

# **! My Muse**

**It is your company in solitude I treasure,  
Those are the imaginative moments of pleasure;  
I long to be within your majestic universe ever,  
To seek the creative bliss beyond measure;**

**Everyday I find time in the midst of my schedule,  
Waiting for you whole day, one or the other will ridicule;  
You appear slowly with an exclusive veil of silence,  
Disappearing with the pin drop impatience;**

**I feel you during the meditational presence,  
For many it may not make any fruitful sense;  
You are my friend in inspirational moments,  
You are there during my moments of creative impulse;**

**During solitary moments I evince divine gratitude;  
You are my ingenious teacher and a guide,  
With you I see the nature as a beautiful bride,  
Time spent with you were like a high flying ride;**

**You travel with me to the distant abyss,  
To find in the deep dark hollow crevice,  
In the deep hollow abyss my heart beats do miss,  
Only to wake up with an enlightened bliss;  
Oh! My friend loneliness;**

**The Poetry of Du Fu** Stephen Owen, 2015-11-13 The Complete Poetry of Du Fu presents a complete scholarly translation of Chinese literature alongside the original text in a critical edition The English translation is more scholarly than vernacular Chinese translations and it is compelled to address problems that even the best traditional commentaries overlook The main body of the text is a facing page translation and critical edition of the earliest Song editions and other sources For convenience the translations are arranged following the sequence in Qiu Zhao an s Du shi xiangzhu although Qiu s text is not followed Basic footnotes are included when the translation needs clarification or supplement Endnotes provide sources textual notes and a limited discussion of problem passages A supplement references commonly used allusions their sources and where they can be found in the translation Scholars know that there is scarcely a Du Fu poem whose interpretation is uncontested The scholar may use this as a baseline to agree or disagree Other readers can feel confident that this is a credible reading of the text within the tradition A reader with a basic understanding of the language of Chinese poetry can use this to facilitate reading Du Fu which can present problems for even the most learned reader My Reflection-Soul Poetry

Jessica Fike, 2005-11-01 I decided about six months ago to start a journal As I was typing my feelings down I noticed that they were not expressing the overwhelming emotions I was suddenly filled with So I tried putting them in poetry form in order to express just what I was feeling just the way I was feeling it After writing a few and finally feeling a sense of emotional relief I became addicted to poetry These poems are my journal my day to day struggles with this new spiritual path that Im now on These poems are my emotions my happiness and my heartaches Each one was a day in my life inspired by everything around me and every possible emotion I began to write about everything such as how I feel when it rains or doesnt rain or even how odd it is that time seems to slow down at certain moments in life **Embracing the Love of God**

youth ministry Michael Novelli felt like he had tried everything to help his students connect with the Bible Then a missionary introduced him to a unique ancient way to engage people with the Bible through story Michael learned the art of Storying a sequential telling of Bible stories followed by a time of creative retelling and in depth dialogue God used this process to completely transform his youth group as they found themselves experiencing God in a whole new way Take a journey into the amazing process of Storying and discover how it can change your life and ministry This new approach to learning builds a lasting theological foundation while challenging students to discover their unique identity and calling in God s story Shaped by the Story helps you understand why Storying connects with students today and provides all you need to introduce Storying to your group including sample narratives and an interactive training DVD *Light from the West; or, The Cornish parochial visitor, ed. by H.A.
