Path Of Eternal Wisdom The A Mystical Commentary On The Way Of The Cross 1911:

The Path of Eternal Wisdom Evelyn Underhill, 2014-03-29 This Is A New Release Of The Original 1911 Edition *The Path of the Eternal Wisdom* John Cordelier, 1911 **The Path of the Eternal Wisdom** John Cordelier, 1912 The Path of Eternal Wisdom Evelyn Underhill, 1922 The Making of a Mystic Evelyn Underhill, 2024-03-18 Evelyn Underhill 1875 1941 achieved international fame with the publication of her book *Mysticism* in 1911. Continuously in print since its original publication, *Mysticism* remains Underhill's most famous work, but in the course of her long career she published nearly forty books, including three novels and three volumes of poetry, as well as numerous poems in periodicals. She was the religion editor for *Spectator*, a friend of T. S. Eliot; her influence is visible in his last masterpiece, *Four Quartets*, and she was the first woman invited to lecture on theology at Oxford University. Her interest in religion extended beyond her Anglican upbringing to embrace the world's religions and their common spirituality. In time for the centennial celebration of her classic *Mysticism*, this volume of Underhill's letters will enable readers and researchers to follow her as she reconciled her beliefs with her daily life. The letters reveal her personal and theological development and clarify the relationships that influenced her life and work. Hardly aloof, she enjoyed the interests, mirth, and compassion of close friendships. Drawing from collections previously unknown to scholars, *The Making of a Mystic* shows the range of Evelyn Underhill's mind and interests, as well as the immense network of her correspondents, including Sir James Frazier and Nobel Prize laureate Rabindranath Tagore. This substantial selection of Underhill's correspondence demonstrates an exceptional scope, beginning with her earliest letters from boarding school to her mother and extending to a letter written to T. S. Eliot from what was to be her deathbed in London in 1941, as the London Blitz raged around her. **The Princeton Theological Review**, 1914 **Evelyn Underhill** Annice Callahan, 1997 This book explores Evelyn Underhill's spirituality for daily living by describing aspects of her life and writings that are relevant for contemporary Christians in their daily living. It combines scholarly research and pastoral applications. The first part focuses on three influences on her life: experiences and images, her study of the mystics, and her work with spiritual guides. The second part discusses Underhill's spirituality for daily living based on a study of her letters, retreats, and other spiritual writings. The third part presents her legacy for the third millennium: her study of mysticism, her spiritual guidance, and her spirituality for daily living. This work highlights aspects of her life with which readers may identify, for example, her own return to the Anglican communion after fourteen years, her ecumenical dialogue with the Orthodox church, and her lifelong attraction to the mystical and sacramental aspect of Roman Catholicism, her study of Sufi mystics, bringing her into interfaith dialogue, her pacifist stance in World War II, and her prophetic contribution to the Anglican church as a woman, spiritual director, retreat preacher, theologian, spiritual writer, and spiritual resource for today.
