Ferrer,2002-01-01 A participatory alternative to the perennialism and experientialism dominant in transpersonal psychology *Re:Vision* Aubrey Malphurs,Gordon E. Penfold,2014-10-14 Pastors around the country continue to look for the program the book or the sermon series that will turn their plateaued or declining churches around But what if the answer to revitalizing the church was closer to home According to trusted church leadership expert Aubrey Malphurs and veteran pastor Gordon E Penfold it is They believe that pastors themselves are the key In a time when many pastors are jumping from church to church every two or three years as they search for the right fit where they can make a difference churches are suffering from a lack of sustained leadership from pastors with a viable vision for ministry In *Re Vision* Malphurs and Penfold take pastors through a process of discovery and self evaluation designed to help them re envision their role create a culture for positive change and recruit people to come alongside them as helpers and encouragers Multiple appendices offer self diagnostic tools and surveys to help pastors assess their strengths and weaknesses for more effective ministry **Revisioning Beckett** S. E. Gontarski,2018-05-31 *Revisioning Beckett* reassesses Beckett s career and literary output particularly his engagement with what might be called decadent modernism Gontarski

approaches Beckett from multiple viewpoints from his running afoul of the Irish Censorship of Publications Acts in the 1930s through the 1950s his preoccupations to find literature in the pornography or beneath the pornography his battles with the Lord Chamberlain in the mid 1950s over London stagings of his first two plays and his close professional and personal associations with publishers who celebrated the work of the demimonde Much of that term encompasses an opening to the fullness of human experience denied in previous centuries and much of that has been sexual or decadent As Gontarski shows the aesthetics that emerges from such early career encounters and associations continues to inform Beckett's work and develops into experimental modes that upend literary models and middle class values an aesthetics that furthermore has inspired any number of visual artists to re-vision Beckett *ReVisioning* James Romaine, Linda Stratford, 2014-05-20

power of Marguerite Duras novelist dramatist film maker essayist has been justly recognized Yet in the years following her death in 1996 there has been an increasing tendency to consecrate her work particularly by those critics who approach it primarily in biographical terms The British and American specialists featured in this interdisciplinary collection aim to resurrect the Duras corpus in all its forms by submitting it theoretically to three main areas of enquiry By establishing how far Duras's work questions and redefines the parameters of literary and cinematic form as well as the categories of race and
