Raw on the Bars of Longing Terry H. S. Wallace, 1994 *A Raw Mix of Carelessness and Longing* Cecelia Frey, 2009

Jamey Popilowski dreams of becoming a rock star and Lilah Cellini dreams of Jamey Together the young couple leaves their childhood home of Terrabain Street and hit the open asphalt kicking up a musical storm along the way While Jamey embraces the musician s lifestyle along with its excesses Lilah is confronted by choices that will ultimately take her down a different path and lead her to her own voice *A Raw Mix of Carelessness and Longing* is a mesmerizing and lyrical tale that follows the tangled lives of friends and lovers as it articulates the fine balance between the passion for making and performing music and the temptations that hide in the shadows *Raw: Architectural Engagements with Nature* Solveig Bøe, Hege Charlotte Faber, 2016-04-08 Through cross disciplinary explorations of and engagements with nature as a forming part of architecture this volume sheds light on the concepts of both nature and architecture Nature is examined in a raw intermediary state where it is noticeable as nature despite but at the same time through man s effort at creating form This is done by approaching nature from the perspective of architecture understood not only as concrete buildings but as a fundamental human way both of being in and relating to the world Man finds and forms places where life may take place Consequently architecture may be understood as ranging from the simple mark on the ground and primitive enclosure to the contemporary megalopolis Nature inheres in many aesthetic forms of expression In architecture however nature emerges with a particular power and clarity which makes architecture a raw kind of art Even though other forms of art as well as aesthetic phenomena outside the arts are addressed the analogy to architecture will be evident and important Thus by using the concept of raw as a focal point this book provides new approaches to architecture in a broad sense as well as other aesthetic and artistic practices and will be of interest to readers from different fields of the arts and humanities spanning from philosophy and theology to history of art architecture and music **The Restaurant** John R. The Fire Within Ronald Rolheiser,2021-03-16 For most religious people the words God and sex never go together God is conceived of as holy pure sexless and as morally above the raw desires that so powerfully beset us Sex on the other hand is conceived of as earthy and unholy something we must snatch and not without guilt from the gods Christianity has struggled mightily with sex so too have most other religions And yet when we look at sexual desire and ask where it comes from there can be only one answer It comes from God This is a book on desire its experience its origins its meaning and how it might be generatively channeled Sexuality is inside us to help lure us back to God but dealing with this fire inside us is a lifelong struggle Ron Rolheiser sheds light on this mystery and the journey it takes us on in these tantalizing fragments that help give us permission to feel what we feel and know that God is still smiling on us *Scribner's Magazine* Edward Livermore Burlingame,Robert Bridges,Alfred Sheppard Dashiell,Harlan Logan,1894 *Life Examined* Nick Garside,Jonathan Lavery,Charles Wells,2021-12-15 Life Examined is an anthology of carefully edited readings designed to serve as an introduction to many of the fundamental concepts of ethical and socio political thought It includes primary sources from a
