Reaching To Heaven A Spiritual Journey Through Life And Death:

Reaching to Heaven James Van Praagh, 2009-10-01 James Van Praagh has touched the lives of millions through his extraordinary ability to communicate with the next world. Widely known through his regular appearances on NBC, his first book *Talking to Heaven* became an international bestseller. In *REACHING TO HEAVEN*, Van Praagh takes us on a journey to show what happens at death, what the spirit world is like, how a soul chooses to be reborn, and how the process of reincarnation works. Through simple exercises and meditations, *REACHING TO HEAVEN* will help you to rediscover your true spiritual nature and achieve greater self-awareness and inner peace. **Spirits, Angels, Demons, and Gods** Don Little, 2010-03 *Living Life with Joy in My Heart* Ruthann Lees, 2014-06-02 Following the sudden unexpected death of her loving husband of thirty-six years, a widow searches deeply for her will to live and feel again. She reaches in for calm and comes out with a story of grief and body-mind-spirit reunion. Through journaling, Ruthie finds Don again and receives wisdom from Spirit Readers who have experienced the loss of a loved one or are interested in after-death communication. Will find solace in the message. The author shares her story with us, compelled by her renewed desire to live, feel, know, heal, create, serve, and be. As a retired psychotherapist, I would recommend this book as an invaluable tool to help others assuage their grief. It helps make finite the gap between here and hereafter. Ruthie has pointed the way for all of us who have suffered losses of loved ones to share more fully in the wondrous continuation of life that transcends death. Sandra Nohre, PhD, Ft. Myers, Florida. Ruthie just sits down and has a good cup of tea with the reader. Joy Johnson, Centering Corporation, Omaha, Nebraska. I found this book helpful and reassuring. Ruthie's open heart and spirit shine through. Seanne Larson, Emerton, licensed marriage and family therapist, Grand Island, Nebraska. *Reaching to Heaven* James Van Praagh, 2000. Tells how to break down the barrier between the earthly and heavenly realms to reach loved ones we have lost. Spirit Rescue Tick Gaudreau, 2006-03 When walking on a moonless night past a cemetery, who among us hasn't felt a bit of a chill when a twig snaps nearby or a night bird takes flight? Just about everyone has either encountered a ghost or heard an anecdote about a haunting. But why do ghosts haunt in the first place? Is there a reason they do not simply leave? Author Tick Gaudreau provides the answers you need to these common questions. *Spirit Rescue* presents his intriguing experiences with different types of haunting spirits. Utilizing specialized techniques, he has worked with spirits in a safe, respectful, and loving manner. Gaudreau shares these methods with you to help you identify different types of spiritual beings. Gaudreau also presents the fascinating true stories behind many of his spiritual encounters, including tales of his Spirit Rescues, a way to help earthbound spirits leave this plane and continue their journey. Both informative and entertaining, *Spirit Rescue* offers an exhilarating look at the spiritual world from the perspective of one who knows it best. **Death - What will we think about the ultimate truth of life.....** siddhesh chindarkar, People have a wide range of beliefs and attitudes about death. Some may view it as a natural part of life, while others may fear it. Many religious or spiritual beliefs involve an afterlife, while others view death as the end.

of consciousness Some people may find comfort in knowing that death is a release from suffering while others may find solace in the idea of being reunited with loved ones who have passed away Grief and mourning are common reactions to the death of a loved one and people may also experience feelings of fear anxiety or uncertainty about their own mortality Ultimately people's thoughts and feelings about death are deeply personal and can be influenced by a variety of factors including culture religion and individual life experiences

Acts That Prove Causes of Human Suffering from the Perspective of Reincarnation Yvonne Crespo Limoges, 2022-07-14 There is much unfairness inequality and suffering in our world Could some of these situations be the direct result of actions we took in past lives This book provides a series of spirit communications received through spiritual mediumship indicating that to be true Spirits in the afterlife reveal reasonable explanations why many seemingly unexplained human conditions people and many tragic circumstances in our lives were brought about as a consequence of our choices and actions made in past life existences Also revealed is that we chose and were aware before rebirth what the circumstances of our lives would be For we returned to earth out of love to make amends for redemption self sacrifice in caring for those we love as well as for the spiritual progress of our soul Further we are not alone in our journey throughout our material lives We have our spirit guides and the spirits of family and friends that help us from the afterlife always providing inspiration guidance and consolation We are never alone in our sorrows The life stories herein will provide new insight and answers to the whys of our lives individually and collectively and the spirits reveal there is a Divine Plan which is one of CONSOLATION HOPE and UNCONDITIONAL LOVE

Empowering Your Life with Angels Deb Baker, Rita Berkowitz, 2004-10-05 We're all touched by angels Angels take on many shapes and forms some familiar some otherworldly and some that we don't even recognize as angels Empowering Your Life with Angels shows readers how to recognize the angel in their life and the possibilities this presents This volume includes exercises and meditations for utilizing angel guidance in love work and health explores how to communicate with angels through dreams and other techniques how to heal emotions with the help of angels and much more Do You Believe in Angels was a Larry King Live panel discussion in August 2004 featuring Sylvia Browne Mattie Stepanek minister and novelist Max Lucado and Father Michael Manning a Roman Catholic priest Readers of books on angels afterlife and spirit guides will love this book

The New Metaphysicals Courtney Bender, 2010-07-15 American spirituality with its focus on individual meaning experience and exploration is usually thought to be a product of the postmodern era But as The New Metaphysicals makes clear contemporary American spirituality has historic roots in the nineteenth century and a great deal in common with traditional religious movements To explore this world Courtney Bender combines research into the history of the movement with fieldwork in Cambridge Massachusetts a key site of alternative religious inquiry from Emerson and William James to today Through her ethnographic analysis Bender discovers that a focus on the new on progress and on the way spiritual beliefs intersect with science obscures the historical roots of spirituality from its practitioners and those who study it alike and
