**The Time Has Come** Michael Kaufman,2019-01-15 For too long the struggle for the rights of women and girls was seen as women s business Of course it s equally men s business and stops being such a struggle when it s seen that way This reframing gives us a chance to understand violence against women as deeply toxic for us all Phumzile Mlambo Ngcuka UN Under Secretary General and Executive Director of UN Women The Time Has Come explores how a patriarchal culture that has given power to men comes at a huge cost to women children and surprisingly to men as well It details how very achievable changes in our workplaces in the ways we raise boys to be men and in the movement to end men s violence will bring significant rewards to communities all around the world Michael Kaufman is the cofounder of the White Ribbon Campaign the largest international network of men working to end violence against women and for decades has been an advisor on gender equality to the United Nations governments NGOs schools and workplaces around the world With honest storytelling compassion and hard hitting analysis The Time Has Come is a compelling look at why men must take a stand in the fight for general equality

**MILITARY HIGH SCHOOLS IN AMERICA** William Trousdale,2009-04-30 The first ethnographic study of American military high schools showing both their capacity to train young men and the difficulties in doing so

**Perspectives on Crime and**

**Justice** ,1998 Breaking the Cycle Nancy Brown Diggs,2013-10-09 Breaking the Cycle tells the inspiring story of young people whom many would write off as a lost cause but who thanks to a remarkable school are headed for success We learn about their world from teens like Shawna the daughter of a crack addicted mother Or Andre the only one in his family not on drugs Or Daron kicked out of his home by an abusive father Challenged by the pernicious factors of their environment drugs violence fatherless homes and poor educational backgrounds students at the Dayton Early College Academy are nevertheless beating the odds All are headed for college from which the vast majority will graduate The book reveals how this school is succeeding when so many fail It conveys the hopeful message that others can replicate much of what DECA does and save a generation mired in despair America s failure to educate its urban children is evidenced by our woeful statistics If it is possible to turn around this bleak picture and it is this is a story well worth telling And this is what Breaking the Cycle aims to do For more information on the book including interviews with the author please check out [www.nancybdiggs.com](http://www.nancybdiggs.com)

*Come On People* Bill Cosby,Alvin F. Poussaint,2009-01-05 In *Come On People* Bill Cosby and Alvin F Poussaint tell an inspiring story about human beings fighting hardships and succeeding It is a story about strong resilient people who have overcome poverty and mistreatment Do not be surprised if you find yourself identifying personally with the stories because you see the same struggle in either yourself or in an acquaintance or a relative It is a stirring call for us all to complete the daunting transition from victims to victors from helplessness to hope *Come On People* will encourage you to set aside excuses and make a better life today for you for your children for your community and for your future **It Takes a Child to Raise a Parent** Janis Clark Johnston,2013-04-04 While advice abounds from a variety of sources before parents embark on their parenting journeys the only parent preparation we actually receive comes from our family and peer stories Yet most adults do not realize that in day to day challenges of guiding our children something interesting happens As we steer our children through life we reopen our own childhood roads Just when our child most needs us we become needy ourselves as adults and parents we find that we have unresolved raising issues basic needs that were not met in our childhoods Our needs and memories echo and influence many of the parenting decisions we make even though we re unaware of those influences at times Fortunately children help parents reach their needs as much as their parents help them fulfill their own Our child ends up guiding us by connecting us to some earlier time in our life when we encountered distress We dredge up a lesson and we adapt by adhering to or changing the story that we tell ourselves about who we are We re negotiate the five basic needs that surface from our childhood memories as our youngsters pass through each of the developmental phases The self aware parent focuses on creative problem solving by focusing on one interaction at a time *It Takes a Child to Raise a Parent* offers an exploration of how our own childhood memories and needs influence and shape our parenting decisions in our adult lives Offering tips stories from a variety of families and step by step exercises Janis Johnston helps parents better understand and grasp the tools necessary to face parenting challenges head on and to explore new ways of understanding ourselves our

children and our family interactions Expectant parents and current parents interested in understanding their own personality development as well as the many moods of childhood and their own children will find clear guidelines for understanding their roles in their children's lives as well as concrete suggestions for how to navigate the choppy waters of raising children

**The Children Hurricane Katrina Left Behind** Sharon P. Robinson, M. Christopher Brown, 2007 Even before the 2005 Disaster in the Delta as the devastation and loss wrought by the category three hurricane known as Katrina came to be known statistics emerged about the aggressive educational neglect of Louisiana's African American schoolchildren The harrowing data about the inadequacies being as racialized as the distribution of aid in the storm's aftermath are chilling indeed Yet they have not dissuaded the more than thirty contributors to this volume from viewing Hurricane Katrina as an opportunity and a challenge to transform schools and society for the good of the entire United States Divided into three sections Education and School Contexts Preparing Professionals for the Possible and The Social Dynamics of Education Reform the seventeen chapters of *The Children Hurricane Katrina Left Behind* discuss what is essential for rebuilding urban schools in New Orleans as well as the nation engaging the nuanced nexus of social events and educational policy e.g. No Child Left Behind as it relates to the preparation of professional educators and the future of America's schools As Linda Darling Hammond notes in her Foreword each chapter speaks powerfully and poignantly to centuries of educational neglect and failed social policies and to what we can and must do about it

**Our Social World** Jeanne H. Ballantine, Keith A. Roberts, Kathleen Odell Korgen, 2016-11-30 Inspire your students to develop their sociological imaginations in *Our Social World* Focused on deep learning rather than memorization this book encourages readers to analyze evaluate and apply information about the social world to see the connection between the world and personal events from a new perspective and to confront sociological issues on a day to day basis Organized around the Social World Model a conceptual framework used across chapters to see the complex links between various micro to macro levels of the social system students will develop the practice of using three levels of analysis and to view sociology as an integrated whole rather than a set of discrete subjects

*Violent Trauma, Culture, and Power* Michelle Walsh, 2017-02-16 This book is an interdisciplinary exploration of the intertwining impact of violent trauma culture and power through case studies of two ministries serving in different demographic contexts within the United States Mass shootings continue to rise in the United States including in religious and school contexts and the U.S. also is ground zero for the now international Black Lives Matter movement The author shows how all forms of violent trauma impact more than individuals devastating communal relationships and practices of religious or spiritual meaning making in the aftermath and assesses how these impacts differ according to lived experiences with culture and power Looking at the two ministries an urban grassroots lay ministry organization that serves surviving family members in the aftermath of homicide and a denominational ministry that served a church in the aftermath of a political and religiously motivated shooting the author develops trauma specific interdisciplinary tools for lived religion

studies This book powerfully utilizes an intersectional lens to highlight the inter interconnections to be found for those working in faith communities as well as mental health Walsh provides the reader with an opportunity to explore and develop theoretical and practice perspectives that include race and ethnicity religion and spirituality social class and ability sexual orientation immigration and refugee status and explores the impact that oppression and discrimination have on our communities and society I highly recommend this book for those who are engaged in working to combat domination at the local national and global levels Gary Bailey Simmons College USA [Black Passports](#) Stephanie Y.
