Martin Green

"Closely reasoned, impeccably written, quietly revolutionary criticism. Green is an important critic . . . He should be read; he will inevitably have to be confronted; and he will certainly be around for a long time to come."

Re Appraisals Some Commonsense Readings:

Re-appraisals: Some Commonsense Readings in American Literature Martin Burgess Green, 1963 **On The Prejudices, Predilections, and Firm Beliefs of William Faulkner** Cleanth Brooks, 1987-11 It seems appropriate if not inevitable that one of our best critics should be the foremost authority on one of our best novelists Cleanth Brooks the author of three seminal studies of William Faulkner has been a serious student of that master craftsman's fiction for more than four decades In this new collection Brooks considers many of the important characteristics of Faulkner's work He focuses more specifically than he has in the past on certain questions and in some instances offers rebuttals to what he considered unfair assessments of Faulkner In the first essay Brooks challenges the notion that Donald Davidson John Crowe Ransom Robert Penn Warren and other members of the Fugitive Agrarian movement at Vanderbilt University were slow to recognize Faulkner's achievements Indeed Brooks provides clear evidence not only that the Fugitives were early supporters of Faulkner but that Faulkner and the Fugitives shared many concerns and ideas about their region Brooks also writes about Faulkner's personal beliefs and demonstrates how the virtues Faulkner held in highest esteem such as courage and honor are embodied in his fiction In two essays Faulkner and the Community and Faulkner's Two Cities Brooks analyzes the importance of a closely knit world specifically the hill region of north Mississippi and the cities of Memphis and New Orleans to Faulkner's works Brooks considers Faulkner's serious regard for the chivalric tradition as well as his amusement in Gavin Stevens' exemplification of it in *Intruder in the Dust* and *Requiem for a Nun* Faulkner's treatment of women characters especially in *Light in August* and *The Hamlet* is discussed as are his ideas about the American Dream These essays are vintage Brooks The prose is as always felicitous the manner modest and winning the thought pertinent and rigorous Despite the thematic diversity of the essays the emphasis is ultimately the same reading and rereading the novels of William Faulkner is a continuing pleasure and an enduring challenge **The American Scene** Stuart Hutchinson, 1991-10-02 The American Scene considers major texts of nineteenth century American literature The Leatherstocking Tales Poe's fiction The Scarlet Letter Moby Dick Leaves of Grass Dickinson's poetry Huckleberry Finn James's The American Scene It sees these works as attempts to articulate relationships between the self and the New World The indeterminacy of the relationships is expressed in the formal instability of the works themselves In these respects nineteenth century American literature is shown to offer a striking contrast to comparable English literature **Unusable Past** Russell J. Reising, 2013-11-05 First Published in 2002 Amongst a time of rapid and radical social change New Accents is a positive response to change with each volume seeking to encourage rather than resist the process of change to stretch rather than reinforce boundaries that currently define literature and its academic study This study offers the author's theories of American literature and more specifically his interest here is in how those theories define the canon of American literature and how those definitions influence our understanding and teaching of that canon **In Respect to Egotism** Joel Porte, 1991-07-26 This 1991 book examines

nineteenth century literature focusing on the general question of the American Romantic ego **Salinger** David
 Shields, Shane Salerno, 2014-09-09 The official book of the acclaimed documentary film Jacket *The Name of Action* John
 Fraser, 1984-12-20 John Fraser's critical essays explore conflicting attitudes towards self affirmation and social order
 Important concerns that touch these essays are ideas of energy power and personal plenitude and the way in which idealism
 and heroic intensity can sometimes lead to overstrain and collapse *Catcher in the Rye, the (MAXNotes Literature Guides)*
 Robert S. Holzman, 2012-05 MAXnotes offer a fresh look at masterpieces of literature presented in a lively and interesting
 fashion Written by literary experts who currently teach the subject MAXnotes will enhance your understanding and
 enjoyment of the work MAXnotes are designed to stimulate independent thought about the literary work by raising various
 issues and thought provoking ideas and questions MAXnotes cover the essentials of what one should know about each work
 including an overall summary character lists an explanation and discussion of the plot the work's historical context
 illustrations to convey the mood of the work and a biography of the author Each chapter is individually summarized and
 analyzed and has study questions and answers **Edward Said and the Authority of Literary Criticism** Nicolas
 Vandeviver, 2019-09-26 This book examines the earliest writings of Edward Said and the foundations of what came to be
 known as postcolonial criticism in order to reveal how the groundbreaking author of *Orientalism* turned literary criticism into
 a form of political intervention Tracing Said's shifting conceptions of literature and agency in relation to the history of
 American literary studies in the thirty years or so between the end of World War II and the last quarter of the twentieth
 century this book offers a rich and novel understanding of the critical practice of this indispensable figure and the
 institutional context from which it emerged By combining broad scale literary history with granular attention to the
 vocabulary of criticism Nicolas Vandeviver brings to light the harmonizing of methodological conflicts that informs Said's
 approach to literature and argues that Said's enduring political significance is grounded in his practice as a literary critic
Natural Right and the American Imagination Catherine H. Zuckert, 1990 Discusses ways in which works by James
 Fenimore Cooper Nathaniel Hawthorne Herman Melville Mark Twain Ernest Hemingway and William Faulkner explore the
 central issue of political philosophy **Mark Twain: Humour on the Run** Stuart Hutchinson, 2021-11-15 This book
 explores Twain's major writings as they address the New World and the Old race slavery imperialism the possibility of
 American literary form and the limits of humour Twain's humour is an expression of the pleasure and fun of life but it is also
 a response to ultimate contradictions and losses It is particularly American in that it rarely points to harmonies that might
 actually be enjoyed beyond itself It is the humour of someone always on the move if not on the run The absence of any
 destination in Twain other than the ultimate one of death is why his work is so formally unsettled There is no point of
 clarification where author narrator and readers can be expected to arrive together Texts treated in this book include *The*
Innocents Abroad *Roughing It* *Tom Sawyer* *Huckleberry Finn* *Life on the Mississippi* *The Gilded Age* *A Connecticut Yankee*

