Sonic Overload Peter J. Schmelz, 2021-01-01 Sonic Overload offers a new music centered cultural history of the late Soviet Union It focuses on polystylism in music as a response to the information overload swamping listeners in the Soviet Union during its final decades It traces the ways in which leading composers Alfred Schnittke and Valentin Silvestrov initially embraced popular sources before ultimately rejecting them Polystylism first responded to the utopian impulses of Soviet ideology with utopian impulses to encompass all musical styles from high to low But these initial all embracing aspirations were soon followed by retreats to alternate utopias founded on carefully selecting satisfactory borrowings as familiar hierarchies of culture taste and class reasserted themselves Looking at polystylism in the late USSR tells us about past and present near and far as it probes the musical roots of the overloaded distracted present Based on archival research oral historical interviews and other overlooked primary materials as well as close listening and thorough examination of scores and recordings Sonic Overload presents a multilayered and comprehensive portrait of late Soviet polystylism and cultural life and of the music of Silvestrov and Schnittke Sonic Overload is intended for musicologists and Soviet Russian and Ukrainian specialists in history the arts film and literature as well as readers interested in twentieth and twenty first century music modernism and postmodernism quotation and collage the intersections of high and low cultures and politics and the arts

Legacies of the Stone Guest Alexander Burry, 2023-06-13 The story of Don Juan first appeared in writing in seventeenth century Spain reaching Russia about a century later Its real impact however was delayed until Russia's most famous poet Alexander Pushkin put his own unique and uniquely inspirational spin on the tale Published in 1830 The Stone Guest is now recognized with other Pushkin masterpieces as part of the Russian literary canon Alexander Burry traces the influence of Pushkin's brilliant innovations to the legend which he shows have proven repeatedly fruitful through successive ages of Russian literature from the Realist to the Silver Age Soviet and contemporary periods Burry shows that rather than creating a simple retelling of an originally religious tale about a sinful consummate seducer Pushkin offered open ended scenes re envisioned and complicated characters and new motifs that became recursive and productive parts of Russian literature in ways that even Pushkin himself could never have predicted

The Testimonies of Russian and American Postmodern Poetry Albena Lutzkanova-Vassileva, 2016-06-30 This book challenges the belief in the purely linguistic nature of contemporary poetry and offers an interpretation of late twentieth century Russian poetry as a testimony to the unforeseen annulment of communist reality and its overnight displacement by a completely unfathomable post totalitarian order Albena Lutzkanova Vassileva argues that because of the sudden invalidation of a reality that had been largely seen as unattained and everlasting this shift remained secluded from the mind and totally resistant to cognition thus causing a collectively traumatic psychological experience The book proceeds by inquiring into a school of contemporary American

poetry that has been likewise read as cut off from reality Executing a comparative analysis Vassileva advances a new understanding of this poetry as a testimony to the overwhelming and traumatic impact of contemporary media which have assailed the mind with far more signals than it can register digest and furnish with semantic weight Literature, History and Identity in Post-Soviet Russia, 1991-2006 Rosalind J. Marsh,2007 The aim of this book is to explore some of the main preoccupations of literature culture and criticism dealing with historical themes in post Soviet Russia focusing mainly on literature in the years 1991 to 2006 introd *A Tradition of Infringement* Carol Adlam,2017-12-02 The Russian literary world was shaken by the wide reaching reforms of the late Soviet period 1985 91 and the Soviet Union s subsequent collapse During this time the phenomenon of alternative literature emerged characterized by an emphasis on thematic structural and linguistic transgression of both Soviet era values and the enduring Russian tradition of civic engagement and moral edification through literature Through close textual analysis Adlam examines the relationship of this literary phenomenon to issues of gender and creative authority providing detailed discussion of several of the most significant women writers of the period among them Valeriia Narbikova Liudmila Petrushevskaja and Nina Sadur Russian Postmodernist Fiction Mark Lipovetsky,Eliot Borenstein,2016-09-16 This text offers a critical study of postmodernism in Russian literature It takes some of the central issues of the critical debate to develop a conception of postmodern poetics as a dialogue with chaos and places Russian literature in the context of an enriched postmodernism **Literature Redeemed** Nicolas Dreyer,2020-07-13 In the post Soviet period discussions of postmodernism in Russian literature have proliferated Based on close literary analysis of representative works of fiction by three post Soviet Russian writers Vladimir Sorokin Vladimir Tuchkov and Aleksandr Khurgin this book investigates the usefulness and accuracy of the notion of postmodernism in the post Soviet context Classic Russian literature renowned for its pursuit of aesthetic moral and social values and the modernism that succeeded it have often been seen as antipodes to postmodernist principles The author wishes to dispute this polarity and proposes post Soviet neo modernism as an alternative concept Neo modernism embodies the notion that post Soviet writers have redeemed the tendency of earlier literature to seek the meaning of human existence in a transcendent realm as well as in the treasures of Russia s cultural past A History Of Russia Volume 2 Walter G. Moss,2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world *The Rebirth of Dialogue* James P. Zappen,2012-02-01 Dialogue has suffered a long eclipse in the history of philosophy and the history of rhetoric but has enjoyed a rebirth in the work of Hans Georg Gadamer Martin Buber and Mikhail Bakhtin Among twentieth century figures Bakhtin took a special interest in the history of the dialogue form This book explores Bakhtin s understanding of Socratic

