Raza S Guerra No Chicano Protest And Patriotism During The Viet Nam War Era:

Raza sí!, guerra no! Lorena Oropeza, 2005-04-25 A fascinating and beautifully argued interpretation of how the American war in Southeast Asia affected Chicano communities The author provides the most complete and well documented study to date of this important chapter in U S history and its impact on an ethnic group with long standing traditions of military service assimilation and resistance to injustice Oropeza s book is what students of the Chicano Movement especially the Mexican American role in antiwar activities during the Vietnam War period have been waiting for George Mariscal author of *Aztlán and Viet Nam Chicano and Chicana Experiences of the War* Raza S Guerra No is a superb first book Maintaining a balance between national context and the activism in the every day Lorena Oropeza seeks to understand and contextualize antiwar activism among a generation of Mexican American youth Bolstered with an array of archival sources and oral interviews she carefully delineates the nature of political organizing among Mexican Americans across the Southwest To her credit Oropeza avoids a narrative of solidarity as she interrogates the internal messiness and contradictions of movement politics and the result is a finely nuanced interpretation of Chicano youth rebellion one rooted firmly in the politics of confrontation I highly recommend it Vicki L Ruiz University of California Irvine With this important study Lorena Oropeza grapples with some of the central questions in the history of ethnic Mexicans in the United States Although the central thrust of the work is an exploration of the evolution political trajectory and eventual implosion of the Chicano mobilization against war in Viet Nam the study is ultimately a meditation on much larger questions involving Mexican American s political and cultural orientations loyalties and sense of status and place in American society In these unsettled times Oropeza s analysis of the relationship between war citizenship and masculinity should also contribute a much needed reassessment of these important issues in contemporary American and Mexican life David G Guti rrez author of *Walls and Mirrors Mexican Americans Mexican Immigrants and the Politics of Ethnicity* [Rewriting the Chicano Movement](#) Mario T. García, Ellen McCracken, 2021-03-09 The Chicano Movement el movimiento is known as the largest and most expansive civil rights and empowerment movement by Mexican Americans up to that time It made Chicanos into major American political actors and laid the foundation for today s Latino political power *Rewriting the Chicano Movement* is a collection of powerful new essays on the Chicano Movement that expand and revise our understanding of the movement These essays capture the commitment courage and perseverance of movement activists both men and women and their struggles to achieve the promises of American democracy The essays in this volume broaden traditional views of the Chicano Movement that are too narrow and monolithic Instead the contributors to this book highlight the role of women in the movement the regional and ideological diversification of the movement and the various cultural fronts in which the movement was active *Rewriting the Chicano Movement* stresses that there was no single Chicano Movement but instead a composite of movements committed to the same goal of Chicano self determination Scholars students and community activists interested in the history of the Chicano

Movement can best start by reading this book Contributors Holly Barnet Sanchez Tim Drescher Jesse Esparza Patrick Fontes Mario T. Garcia Tiffany Jasm n Gonz lez Ellen McCracken Juan Pablo Mercado Andrea Muñoz Michael Anthony Turcios Omar Valerio Jim nez The Chicano Movement Mario T. Garcia, 2014-03-26 The largest social movement by people of Mexican descent in the U S to date the Chicano Movement of the 1960s and 70s linked civil rights activism with a new assertive ethnic identity Chicano Power Beginning with the farmworkers struggle led by Cesar Chavez and Dolores Huerta the Movement expanded to urban areas throughout the Southwest Midwest and Pacific Northwest as a generation of self proclaimed Chicanos fought to empower their communities Recently a new generation of historians has produced an explosion of interesting work on the Movement The Chicano Movement Perspectives from the Twenty First Century collects the various strands of this research into one readable collection exploring the contours of the Movement while disputing the idea of it being one monolithic group Bringing the story up through the 1980s The Chicano Movement introduces students to the impact of the Movement and enables them to expand their understanding of what it means to be an activist a Chicano and an American *Enriqueta Vasquez and the Chicano Movement* Enriqueta Longeaux y Vázquez, John Treadwell Nichols, 2006-11-30 Gathers columns from the Chicano newspaper El Grito del Norte where the author's fierce but hopeful voice of protest combined anger and humor to stir her fellow Chicanos to action as she drew upon her own experiences as a Chicana **George I. Sánchez** Carlos Kevin Blanton, 2015-01-28 George I Sánchez was a reformer activist and intellectual and one of the most influential members of the Mexican American Generation 1930 1960 A professor of education at the University of Texas from the beginning of World War II until the early 1970s Sánchez was an outspoken proponent of integration and assimilation He spent his life combating racial prejudice while working with such organizations as the ACLU and LULAC in the fight to improve educational and political opportunities for Mexican Americans Yet his fervor was not always appreciated by those for whom he advocated and some of his more unpopular stands made him a polarizing figure within the Latino community Carlos Blanton has published the first biography of this complex man of notable contradictions The author honors Sánchez's efforts hitherto mostly unrecognized in the struggle for equal opportunity while not shying away from his subject's personal faults and foibles The result is a long overdue portrait of a towering figure in mid twentieth century America and the all important cause to which he dedicated his life Mexican American integration In the Spirit of a New People Randy J. Ontiveros, 2014 Reexamining the Chicano civil rights movement of the 1960s and 1970s In the Spirit of a New People brings to light new insights about social activism in the twentieth century and new lessons for progressive politics in the twenty first Randy J Ontiveros explores the ways in which Chicano artists and activists used fiction poetry visual arts theater and other expressive forms to forge a common purpose and to challenge inequality in America Focusing on cultural politics Ontiveros reveals neglected stories about the Chicano movement and its impact how writers used the street press to push back against the network news how visual artists such as Santa Barraza used painting installations and mixed

