jesus's most important disciple the one he considered to understand his teaching best That teaching was characterized by a nondualistic approach to the world and by a deep understanding of the value of the feminine Cynthia shows how an understanding of Mary Magdalene

can revitalize contemporary Christianity how Christians and others can through her find their way to Jesus's original teachings and apply them to their modern lives

Looking for Mary Magdalene Anna Fedele, 2013 Winner of the Award for Excellence in Religion Analytical Descriptive Studies from the American Academy of Religion Anna Fedele offers a sensitive ethnography of alternative pilgrimages to French Catholic shrines dedicated to Saint Mary Magdalene Drawing on more than three years of fieldwork she describes how pilgrims from Italy Spain Britain and the United States interpret Catholic figures symbols and sites according to theories derived from the international Neopagan movement Fedele pays particular attention to the pilgrims life stories rituals and reading She examines how they devise their rituals how anthropological literature has influenced them and why this kind of spirituality is increasingly prevalent in the West These pilgrims cultivate spirituality in interaction with each other and with textual sources Jungian psychology Goddess mythology and indigenous traditions merge into a corpus of practices centered upon the worship of the Goddess and Mother Earth and the sacralization of the reproductive cycle Their rituals present a critique of Roman Catholicism and the medical establishment and question contemporary discourse on gender

The Magdalene Mystique Betty Conrad Adam, 2006-10-01 The early Christians formed communities to follow the risen Jesus One such community wrote down its gospel story but sometime in those early years the Gospel of Mary Magdalene disappeared In the late nineteenth century it surfaced in the Cairo marketplace and today contemporary Christians are embracing the message of this Magdalene Gospel The Magdalene Mystique invites readers into the spiritual life of an actual community that celebrates Mary Magdalene as mystic and visionary beloved companion of Jesus and first witness to the resurrection Following Mary's gospel the community seeks to embody an ethos of equality and justice With historic background based on the scholarship of prominent researchers including Karen King and Jane Schaberg plus prayers liturgies and real life stories this is a powerful book for group study and private devotion

The Spirituality of Mary Magdalene James S. Galluzzo, 2008-09-30 The feminine spirit is rising deep in the heart of creation to heal our battered world and bring new life Mary Southard CSJ Much has been written about Mary Magdalene Her name appears over a dozen times in the four canonical gospels Her own gospel has been discovered and translated The Gnostic Gospels mentioned her several times Many sculptures paintings plays movies music and poetry are based on her The institutional church has dealt with her in many ways including sainting her prolonging misinformation about her discrediting her and failing to honor her rich gifts to the whole of humanity To get a better understanding of Mary Magdalene we will review the scripture writings both Canonical and Gnostic Gospels her own gospel the concept Sacred Feminine the myths and legends about her art work music movies and plays the misinformation about her After this review we will examine Mary Magdalene's core beliefs What stirred her What moved her What was her inner knowledge which caused her metanoia change of heart What made her so important for a millennia What was her story What is her spirituality and what can it mean for us today

The Making of the Magdalen Katherine Ludwig Jansen, 2001-07-02 Best known

during the Middle Ages as the prostitute who became a faithful follower of Christ Mary Magdalen was the most beloved female saint after the Virgin Mary Why the Magdalen became so popular what meanings she conveyed and how her story evolved over the centuries are the focus of this compelling exploration of late medieval religious culture Analyzing previously unpublished sermons Katherine Jansen uses the lens of medieval preaching to examine the mendicant friars transformation of Mary Magdalen a shadowy gospel figure into an emblem of action and contemplation a symbol of vanity and lust a model of perfect penance and the embodiment of hope and salvation She draws on diverse historical sources to reveal the laity s devotion to Mary Magdalen which departed significantly from the friars image of the saint signaling a major development in popular religious practice and personal piety Finally the author comprehensively addresses the question of the House of Anjou s alliance with the Magdalen and illuminates the relationship between politics and sanctity in southern France and Italy Jansen shows how perceptions of the Magdalen merged with errors and misunderstandings to shape the social spiritual and political agendas of the later Middle Ages She brings to life the rich complexity of medieval culture which condemned female sexuality and women s preaching and yet popularized the veneration of Mary Magdalen as a former prostitute chosen by Christ to be the apostle of the apostles the first to witness and preach the Good News of the Resurrection Mary Magdalene, La Malinche, and the Ethics of Interpretation Jennifer Vija Pietz, 2022-11-08 By comparing the intersecting histories of interpretation of Mary Magdalene a first century disciple of Jesus and La Malinche a sixteenth century Mesoamerican woman enslaved by the Spanish conquistadores Jennifer Vija Pietz critically evaluates the use of past lives to address contemporaneous concerns She demonstrates how the earliest sources portray each woman as an agent in the foundation of a new community Magdalene s proclamation of Jesus s resurrection helped form the first Christian community while La Malinche s role as interpreter between Spanish and native people during the Conquest helped establish modern Mexico Pietz then argues that over time various interpreters turn these real women into malleable icons that they use to negotiate changing conceptions of communal identity and norms Strikingly popular portraits develop of both women as archetypal whores who represent transgression portraits that some women have experienced as harmful Although other interpreters present contrary portraits of Magdalene and La Malinche as admirable emblems of female empowerment Pietz argues that the tendency to turn real people into icons risks producing stereotypes that can obscure past lives and negatively affect people in the present In response she posits strategies for developing historically plausible and ethically responsible interpretations of people of the past **The Digby Mary Magdalene Play** Theresa Coletti, 2018-02-28 The Digby Play of Mary Magdalene is a rare surviving example of the Middle English saint play It provides a window on the deep embedding of biblical drama and performance in late medieval devotional practices social aspiration and critique and religious discourses Fully annotated and extensively glossed this edition adds to the METS Drama series an essential resource for the study of late medieval English religious drama