dialogue and the notion that dialogue is not simply a way of persuading others to accept our ideas but a way of holding ourselves and others accountable for all of our thoughts words and actions In supporting this premise Bakhtin challenges the traditions of argument and persuasion handed down from Plato and Aristotle and he offers as an alternative a dialogical rhetoric that restructures the traditional relationship between speakers and listeners writers and readers as a mutual testing contesting and creating of ideas The author suggests that Bakhtin s dialogical rhetoric is not restricted to oral discourse but is possible in any medium including written graphic and digital

Brodsky Abroad Sanna Tuoma, 2010-05-26 Expelled from the Soviet Union in 1972 and honored with the Nobel Prize fifteen years later poet

Joseph Brodsky in many ways fit the grand tradition of exiled writer But Brodsky's years of exile did not render him immobile though he never returned to his beloved Leningrad he was free to travel the world and write about it In *Brodsky Abroad* Sanna Turoma discusses Brodsky's poems and essays about Mexico Brazil Turkey and Venice Challenging traditional conceptions behind Brodsky's status as a leading migr poet and major descendant of Russian and Euro American modernism she relocates the analysis of his travel texts in the diverse context of contemporary travel and its critique Turoma views Brodsky's travel writing as a response not only to his exile but also to the postmodern and postcolonial landscape that initially shaped the writing of these texts In his Latin American encounters Brodsky exhibits disdain for third world politics and invokes the elegiac genre to reject Mexico's postcolonial reality and to ironically embrace the romanticism of an earlier Russian and European imperial age In an essay on Istanbul he assumes Russia's ambiguous position between East and West as his own to negotiate a distinct and controversial interpretation of Orientalism And Venice the emblematic tourist city becomes the site for a reinvention of his lyric self as more fluid hybrid and cosmopolitan *Brodsky Abroad* reveals the poet's previously uncharted trajectory from alienated dissident to celebrated man of letters and offers new perspectives on the geopolitical philosophical and linguistic premises of his poetic imagination **Voices from the Void** Sally

Dalton-Brown,2000 Liumilla Petrushevskaja is one of the best known writers in Russia today recognized for her versatility as a dramatist scriptwriter and author of harrowing contemporary stories and even fairy tales Acclaimed for her shocking portraits of the pain and loss that distinguish the life of women in Russia and the old Soviet Union Petrushevskaja has also created texts notable for their scandalous humor and vibrant plasticity of form This study analyses her use of genres within the context of an overall description of her oeuvre Her texts deal with stories struggling to be told even in today's Russia Her characters are all storytellers but the truths they attempt to express are often too terrible to be voiced aloud and their tales are ultimately told from within a vast silence that threatens to engulf the narrative *The Prose of Sasha Sokolov* Elena

Ivanovna Kravchenko,2013 Hailed as one of the most significant writers in contemporary Russian literature Sasha Sokolov 1943 nevertheless remains one of its most hermetic Despite a considerable scholarly interest in his work no comprehensive book length study has yet been published on Sokolov With the focus on his three main texts *School for Fools* *Between Dog and Wolf* and *Palisandriia* this groundbreaking monograph is an exploration of Sokolov's aesthetics in which language is shown to embody reality rather than express it In her study Elena Kravchenko invites us to examine how language and art affect our perception of the real that fading away into its reflections finds its essence Elena Kravchenko is an independent researcher whose doctoral thesis School of Slavonic and Eastern European Studies UCL laid a foundation for this monograph

Unattainable Bride Russia Ellen Rutten,2010-03-08 Throughout the twentieth century and continuing today personifications of Russia as a bride occur in a wide range of Russian texts and visual representations from literature and political and philosophical treatises to cartoons and tattoos Invariably this metaphor functions in the context of a political

gender allegory which represents the relationships between Russia the intelligentsia and the Russian state as a competition of two male suitors for the former's love In *Unattainable Bride Russia* Ellen Rutten focuses on the metaphorical role the intelligentsia plays as Russia's rejected or ineffectual suitor Rutten finds that this metaphor which she covers from its prehistory in folklore to present day pop culture references to Vladimir Putin is still powerful but has generated scarce scholarly consideration *Unattainable Bride Russia* locates the cultural thread and places the political metaphor in a broad contemporary and social context thus paying it the attention to which it is entitled as one of Russia's modern cultural myths
