Urdu New Testament Pakistan Bible Society,1967-12-01 Dari New Testament (Afghanistan) Pakistan Bible Society,
The Gospels in Islamic Context Georgina L. Jardim,Ida Glaser,Shirin Shafaie,2025-09-30 Bringing together scholars from across the world this publication shows Christians and Muslims individually or together reading the canonical Gospels of the New Testament in conversation with Islamic texts and contexts In the discovery of meaning between text context and praxis this volume asks what are the texts doing in contexts as far flung as Indonesia the Hijaz of early Islam in Persian poetry of medieval times or modern Sunni interpretation in north America This second edited volume in the series Reading the Bible in Islamic Context continues the pioneering venture in contextual and intertextual reading It shows the richness of cooperative scholarship that results from reading the New Testament in Islamic context and exploring how the Gospel is understood in various religious traditions The Gospels in Islamic Context will be of interest to scholars students and practitioners encouraging them to explore new methods for taking into account intertextual factors as well as the history of Muslim Christian relations that arises from them It is a venture in which Muslims and Christians travel side by side and in conversation with each other although with significantly different perspectives and often different agendas *Indian and Pakistan Year Book and Who's who* Sir Stanley Reed,1928 Issues for 1919 47 include Who s who in India 1948 Who s who in India and Pakistan *Bible Translation in India, Pakistan and Ceylon* John Stirling Morley Hooper,1963 The Contextualized Psalms (Punjabi Zabur) Yousaf Sadiq,2020-11-09 The metrical translation of the Psalms into the Punjabi language set to indigenous music in the late nineteenth century in India plays a vital role in the personal and communal worship of the global Punjabi Christian community This book is a pioneer work that comprehensively encompasses the cultural socio historical missional and sociolinguistic aspects of the Punjabi Psalter It investigates the unique and fascinating story of the contextualizing of Psalms in an exclusive South Asian Punjabi context and engages in an in depth study on the life and work of Rev Dr Imam ud Din Shahbaz This work determines to bring a deeper appreciation for the Punjabi Psalter by encouraging the Punjabi Christians to not only pass the Psalms on to the next generations but also to grow in loving and valuing their mother tongue the Punjabi language The thrust of this book is to esteem the shared heritage of the global Punjabi Christian community the Psalms in Punjabi commonly known as the Punjabi Zabur **Pakistan's Blasphemy Laws** SHEMEEM BURNEY ABBAS,2013-07-01 Under the guise of Islamic law the prophet Muhammad s Islam and the Qur an states such as Pakistan Afghanistan Egypt Saudi Arabia and Bangladesh are using blasphemy laws to suppress freedom of speech Yet the Prophet never tried or executed anyone for blasphemy nor does the Qur an authorize the practice Asserting that blasphemy laws are neither Islamic nor Qur anic SHEMEEM BURNEY ABBAS traces the evolution of these laws from the Islamic empires that followed the death of the Prophet Muhammad to the present day Taliban Her pathfinding study on the shari a and gender demonstrates that Pakistan s blasphemy laws are the inventions of a military state that manipulates discourse in

the name of Islam to exclude minorities women free thinkers and even children from the rights of citizenship Abbas herself was persecuted under Pakistan's blasphemy laws so she writes from both personal experience and years of scholarly study Her analysis exposes the questionable motives behind Pakistan's blasphemy laws which were resurrected during General Zia ul Haq's regime of 1977-1988 motives that encompassed gaining geopolitical control of the region including Afghanistan in order to weaken the Soviet Union Abbas argues that these laws created a state sponsored infidel ideology that now affects global security as militant groups such as the Taliban justify violence against all infidels who do not subscribe to their interpretation of Islam She builds a strong case for the suspension of Pakistan's blasphemy laws and for a return to the Prophet's peaceful vision of social justice

Retranslating the Bible and the Qur'an Pieter Boulogne, Marijke H. de Lang, Joseph Verheyden, Despite the lively scholarly discourse on retranslation and its manifest value for uncovering dynamics of cultural change interpretation and reception the retranslation of religious texts has received only fragmented attention in recent years By spanning both historical and current aspects and by treating the Bible and the Qur'an together this book breaks new ground and paves the way for future research on the myriad discursive and religious aspects of retranslation This carefully curated collection of articles compellingly argues that the retranslation of canonical religious texts is a multi-faceted phenomenon With cases ranging in time from the early Reformation to the present and traversing linguistic contexts from Russia to Sweden Slovenia to Saudi Arabia the essays capture diverse dimensions of retranslation work The collection demonstrates that retranslations of such texts manifest in different forms depending on the religious political and societal circumstances the targeted audiences and the status of existing translations Their reception too may vary greatly depending on those same circumstances Authored by specialists in the different fields of retranslation of the Bible and the Qur'an each contribution illustrates this complexity and offers a fresh perspective and insight that help lay the groundwork for future research in this area of study

Wilkins, 2010-08-03. In the aftermath of the waves of discipleship programs that have swept over the church in the last 30 years clergy and laypersons alike are more confused than ever about what it means to be a disciple of Jesus Christ. What should a disciple of Jesus look and act like today? What is the relationship between discipleship and salvation between discipleship and sanctification between discipleship and ministry? How were disciples of Jesus different from other disciples in the ancient world? How did the early church carry out Jesus' agenda in making disciples of all the nations? In *Following the Master* Michael J. Wilkins addresses these and many other questions that perplex the church today not by offering another discipleship program or manual but by presenting a comprehensive biblical theology of discipleship. *Following the Master* compares other forms of master-disciple relationships in existence in the ancient Judaism and Greco-Roman world traces Jesus' steps as he called and developed disciples and Mediterranean world as it followed Jesus' command to make disciples. *Following the Master* lays the groundwork necessary for developing biblical discipleship ministries in the church on the mission field and in parachurch ministries. It is essential reading for all pastors students and Christian workers.