media to challenge racism in mainstream environmentalism how El Teatro Campesino's innovative actos or short skits sought to embody new more inclusive forms of citizenship and how Sandra Cisneros and other Chicana novelists broadened the narrative of the Chicano movement In the Spirit of a New People articulates a fresh understanding of how the Chicano movement contributed to the social and political currents of postwar America and how the movement remains meaningful today

The Latino Generation Mario T. García, 2014 Latino Generation Voices of the New America

Rethinking the American Anti-War Movement Simon Hall, 2012-04-23 Between 1965 and 1973 hundreds of thousands of ordinary Americans participated in one of the most remarkable and significant people's movements in American history Through marches rallies draft resistance teach ins civil disobedience and non violent demonstrations at both the national and local levels Americans vehemently protested the country's involvement in the Vietnam War Rethinking the American Anti War Movement provides a short accessible overview of this important social and political movement highlighting key events and key figures the movement's strengths and weaknesses how it intersected with other social and political movements of the time and its lasting effect on the country The book is perfect for anyone wanting to obtain an introduction to the Anti War movement of the twentieth century

Encyclopedia of Military Science G. Kurt Piehler, 2013-07-24 The Encyclopedia of Military Science provides a comprehensive ready reference on the organization traditions training purpose and functions of today's military Entries in this four volume work include coverage of the duties responsibilities and authority of military personnel and an understanding of strategies and tactics of the modern military and how they interface with political social legal economic and technological factors A large component is devoted to issues of leadership group dynamics motivation problem solving and decision making in the military context Finally this work also covers recent American military history since the end of the Cold War with a special emphasis on peacekeeping and peacemaking operations the First Persian Gulf War the events surrounding 9 11 and the wars in Afghanistan and Iraq and how the military has been changing in relation to these events Click here to read an article on The Daily Beast by Encyclopedia editor G Kurt Piehler Why Don't We Build Statues For Our War Heroes Anymore

One Night in America Steven W. Bender, 2015-12-03 Courageous Ilan Stavans author of Spanglish The Making of a New American Language Robert Kennedy and Cesar Chavez came from opposite sides of the tracks of race and class that still divide Americans Both optimists Kennedy and Chavez shared a common vision of equality They united in the 1960s to crusade for the rights of migrant farm workers Farm workers faded from public consciousness following Kennedy's assassination and Chavez's early passing Yet the work of Kennedy and Chavez continues to reverberate in America today Bender chronicles their warm friendship and embraces their bold political vision for making the American dream a reality for all Although many books discuss Kennedy or Chavez individually this is the first book to capture their multifaceted relationship and its relevance to mainstream U S politics and Latino politics today Bender examines their shared legacy and its continuing influence on political issues including immigration education war poverty

