Modern Gang Reader:

The Modern Gang Reader Cheryl Lee Maxson, 2014 Updated to reflect current research the fourth edition of The Modern Gang Reader brings together articles that discuss the prevalence structures and behaviors of gangs today and analyze society's responses to them Now with section introductions that link concepts across the text this volume contains new articles on gang desistance reentry from incarceration victimization and international gangs **The Modern Gang**

Reader Jody Miller, Cheryl Lee Maxson, Malcolm W. Klein, 2001 **Gangs, Peers, and Co-offending: Oxford Bibliographies Online Research Guide** Terrance J. Taylor, 2010-05 This ebook is a selective guide designed to help scholars and students of criminology find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In criminology as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Criminology a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of criminology Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.aboutobo.com

The Eurogang Paradox Malcolm Klein, Hans-Jürgen Kerner, Cheryl Maxson, E. Weitekamp, 2012-12-06 The Eurogang Paradox is the first comprehensive collection of original research reports on the status of street gangs and problematic youth groups in Europe as well as a set of special state of the art reports on the current status of American street gang research and its implications for the European gang situation Seven American papers are joined with reports from England Norway Sweden Denmark Germany Russia Holland Belgium France and Slovenia Summary chapters by the American and European editors provide overviews of the street gang picture the associated issues and problems of definition community context comparative research procedures and implications for prevention and intervention Professionals and students will find these papers easy to comprehend yet fully informative on comparative street gang studies [Street Gangs](#) Dennise Orlando, 1997

The Modern Gang Reader Arlen Egley, 2006 This anthology provides an updated highly accessible introduction to the most salient contemporary issues in the study of gangs This book emphasizes defining and understanding gangs their prevalence structures and behaviors and society's responses to them Topics include defining gangs joining and leaving gangs the variability of gang structure and behavior gang proliferation and migration the extent of the current gang problem race

and gender issues the relationship between gangs violence and drugs and various programmatic and policy responses to gangs including prevention intervention and suppression efforts **Handbook of Youth and Justice** Susan O.

White,2013-11-11 When approached by Plenum to put together a volume of social science research on the topic of youth and justice I found the interdisciplinary challenge of such a project intriguing Having spent 2 years as Director of the Law and Social Science Program at the National Science Foundation I was well aware of the rich diversity of research that could fit within that topic I also knew that excellent research on youth and justice was coming from different communities of researchers who often were isolated from each other in their respective disciplines as psychologists sociologists criminologists or policy analysts I saw this project as an opportunity to break down some of this isolation by introducing these researchers and their work to each other and to the broader community of social scientists interested in law and justice There was another gap or set of gaps to be bridged as well The juvenile justice system and the criminal justice system differ in significant ways and the civil justice system which is a major venue for issues of youth and justice is yet another separate world Few researchers are likely to know the whole picture For example a focus on juvenile justice often ignores the extent to which civil justice proceedings shape the lives of young people through divorce custody adoption family preservation policies and other actions and vice versa *Criminology* Stephen E. Brown, Finn-Aage Esbensen, Gilbert Geis, 2018-12-21

How do societies define crime and how should it be punished or prevented Which is a more criminal act causing a death by dumping toxic material or by shooting a victim with a gun Are criminals born or made *Criminology Explaining Crime and Its Context* Tenth Edition offers a broad perspective on criminological theory It provides students of criminology and sociology with a thorough exposure to a range of theories about crime contrasting their logic and assumptions but also highlighting efforts to integrate and blend these frameworks In this tenth edition the authors have incorporated new directions that have gained traction in the field while remaining faithful to their criminological heritage Among the themes in this work are the relativity of crime its changing definition with abundant examples historical roots of criminology and the lessons they have provided and the strength and challenges of applying the scientific method This revision offers new coverage of the growing problem of mental health and crime a more tightly focused discussion of crime statistics more global examples and new material on human trafficking and on youth violence Brown and Esbensen improve on this engaging and challenging introduction to the theory of crime and punishment which is already perhaps the best criminology text available for undergraduates today **Special Needs Offenders Bulletin** ,1997 **The Blackwell Companion to Criminology** Colin Sumner, 2008-04-15 The Blackwell Companion to Criminology provides a contemporary and global resource to scholarship in both classical and topical areas of criminology Written accessibly and with its international perspective and first rate scholarship this is truly the first global handbook of criminology Editors and contributors are international experts in criminology offering a comparative perspective on theories and systems Contains full discussion of key debates and theories

the implications of new topics studies and ideas and contemporary developments Coverage includes class gender and race criminal justice juvenile delinquency punishment mass media international crimes and social control **Gangs in America**