Pudd nhead Wilson Following the Equator The Mysterious Stranger and several short pieces **The Challenge of American History** Louis P. Masur, 1999-05-20 In The Challenge of American History Louis Masur brings together a sampling of recent scholarship to determine the key issues preoccupying historians of American history and to contemplate the discipline's direction for the future The fifteen summary essays included in this volume allow professional historians history teachers and students to grasp in a convenient and accessible form what historians have been writing about Faulkner's Media Romance Julian Murphet, 2017-07-13 This book treats William Faulkner's major fiction from Flags in the Dust through to Absalom Absalom to a searching reappraisal under the spotlight of a media historical inquiry It proposes that Faulkner's inveterate attraction to the paradigms of romance was disciplined and masked by the recurrent use of metaphorical figures borrowed from the new media ecology Faulkner dressed up his romance materials in the technological garb of radio gramophony photography and cinema along with the transportational networks of road and air that were being installed in the 1920s His modernism emerges from a fraught but productive interplay between his anachronistic predilection for chivalric chich's and his extraordinarily knowledgeable interest in the most up to date media institutions and forms Rather than see Faulkner as a divided author who worked for money in the magazines and studios while producing his serious fiction in despite of their symbolic economies this study demonstrates how profoundly his mature art was shot through with the figures and dynamics of the materials he publicly repudiated The result is a richer and more nuanced understanding of the dialectics of his art D. H. Lawrence Paul Poplawski, 1996-06-24 D H Lawrence remains one of the most popular and studied authors of the 20th century This book is a comprehensive but easy to use reference guide to Lawrence's life works and critical reception The volume has been systematically structured to convey a coherent overall sense of Lawrence's achievement and critical reputation but it is also designed to enable the reader who may be interested in only one aspect of Lawrence's career perhaps even in only one of his novels or stories to find relevant information quickly and easily without having to read other parts of the text The book begins with an original biography by John Worthen one of the world's foremost authorities on Lawrence's life and work The chapters that follow provide separate entries for all of Lawrence's works except for individual poems and paintings with critical summaries discussions of characters and details of settings There is also a complete overview of Lawrence and film with the most complete listing available of film adaptations of his works and of criticism relating to them Each section of the book provides comprehensive primary and secondary bibliographical data including citations for the most recent scholarly studies Maps and chronologies further trace Lawrence's travels and his development over time **William Faulkner** Henry Claridge, 1999 This collection concentrates on earlier less accessible material on Faulkner that will complement rather than duplicate existing library collections Vol I General Perspectives Memories Recollections and Interviews Contemporary Political Opinion Vol II Assessments on Individual Works from Early Writings to As I Lay Dying Vol III Assessments on Individual Works from Sanctuary to Go Down Moses and Other Stories Vol IV

Assessments on Individual Works from the Short Stories to The Reivers Faulkner and the South Faulkner and Race Faulkner and the French **National Union Catalog** ,1956 Includes entries for maps and atlases The Myth of America Viola Sachs,2019-05-20 No detailed description available for The Myth of America **Nathaniel Hawthorne** Donald J. Crowley,2013-01-11 This set comprises 40 volumes covering 19th and 20th century European and American authors These volumes will be available as a complete set mini boxed sets by theme or as individual volumes This second set compliments the first 68 volume set of Critical Heritage published by Routledge in October 1995 *Catholic World* ,1965 *Faulkner: International Perspectives* Doreen Fowler,1984 Essays on William Faulkner s work from foreign perspectives
