Reginald, 2009-12-01 This was the first bibliography and guide to the American mass market paperback book and it remains one of the most definitive The major index is by author and lists author title publisher book number year of publication and cover price The title index lists titles and authors only The publisher index provides a history of that imprint with addresses number ranges and general physical description of the books issued This is the place that all study of the American paperback must begin *Political Assassinations and Attempts in US History* J. Michael Martinez, 2017-11-14 The long dark history of political violence in the United States Violence has been employed to achieve political objectives throughout history Taking the life of a perceived enemy is as old as mankind Antiquity is filled with examples of political murders such as when Julius Caesar was felled by assassins in 44 BCE While assassinations and assassination attempts are not unique to the American way of life denizens of other nations sometimes look upon the US as populated by reckless cowboys owing to a Wild West attitude about violence especially episodes involving guns In this book J Michael Martinez focuses on assassinations and attempts in the American republic Nine American presidents Andrew Jackson Abraham Lincoln James A Garfield William McKinley Harry S Truman John F Kennedy Richard Nixon Gerald Ford and Ronald Reagan have been the targets of assassins President elect Franklin D Roosevelt was also a target shortly before he was sworn into office in 1933 Moreover three presidential candidates Theodore Roosevelt Robert F Kennedy and George Wallace were shot by assailants In addition to presidents and candidates for the presidency eight governors seven U S senators nine U S House members eleven mayors seventeen state legislators and eleven judges have been victims of political violence Not all political assassinations involve elected officials Some of those targeted such as Joseph Smith Malcolm X and Martin Luther King Jr were public figures who influenced political issues But their cases are instructive because of their connection to and

influence on the political process No other nation with a population of over 50 million people has witnessed as many political assassinations or attempts These violent episodes trigger a series of important questions First why has the United States a country constructed on a bedrock of the rule of law and firmly committed to due process been so susceptible to political violence Martinez addresses these questions as he examines twenty five instances of violence against elected officials and public figures in American history

Kirby Mark Evanier, 2017-08-01 Filled with stunning artwork this biography of comics pioneer Jack Kirby by an artist who worked closely with him is a treasure The Cleveland Plain Dealer As a teenager future television and comics writer Mark Evanier became an assistant to Jack Kirby one of the foremost artists in the history of American comics Kirby played a major role in shaping the superhero genre not only through his innovative dynamic artwork but through collaborating with Stan Lee to create classic Marvel characters like the Fantastic Four the Hulk and the X Men Evanier has now written this magnificently illustrated biography of his mentor Rather than employing the academic prose that one might expect from an art book Evanier a talented raconteur tells Kirby s life story in an informal entertaining manner he brings Kirby s personality vividly alive a child of the Great Depression a creative visionary who struggled most of his life to support his family The book recounts how Kirby was insufficiently appreciated by clueless corporate executives and close minded comics professionals But the stunning artwork in this book taken from private collections makes the case for Kirby s genius A landmark work this is essential reading for comics fans and those who want to better understand the history of the comics medium or those who just want to enjoy Kirby s incredible artwork Publishers Weekly Includes an introduction by Neil Gaiman
