**Klaus Herrmann, Margarete  
Schlüter, Giuseppe Veltri**

## **My Search For The Messiah Studies And Wanderings In Israel And America:**

*My Search for the Messiah* Mark Mirsky, 1977      **Jewish Studies Between the Disciplines / Judaistik zwischen den Disziplinen** Klaus Herrmann, Margarete Schlüter, Giuseppe Veltri, 2003-06-01 Peter Sch fer who celebrated his 60th birthday on 29 June 2003 has left a decidedly firm imprint on the young discipline Jewish Studies in Germany which could only be set up at a German university after the Shoah For someone directing a small academic institution he has managed during his academic career to guide and influence a strikingly large number of students in their scholarly pursuits in the field The collected essays of this volume encompass quite a variety of topics whereby the focal points in Peter Sch fer s own research are not difficult to recognize in the themes chosen by his former students mysticism and magic are most conspicuous followed by Rabbinic Judaism and the studies on the Middle Ages and the Early Modern and Modern Periods Of note is also the fact that the methodological approaches of these contributions are no less manifold than their themes Part of the contributions of this book were submitted in English and all the German language texts have an English summary or abstract

Orthodox Judaism in America Marc Raphael, Moshe Sherman, 1996-05-14 The last in a series of three volumes edited by Marc Lee Raphael surveying some of the major rabbinic and lay personalities who have shaped Judaism in America for the past two centuries this work focuses on Orthodox Judaism Along with a basic description of the achievements of some of the most notable leaders a bibliography of their writings and sources for further study is included as well as an essay on Orthodox rabbinic organizations and a survey of American Orthodox periodicals Of interest to scholars students and lay persons alike this volume will inform readers about the earliest communities of Jews who settled in America as they developed the institutions of Orthodox Jewish life and set a public standard of compliance with Jewish law These early American Jews followed a Spanish Dutch version of Sephardic customs and rites Their synagogues used traditional prayer books promoted the celebration of Jewish holidays established mikvahs acquired Passover provisions and arranged for cemetery land and burial services While many of these Sephardic immigrants did not maintain halakha in their daily regimen as did their European counterparts they set a public standard of compliance with Jewish law thus honoring Jewish tradition Further immigration of thousands of Jews from Western and Central Europe in the middle of the 19th century brought a world of traditional piety and extensive Jewish learning to America exemplified by Rabbi Abraham Rice who served in Baltimore and Yissachar Dov Bernard Illowy who served communities from Philadelphia to New Orleans Such men marked the beginning of a learned and scholarly rabbinate in America This volume provides valuable biographical insights regarding some of the most notable religious leaders in American Orthodoxy      **American Talmud** Ezra Cappell, 2012-02-16 In *American Talmud* Ezra Cappell redefines the genre of Jewish American fiction and places it squarely within the larger context of American literature Cappell departs from the conventional approach of defining Jewish American authors solely in terms of their ethnic origins and sociological constructs and instead contextualizes their fiction within the theological

heritage of Jewish culture By deliberately emphasizing historical and ethnographic links to religions religious texts and traditions Cappell demonstrates that twentieth century and contemporary Jewish American fiction writers have been codifying a new Talmud an American Talmud and argues that the literary production of Jews in America might be seen as one more stage of rabbinic commentary on the scriptural inheritance of the Jewish people     *International Bibliography Of Jewish Affairs, 1976-1977* Elizabeth E. Eppler,2019-04-03 This bibliography a project of is intended as an aid to research on and cultural aspects of contemporary ship between Jews and the non Jewish material published in 1976 and 1977 the Institute of Jewish Affairs the historical social political Jewish life and on the relationworld The present volume covers The Bibliography includes primarily nonfiction works published outside Israel by both Jewish and non Jewish authors it excludes belles lettres with the exception of documentary novels and memoirs and religious studies Entries are arranged by subject with cross references wherever applicable a cumulative index of names and a list of periodicals are provided at the end of the volume     Jews and Judaism in The New York Times Christopher Vecsey,2013-07-18 In a recent book Following 9 11 Religion Coverage in the New York Times Christopher Vecsey examines journalistic definitions of religion before and especially after the terrible events of September 11 2001 Here he explores Times portrayals of the cumulative religious tradition called Judaism embodied by peoples who have called themselves Jews from antiquity to modernity throughout the world and especially in the United States where a plurality of Jews live today and where the Times is published To understand Judaism today is to fathom its diverse texts beliefs rituals ethics and institutions the contemporary concerns of Jews and the relationships not only among Jews but also between Jews and gentiles and the continuing impact of anti Semitism upon Jewish life Since the 1940s Jews and Judaism have been profoundly affected by the horrific course of the Holocaust and by the formation of Israel as a Jewish nation state These have been the major themes in the Times treatment of Judaism chronicled in thousands of articles Like an insider to Jewish tradition the paper recounts favorite holy day recipes and tales of survival and travail in a multi national and assimilative world In so doing however the paper probes not only concurrence within Judaism but more tellingly a complex multi cultural at odds with itself Jewishness Rather than thinking of the Times as a mouthpiece for Jewish interests it is far more accurate to say that the Times has analyzed like an outsider the paradoxes the tensions and the culture wars in contemporary Jewish existence in order to define pluralistic Judaism as a political cultural religious entity The Times treats Judaism humanistically showing that it is the Jewish people who are most important to Judaism not merely the texts the theology or the institutions The paper works from perspectival Talmudic principles reporting multiple viewpoints in the circle of Jewish faith observance contestation and disbelief constantly questioning all sources as an observant instrument of inquiry into Jewish existence to expose Judaism s points of conflict as well as its areas of consensus     Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1978

*The New York Times Book Review* ,1977 Presents extended reviews of noteworthy books short reviews essays and

articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback     Saving Remnants Sara Bershtel, Allen Graubard, 1993-01-01 Saving Remnants provides a series of honest and clear minded portraits of young American Jews trying to confront what it means to be Jewish Irving Howe author of World of Our Fathers You don t have to be Jewish to be fascinated and challenged by this sensitive profoundly intelligent book Saving Remnants is about Jewishness but it is also about all of us searching for identity on a menu that includes New Age epiphanies along with old time religions and instant traditions Barbara Ehrenreich author of Fear of Falling     **Between Berlin and Slobodka** Hillel Goldberg, 1989     **The Torah U-madda Journal** , 1993     The National Jewish Monthly , 1977