III C. Ronald Huff, 2001-11-06 The Third Edition of this popular anthology examines contemporary gangs gang life and law enforcement efforts to study and coordinate the community's response to them The book contains original essays from a broad array of renowned researchers and experienced practitioners who work with gangs A wide variety of current topics and issues are covered including female gangs and ganging ethnic diversity economic neighborhood and school contexts of gang behavior gun and drug relationships and research methods used in the study of gangs As communities face ever growing gang related problems Gangs in America III provides the most up to date information on the diverse perspectives and complex issues that arise in our efforts to understand prevent and control gang violence and crime For Your Courses in Criminology Criminal Justice Sociology Victimization Text Recommended for Upper Division Undergraduate Level Graduate Level **The Re-Evolution of American Street Gangs** Dale L. June, Mohamad Khatibloo, Gregorio Estevane, 2015-09-25

The problem of gangs and gang subculture is a growing threat to the stability of neighborhoods and entire communities During the past two decades gang members have increasingly migrated from large urban centers to suburban areas and other countries This book addresses the intricacies and diversities of street gangs drawing on the expertise of high ranking law enforcement officials monitoring terrorist activity and gang related crimes as well as professional private investigators who have spent several decades investigating gangs and learning their subculture lifestyle motivations and relationships Ideal for supplemental reading in gang violence courses on criminal justice sociology law and psychology this comprehensive anthology presents thorough coverage of a notoriously difficult subject It explores the following key topics Social psychological and criminal impact of street gangs on juveniles Psychology of gang membership and the pathways that lead into and out of gang culture Relationship between religion and dangerous criminal gangs How U S based gangs are using technology to advance their operations Use of graffiti by street gangs Evolution of gangs and recommendations for preventing future growth Gang enhancement crimes and associated misconduct of police and prosecutors Like any type of crime street gang criminal activity cannot be totally eliminated This book aims to provide a better understanding of gangs so that we can influence today's potential gang members to make the right decisions for their sake and the sake of society

Street Gangs Throughout the World Herbert Covey, 2021-07-01 This new third edition provides an update on what is known about street gangs throughout the world and summarizes some of the major works on street gang phenomena It focuses on those countries that have a greater presence in the literature Chapter 1 introduces the reader to the topic of street gangs throughout the world Chapter 2 identifies some of the challenges faced by scholars when studying gangs in different countries Chapter 3 reviews some of the basic research on street gangs in the United States and Canada Chapter 4 covers what is known about street gangs in Europe and Russia Chapter 5 reviews the literature on street gangs in one of the

hottest areas of the world for gangs Central America In addition this chapter examines South American and Caribbean gangs Street gangs in Brazil El Salvador Guatemala Jamaica Brazil Mexico Nicaragua Trinidad and other countries are covered The presence of street gangs and gang violence in these and other countries has been identified as a major factor in the mass migration of refugees to the United States Chapter 6 reports on the street gangs of Africa Research on gangs in South Africa goes back decades and the country has a unique history on how gangs evolved Other countries such as Egypt Nigeria and Kenya are developing a body of literature that highlights the distinctive nature of gangs and gang members in these countries Chapter 7 addresses street gangs in Asia including China India Hong Kong post reunification Japan and other countries This chapter provides rare glimpses of gangs in China a relatively secretive country Although different in many ways from gangs in Asia information is also included here about gangs in Australia and New Zealand Practitioners in the criminal justice and juvenile justice fields will find this book to be a valuable resource

Handbook of Police

Administration James Ruiz, Don Hummer, 2017-09-25 As figureheads of the most visible segment of criminal justice today s police administrators are forced to tackle challenges never faced by their predecessors Heightened local and global threats advanced technologies and increased demands for procedural transparency require new levels of flexibility innovative thinking and the ability to foster and maintain relationships within the community It is more crucial than ever to recruit and retain capable leaders to guide law enforcement agencies at this pivotal time in history Covering areas such as leadership in policing use of force and understanding how the law shapes police practice Handbook of Police Administration examines the key topics that must be considered by law enforcement professionals Recognizing that police leaders need the skills and traits of a politician accountant attorney field lieutenant and futurist the authors cover a variety of contemporary issues surrounding police administration and management Divided into five thematic sections it considers the legal aspects of overseeing a public sector organization as well as how research technology and training can assist modern police leaders in performing their duties more effectively and efficiently The book covers problematic issues such as officers accepting gratuities undercover work and the time criteria required for promotional consideration It concludes with a chapter comparing administrative issues in Australia with many of the subjects previously addressed with regard to U S protocol Using a range of perspective differing viewpoints and controversial issues Handbook of Police Administration provides a springboard to stimulate discussion at the cutting edge of debate in the dynamic field of policing

