Ravenous River:

Ravenous River Ira Cochlin,2001-05-01 **Ravenous River Board Game** ,2016 In *Ravenous River* each player takes the role of an animal trying to cross the river The roles are hidden during the game so you don't know which players are predator or prey Be careful not to end up on a boat with the wrong animal or you'll end up as its lunch Use your feral cunning to trap your prey on the same boat for a tasty treat while you cross the river The player who scores the most points by crossing the river eating their prey and avoid being eaten themselves wins

Malicroix Henri Bosco,2020-04-07 Fans of the style of William Faulkner will want to read Henri Bosco four time nominee for the Nobel Prize in Literature Available in English for the first time Malicroix tells the story of a recluse living in the French countryside unraveling how he came to a life of solitude Henri Bosco like his contemporary Jean Giono is one of the regional masters of modern French literature a writer who dwells above all on the grandeur beauty and ferocious unpredictability of the natural world Malicroix set in the early nineteenth century is widely considered to be Bosco's greatest book Here he invests a classic coming of age story with a wild mythic glamour A nice young man of stolidly unimaginative good bourgeois stock is surprised to inherit a house on an island in the Rhone in the famously desolate and untamed region of the Camargue The terms of his great uncle's will are even more surprising the young man must take up solitary residence in the house for a full three months before he will be permitted to take possession of it With only a taciturn shepherd and his dog for occasional company he finds himself surrounded by the huge and turbulent river always threatening to flood the island and surrounding countryside and the wind battering at his all too fragile house shrieking from on high And there is another condition of the will a challenging task he must perform even as others scheme to make his house their own Only under threat can the young man come to terms with both his strange inheritance and himself
