Introduction to Raymond Chandler's Unknown Thriller, the Screenplay of Playback Robert B. Parker, 1985

The World of Raymond Chandler Raymond Chandler, 2014-12-02 Raymond Chandler never wrote a memoir or autobiography The closest he came to writing either was in and around his novels shorts stories and letters There have been books that describe and evaluate Chandler's life but to find out what he himself felt about his life and work Barry Day editor of *The Letters of No 1 Coward* There is much to dazzle here in just the way we expect the book is meticulous artfully structured splendid Daniel Mendelsohn *The New York Review of Books* has cannily deftly chosen from Chandler's writing as well as the many interviews he gave over the years as he achieved cult status to weave together an illuminating narrative that reveals the man the work the

worlds he created Using Chandler s own words as well as Day s text here is the life of the man with no home a man precariously balanced between his classical English education with its immutable values and that of a fast evolving America during the years before the Great War and the changing vernacular of the cultural psyche that resulted Chandler makes clear what it is to be a writer and in particular what it is to be a writer of hardboiled fiction in what was for him another language Along the way he discusses the work of his contemporaries Dashiell Hammett James M Cain Hemingway Fitzgerald Agatha Christie W Somerset Maugham and others I wish said Chandler I had one of those facile plotting brains like Erle Gardner Here is Chandler s Los Angeles There is a touch of the desert about everything in California he said and about the minds of the people who live here a city he adopted and that adopted him in the post World War I period Here is his Hollywood Anyone who doesn t like Hollywood he said is either crazy or sober He recounts his own rocky experiences working in the town with Billy Wilder Howard Hawks Alfred Hitchcock and others We see Chandler s alter ego Philip Marlowe private eye the incorruptible knight with little armor who walks the mean streets in a world not made for knights If I had ever an opportunity of selecting the movie actor who would best represent Marlowe to my mind I think it would have been Cary Grant Here is Chandler on drinking his life in the end was in a race with alcohol and loneliness and here are Chandler s women the Little Sisters the dames in his fiction and in his life on writing *The Long Goodbye* Chandler said I watched my wife die by half inches and I wrote the best book in my agony of that knowledge I was as hollow as the places between the stars After her death Chandler led what he called a posthumous life writing fiction but more often than not his writing life was made up of letters written to women he barely knew Interwoven throughout the text are more than one hundred pictures that reveal the psyche and world of Raymond Chandler I have lived my whole life on the edge of nothing he wrote In his own words and with Barry Day s commentary we see the shape this took and the way it informed the man and his extraordinary work