Before Crips

John C. Quicker, Akil S. Batani-Khalfani, 2022-07-15 This book describes the rise features and behavior of street groups in mid century South Los Angeles It charts the influence of social factors on the changing culture of neighborhood street sets describing their behaviors customs and values as remembered by interviewees who were members of these groups in the 1950s and 1960s

[Small Arms Survey 2010](#) Small Arms Survey, Geneva, 2010-06-03 The Small Arms Survey 2010 focuses on gangs and non state armed groups Gang violence while typically directed at other gang members can account for a major portion of

social violence Armed groups whatever their orientation to the state are of growing concern in conflict and post conflict settings where their activities can have serious repercussions for human security This volume reviews a range of issues related to gangs and armed groups exploring their functions roles and use of violence as well as emerging efforts to address the damage they inflict on society The volume explores prison gangs gender aspects of gangs and pro government groups it also features case studies from Ecuador and southern Sudan Original research on the global ammunition trade and on options for controlling illicit firearm transfers by air rounds out the book Juvenile Delinquency Donald J.

Shoemaker,2017-01-05 Juvenile Delinquency is a timely and comprehensive introduction to crime justice and young people with an emphasis on theory and practice The third edition retains the overall structure of the second edition and features updates throughout including new information on gangs and prevention the impact of race and gender on crime and justice additional comparative and international examples and more The book opens with an overview of delinquency historical and contemporary discussions of juvenile justice theories of delinquency institutional contexts of delinquency such as school and the family and chapters on topics such as drug use youth gangs female delinquency police courts and corrections Many chapters discuss treatment programs as well as delinquency and illustrate theory put into practice Most issues are examined through the lenses of race class and gender Juvenile Delinquency covers the essentials of the topic with a price point far below most competitors To enhance student learning a complimentary instructor s manual and test bank are available Please see the Features page for additional information *Gangsters* Lewis Yablonsky,1998-08 Why young people participate in violent gang behavior The effects of gang violence are witnessed every day on the streets in the news and on the movie screen In all these forums gangs of young adults are associated with drugs and violence Yet what is it that prompts young people to participate in violent behavior And what can be done to extract adolescents from the gangster world of crime death and incarceration once they have become involved In *Gangsters 50 Years of Madness Drugs and Death on the Streets of America* Lewis Yablonsky provides answers to the most baffling and crucial questions regarding gangs Using information gathered from over forty years of experience working with gang members and based on hundreds of personal interviews many conducted in prisons and in gang neighborhoods Yablonsky explores the pathology of the gangsters apparent addiction to incarceration and death *Gangsters* is divided into four parts including a brief history of gangs the characteristics of gangs successful approaches for treating gangsters in prison and the community and concluding with a review and analysis of notable behavioral and social scientific theories of gangs While condemning their violent behavior in no uncertain terms Yablonsky offers hope through his belief that given a chance in an effective treatment program youths trapped in violent behavior can change their lives in positive ways and in turn facilitate positive change in their communities and society at large **Crips and Bloods** Herbert C. Covey,2015-06-23 This book provides a concise and engaging examination of the

subculture of the Crips and Bloods the notorious street gangs that started in Los Angeles but have now spread throughout

the United States Despite the dangers and harsh realities intrinsic to street life and criminal activity the no holds barred lifestyle of gangs continues to interest mainstream America This provocative book provides an insider s look into the subculture of two of the most notorious street gangs the Crips and the Bloods Crips and Bloods A Guide to an American Subculture traces the evolution of the two gangs covering their origins in South Central Los Angeles to the organizations current presence throughout the United States The author analyzes the ways in which the gang subculture is created promoted and perpetuated shows how the groups currently recruit their members and explores the ways Crip and Blood culture has expanded beyond the gangs into the larger mainstream society **A Dictionary of Gangs** Bill

Sanders,2019-02-05 A worldwide fascination with gangs is evident they are a major focus of the criminal justice system and the object of much media attention This new Oxford Reference title of over 250 entries gives a concise overview of key terms used in the study and understanding of gangs the first dictionary of its kind to focus on gang vernacular Broad in scope it covers colloquialisms used in gang culture to describe certain behaviours common among gang members such as caught slipping and jumped in sociological and criminological terms in relation to gangs such as social disorganization and social learning as well as general academic concepts which apply to gangs including Critical Race Theory acculturation moral panic and identity It also includes entries on gangs both inside and outside of the United States and theories of key gang researchers