and religion Mapping a new political path for Mexican Americans and the poor of all backgrounds this book argues that there is still time to prove Kennedy and Chavez right *Historical Dictionary of the Kennedy-Johnson Era* Richard Dean Burns, Joseph M. Siracusa, 2015-05-07 The recent commemoration of the fiftieth anniversary of John F Kennedy's election as the thirty fifth president of the United States serves as a reminder of a period of time that many Americans perceive as idyllic Just as his election despite a near run thing had instilled a pervasive sense of hope throughout the country his assassination stunned the entire nation scarring the psyche of a generation of Americans More than half a century later JFK continues to inspire debates about the effectiveness of the presidency as well as his own political legacy making the senator from Massachusetts the object of many enduring myths that he would have been one of the country's greatest leaders had he lived he would have kept the US out of a full fledged Vietnam war and that he was a martyr of right wing assassins His successor Lyndon B Johnson who did get the US deeply involved in Vietnam while pursuing the social reforms of the Great Society at home and abroad also casts a long shadow in the twenty first century as the nation continues to deal with poverty racism and social injustice This second edition of *Historical Dictionary of the Kennedy Johnson Era* covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on important personalities including the president his advisors his family his opponents and his critics as well as members of Congress military leaders and international leaders This book is an excellent access point for students researchers and anyone wanting to know more about John F Kennedy **At War** David Kieran, Edwin A. Martini, 2018-04-05 The country's wars in Iraq and Afghanistan its interventions around the world and its global military presence make war the military and militarism defining features of contemporary American life The armed services and the wars they fight shape all aspects of life from the formation of racial and gendered identities to debates over environmental and immigration policy Warfare and the military are ubiquitous in popular culture *At War* offers short accessible essays addressing the central issues in the new military history ranging from diplomacy and the history of imperialism to the environmental issues that war raises and the ways that war shapes and is shaped by discourses of identity to questions of who serves in the U S military and why and how U S wars have been represented in the media and in popular culture *Making the MexiRican City* Delia Fernández-Jones, 2023-02-28 A Choice Outstanding Academic Title for 2023 Large numbers of Latino migrants began to arrive in Grand Rapids Michigan in the 1950s They joined a small but established Spanish speaking community of people from Texas Mexico and Puerto Rico Delia Fernández Jones merges storytelling with historical analysis to recapture the placemaking practices that these Mexicans Tejanos and Puerto Ricans used to create a new home for themselves Faced with entrenched white racism and hostility Latinos of different backgrounds formed powerful relationships to better secure material needs like houses and jobs and to recreate community cultural practices Their pan Latino solidarity crossed ethnic and racial boundaries and shaped activist efforts that emphasized working within the system to advocate for social change In

time this interethnic Latino alliance exploited cracks in both overt and structural racism and attracted white and Black partners to fight for equality in social welfare programs policing and education Groundbreaking and revelatory Making the MexiRican City details how disparate Latino communities came together to respond to social racial and economic challenges

Chicano Movement For Beginners Maceo Montoya, 2016-09-13 As the heyday of the Chicano Movement of the late 1960s to early 70s fades further into history and as more and more of its important figures pass on so too does knowledge of its significance Thus Chicano Movement For Beginners is an important attempt to stave off historical amnesia It seeks to shed light on the multifaceted civil rights struggle known as El Movimiento that galvanized the Mexican American community from laborers to student activists giving them not only a political voice to combat prejudice and inequality but also a new sense of cultural awareness and ethnic pride Beyond commemorating the past Chicano Movement For Beginners seeks to reaffirm the goals and spirit of the Chicano Movement for the simple reason that many of the critical issues Mexican American activists first brought to the nation's attention then educational disadvantage endemic poverty political exclusion and social bias remain as pervasive as ever almost half a century later

Youth, Identity, Power Carlos Muñoz, 2020-05-05 Youth Identity Power is the classic study of the origins of the 1960s Chicano civil rights movement Written by a leader of the Chicano student movement who also played a key role in the creation of the wider Chicano Movement this is the first full length work to appear on the subject It fills an important gap in the history of political and social protest in the United States Carlos Muñoz places the Chicano Movement in the context of the political and intellectual development of people of Mexican descent in the USA tracing the emergence of student activists and intellectuals in the 1930s and their initial challenge to the dominant white racial and class ideologies He then documents the rise and fall of the Chicano Movement of the 1960s situating it within the 1960s civil rights and radical movements and assessing the Chicano Movement's contribution to the development of the Mexican American population and the Latino population as a whole In an afterword to this new edition Muñoz charts the burgeoning growth of US Latino communities assesses the nativist backlash against them and argues that Latinos must play a central role in a new movement for multiracial democracy

Black Power Jeffrey O. G. Ogbar, 2019-03-19 Exploring the profound impact of the Black Power movement on African Americans Outstanding Academic Title Choice In the 1960s and 70s the two most important black nationalist organizations the Nation of Islam and the Black Panther Party gave voice and agency to the most economically and politically isolated members of black communities outside the South Though vilified as fringe and extremist these movements proved to be formidable agents of influence during the civil rights era ultimately giving birth to the Black Power movement Drawing on deep archival research and interviews with key participants Jeffrey O. G. Ogbar reconsiders the commingled stories of and popular reactions to the Nation of Islam Black Panthers and mainstream civil rights leaders Ogbar finds that many African Americans embraced the seemingly contradictory political agenda of desegregation and nationalism Indeed black nationalism he demonstrates was far more

favorably received among African Americans than historians have previously acknowledged It engendered minority pride and influenced the political cultural and religious spheres of mainstream African American life for the decades to come This updated edition of Ogbar s classic work contains a new preface that describes the book s genesis and links the Black Power movement to the Black Lives Matter movement A thoroughly updated essay on sources contains a comprehensive review of Black Power related scholarship Ultimately Black Power reveals a black freedom movement in which the ideals of desegregation through nonviolence and black nationalism marched side by side

