Staying Healthy with Nutrition, rev. Elson Haas, Buck Levin, 2006-09-01. The twenty-first century edition of this groundbreaking work presents authoritative health and nutrition information available in an easy-to-use format and a friendly, engaging tone. An excellent guide for those wishing to make smarter dietary choices.

Andrew Weil, M.D., author of *Healthy Aging*. Decades of practical experience and scientific research from Dr. Elson Haas and Dr. Buck Levin are compiled into one encyclopedic volume that features newly expanded chapters on special supplements, lifestyle programs and breakthrough medical treatment protocols for fatigue, viruses, weight management and mental and mood disorders such as anxiety, ADHD and depression.

Part One gives a detailed analysis of the building blocks of nutrition: water, carbohydrates, proteins, fats and oils, vitamins, minerals and other nutrients. Part Two evaluates food and diets, discussing every food group and most diets around the world. A special chapter on the environment and nutrition raises awareness and offers guidance about food additives, industrial chemicals, food irradiation, electro-pollution and other health and ecological issues. Part Three brings all of this nutritional information together, showing readers how to make wise and commonsense choices while building a healthy diet. A personalized eating plan for the year. The Ideal Diet is both seasonally and naturally based and a healthy lifelong diet. Part Four contains specific nutritional and lifestyle therapies for enhancing all stages of life and suggests treatments for common conditions and diseases such as aging, menopause, bone loss, weight loss and cancer by focusing on nutritional applications.

thirty-two special diet and supplemental programs. Anyone interested in enhancing wellness, eating right, treating illness naturally and living in harmony with nature will find *Staying Healthy with Nutrition* to be the ultimate handbook for optimal health and vitality.

The Detox Book, 3rd Edition Bruce Fife, 2017-08-14. We live in a toxic world. Environmental pollution and disease-causing germs assault us continually, day after day. Our food is nutrient deficient and our water supply dangerously contaminated. People today are exposed to chemicals in far greater concentrations than were previous generations. Thousands of tons of man-made chemicals

and industrial pollutants are poured into our environment and our food supply daily With such a massive attack on our health we should all be sick from toxic overload And we are In no other time in the history of the world has degenerative disease been as prominent as it is today Diseases that were rare or unheard of a century ago are now raging upon us like a plague Millions are dying from diseases that were virtually unknown in the past Experts tell us that by the time we reach middle age each one of us will have already been affected by either cancer cardiovascular disease or some other serious degenerative condition Conventional medicine has no sure cure Drugs surgery and radiation treatments can be as dangerous and debilitating as the diseases they attempt to cure Nature however has provided us with the solution Our bodies are amazingly resilient If the disease causing toxins are removed the body will heal itself This book outlines the steps you need to take to thoroughly detoxify and cleanse your body from these disease causing agents You will also learn how to reduce your toxic exposure and how to strengthen your immune system Through detoxification you will free yourself from the chains of pain reverse degenerative conditions gain more energy feel and look younger improve your memory and be happier Virtually all the diseases of modern society including many infectious illnesses can be avoided or even cured by sensible systematic detoxification Although we live in a toxic world we can take control of our health This book will show you how The Detox Book is highly recommended for health reference collections The Midwest Book Review A comprehensive handbook of detoxification therapies Chapters give extensive background information on each subject reports of research and precise detailed instructions for self administration An encyclopedic look at how we can care for and cleanse our amazingly resilient bodies Booklist American Library Association The Detox Book is an excellent primer on cleansing the body It provides everything you need to know about detoxification why you must detoxify and how to get the best results I highly recommend this down to earth and approachable book as the first step along your journey to health Michelle Cook Health N Vitality
