Re Dressing The Canon Essays On Theatre And Gender:

Re-dressing the Canon Alisa Solomon, 1997 Solomon examines the relationship between gender and performance in a series of essays which combine the critique of specific live performances with an astute theoretical analysis **Re-dressing the Canon** Alisa Solomon, 1997 Jewish Theatre: A Global View Edna Nahshon, 2009-07-30 While a frequently used term Jewish Theatre has become a contested concept that defies precise definition Is it theatre by Jews For Jews About Jews Though there are no easy answers for these questions Jewish Theatre A Global View contributes greatly to the conversation by offering an impressive collection of original essays written by an international cadre of noted scholars from Europe the United States and Israel The essays discuss historical and current texts and performance practices covering a wide gamut of genres and traditions *Global Shakespeare and Social Injustice* Chris Thurman, Sandra Young, 2023-05-04 The chapters in this book constitute a timely response to an important moment for early modern cultural studies the academy has been called to attend to questions of social justice It requires a revision of the critical lexicon to be able to probe the relationship between Shakespeare studies and the intractable forms of social injustice that infuse cultural political and economic life This volume helps us to imagine what radical and transformative pedagogy theatre making and scholarship might look like The contributors both invoke and invert the paradigm of Global Shakespeare building on the vital contributions of this scholarly field over the past few decades but also suggesting ways in which it cannot quite accommodate the various global Shakespeares presented in these pages A focus on social justice and on the many forms of social injustice that demand our attention leads to a consideration of the North South constructions that have tended to shape Global Shakespeare conceptually in the same way the material histories of North and South have shaped global injustice as we recognise it today Such a focus invites us to consider the creative ways in which Shakespeare's imagination has been taken up by theatre makers and scholars alike and marshalled in pursuit of a more just world Colorblind Shakespeare Ayanna Thompson, 2006-09-12 The systematic practice of non traditional or colorblind casting began with Joseph Papp's New York Shakespeare Festival in the 1950s Although colorblind casting has been practiced for half a century now it still inspires vehement controversy and debate This collection of fourteen original essays explores both the production history of colorblind casting in cultural terms and the theoretical implications of this practice for reading Shakespeare in a contemporary context The Theater of Tony Kushner James Fisher, 2021-09-30 The Theater of Tony Kushner is a comprehensive portrait of the forty year long career of dramatist Tony Kushner as playwright screenwriter essayist and public intellectual and political activist Following an introduction examining the influences of Kushner's development as an artist this updated second edition features individual chapters on his major plays including *A Bright Room Called Day* *Hydriotaphia or The Death of Dr Browne* *Angels in America* *Slavs Thinking About the Longstanding Problems of Virtue and Happiness* *Homebody* *Kabul* *Caroline or Change* and *The Intelligent Homosexual's Guide to Capitalism and Socialism with a*