The Routledge History of Global War and Society Matthew S. Muehlbauer, David J. Ulbrich, 2018-02-21 The Routledge History of Global War and Society offers a sweeping introduction to the most significant research on the causes experiences and impacts of war throughout history This collection of twenty seven essays by leading historians demonstrates how war and society studies have dramatically expanded the chronological geographic and thematic breadth of the field of military history Each chapter addresses the ways in which recent scholarship has integrated cultural ethical environmental medical and ideological factors to explain both conventional conflicts and genocide terrorism and other forms of mass violence The broad scope of the collection makes it the perfect primer for scholars and students seeking to understand the complex interactions of warfare and those affecting and affected by conflict

Formations of United States Colonialism Alyosha Goldstein, 2014-11-11 Bridging the multiple histories and present day iterations of U S settler colonialism in North America and its overseas imperialism in the Caribbean and the Pacific the essays in this groundbreaking volume underscore the United States as a fluctuating constellation of geopolitical entities marked by overlapping and variable practices of colonization By rethinking the intertwined experiences of Native Americans Puerto Ricans Chamorros Filipinos Hawaiians Samoans and others subjected to U S imperial rule the contributors consider how the diversity of settler claims territorial annexations overseas occupations and circuits of slavery and labor along with their attendant forms of jurisprudence racialization and militarism both facilitate and delimit the conditions of colonial dispossession Drawing on the insights of critical indigenous and ethnic studies postcolonial theory critical geography ethnography and social history this volume emphasizes the significance of U S colonialisms as a vital analytic framework for understanding how and why the United States is what it is today Contributors Julian Aguon Joanne Barker Berenika Byszewski Jennifer Nez Denetdale Augusto Espiritu Alyosha Goldstein J K haulani Kauanui Barbara Krauthamer Lorena Oropeza Vicente L Rafael Dean Itsuji Saranillio Lanny Thompson Lisa Uperesa Manu Vimalassery

Chicana Movidas Dionne Espinoza, María Eugenia Coterá, Maylei Blackwell, 2018-06-01 With contributions from a wide array of scholars and activists including leading Chicana feminists from the period this groundbreaking anthology is the first collection of scholarly essays and testimonios that focuses on Chicana organizing activism and leadership in the movement years The essays in *Chicana Movidas* New Narratives of Activism and Feminism in the Movement Era demonstrate how Chicanas enacted a new kind of politica at the intersection of race class gender and sexuality and developed innovative

concepts tactics and methodologies that in turn generated new theories art forms organizational spaces and strategies of alliance These are the technologies of resistance documented in *Chicana Movidas* a volume that brings together critical biographies of Chicana activists and their bodies of work essays that focus on understudied organizations mobilizations regions and subjects examinations of emergent Chicana archives and the politics of collection and scholarly approaches that challenge the temporal political heteronormative and spatial limits of established Chicano movement narratives Charting the rise of a field of knowledge that crosses the boundaries of Chicano studies feminist theory and queer theory *Chicana Movidas* *New Narratives of Activism and Feminism in the Movement Era* offers a transgenerational perspective on the intellectual and political legacies of early Chicana feminism

The Revolutionary Imaginations of Greater Mexico Alan Eladio Gómez, 2016-09-06 Bringing to life the stories of political teatristas feminists gunrunners labor organizers poets journalists ex prisoners and other revolutionaries *The Revolutionary Imaginations of Greater Mexico* examines the inspiration Chicanas found in social movements in Mexico and Latin America from 1971 to 1979 Drawing on fifteen years of interviews and archival research including examinations of declassified government documents from Mexico this study uncovers encounters between activists and artists across borders while sharing a socialist oriented anticapitalist vision In discussions ranging from the Nuevo Teatro Popular movement across Latin America to the Revolutionary Proletariat Party of America in Mexico and the Peronista Youth organizers in Argentina Alan Eladio Gómez brings to light the transnational nature of leftist organizing by people of Mexican descent in the United States tracing an array of festivals assemblies labor strikes clandestine organizations and public protests linked to an international movement of solidarity against imperialism Taking its title from the greater Mexico designation used by Américo Paredes to describe the present and historical movement of Mexicans Mexican Americans and Chicanas back and forth across the US Mexico border this book analyzes the radical creativity and global justice that animated Greater Mexico leftists during a pivotal decade While not all the participants were of one mind politically or personally they nonetheless shared an international solidarity that was enacted in local arenas giving voice to a political and cultural imaginary that circulated throughout a broad geographic terrain while forging multifaceted identities The epilogue considers the politics of going beyond solidarity
