Reaching People from the Pulpit Dwight E. Stevenson, Charles F. Diehl, 1978 Overcoming Sermon Block William Powell Tuck, 2014-04-07 When called on to preach whether you are a pastor or lay preacher do you sometimes find yourself blocked Writer s block is a common complaint from many authors They reach a point sometimes when they simply cannot produce anything worth reading Preachers often encounter this same kind of roadblock when they attempt to prepare sermons William Powell Tuck With this opening sentence Dr Tuck brings his many years of experience as professor and pastor and freely gives some nuts and bolts of sermon preparation and pots and pans essential for effective preaching This book is not about the philosophy or theology of preaching but about preparing for writing and preaching a sermon While the reader may quickly find a solution to this week s sermon Dr Tuck also gives ideas and plans for long term preparation to open a new pathway moving sermons from a burden to a blessing for the writer as well as the intended listener Anyone called to preach can benefit from reading this book Christ-Centered Preaching Bryan Chapell, 2005-03-01 This complete guide to expository preaching teaches the basics of preparation organization and delivery the trademarks of great preaching With the help of charts and creative learning exercises Chapell shows how expository preaching can reveal the redemptive aims of Scripture and offers a comprehensive approach to the theory and practice of preaching He also provides help for special preaching situations The second edition contains updates and clarifications allowing this classic to continue to serve the needs of budding preachers Numerous appendixes address many practical issues **Biographical Preaching** R. Larry Overstreet, A practical guide for pastors on how to bring Bible characters to life for a modern audience through biographical preaching **Preaching** John F. MacArthur, Master's Seminary Faculty, 2005-08-21 Many sermons preached today lack the divine knowledge and spiritual understanding available only through dynamic expository preaching In *Preaching How to Preach Biblically* John MacArthur well known passion for the Bible combines with the expertise of faculty members at The Master s Seminary to inspire and equip preachers in effective biblical preaching *Preaching How to Preach Biblically* flows from biblical foundations for expository preaching through a detailed process of developing expositions and creating sermons to the actual delivery of expository messages connecting what pastors learn in seminary with the sermons preached in a local church This volume shows how to progress purposefully from one phase to the next in preparing to minister to God s people through preaching This book answers these questions and more What is expository biblical preaching What are the theological and historical foundations for insisting on expository preaching What are the steps involved in preparation for and participation in biblical preaching What models exist for expository preaching today The Master s Seminary faculty with over thirty years experience in preaching and seminary training of preachers contributes a treasury of expertise alongside insights from expositor John MacArthur While united on their commitment to exposition the variety of individual expressions and methodological preferences discussed offers beneficial assistance for any preacher seeking a higher level of expository

excellence Homiletical Handbook Donald L. Hamilton,1992-10-01 Homiletical Handbook is a primer for those who are called to preach It is intentionally simple in its explanation of the homiletical task and straightforward in getting to the point It is solid in its theology and biblical in its approach **Handbook of Contemporary Preaching** Dr. Michael Duduit,1993-03-01 Contributors included Calvin Miller Joel Gregory Stuart Briscoe James Cox Elizabeth Achtemeier Thomas Long James Earl Massey and many more *Why We Preach* Eben Kanukayi Nhiwatiwa,2016-09-01 This book is the first of two volumes on Preaching in the African Context For both seasoned preachers and beginners including students in seminaries Bible colleges and universities this first volume explores why we preach and the principles of contextual preaching in Africa Nhiwatiwa demonstrates that contextual preaching serves as the most appropriate way of communicating the gospel in Africa it can connect with and engage the minds of people in effective ways Read these volumes to see why preaching is an urgent aspect of ministry that can open new horizons and give fresh outlook for the future **The Pulpit** Charles Clayton Morrison,1957 *The Living Church* ,1958 The Pastor's Library Robert A. Yost,2017-09-21 In the spirit of Cyril Barber s classic work from the 1970s The Minister s Library Robert Yost provides students and pastors with expert guidance on building a working ministerial library From Old and New Testament languages lexical aids and grammatical tools to commentaries and theologies as well as pastoral resources Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses Far more than just a guide to commentaries as are so many works today this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the proliferation of literature in the fields of biblical and pastoral studies **The Book Buyer's Guide** ,1958 **Equipped for Good Work** Cothen, Th.D., Joe H.,2002 *Preaching Sermons that Connect* Craig A. Loscalzo,1992 Craig A Loscalzo offers pastors hope and help for regaining a hearing among their world weary stretched to the limit congregations He includes a biblical framework for preaching through identification guidance on sermon preparation and delivery and sample sermons Featured in Preaching magazine s 1993 list of Top 10 Books Every Preacher Should Read 165 pages paper *The Moment of Truth* Wayne McDill,1999-07-01 Sermon Delivery it s more than the mere presentation of a persuasive speech on a religious theme It is God s way of keeping the original vision alive This book will show you how *How Effective Sermons End* Ben Awbrey,2022-07-21 Extremely rare is the preacher whose preaching could not be improved substantially by readdressing his sermon conclusions Moreover a sermon conclusion marks the typical preacher s greatest need for improvement in his preaching This most significant element of a sermon has been championed for its importance in a sermon and yet the conclusion is trivialized in if not omitted from the preaching of sermons Whether textual topical or expository in preaching methodology the typical preacher has a greater understanding and better implementation of everything else related to preaching in contrast to what is understood and done in concluding sermons Much is not done and much more is not understood to conclude sermons with clarity strength and persuasiveness How Effective Sermons End provides a

comprehensive approach and thorough examination of the sorely needed and long overlooked instruction regarding that most vital of all elements of a sermon the sermon conclusion This book fills the existing void in homiletical pedagogy about concluding sermons a void that prevents preachers from reaching their full potential of effectiveness in the ministry of preaching the Word of God The pathway of better preaching is knowledge and skill to effectively conclude sermons and this book floods that pathway with light The Rhetoric of the Pulpit, Second Edition Jon Meyer Ericson, 2020-03-26 The Rhetoric of the Pulpit treats the sermon as the single most important factor in evangelism for a parish and also the most important factor in the spiritual growth of both the congregation and the pastor With emphasis on the Word as the foundation the author adds music and liturgy to the sermon s structure to build a unified worship experience Recognizing that the Word is truth but that the truth needs to be made to seem true the book offers sound practical advice on sermon preparation based on both classical and contemporary communication theory Sermon preparation is viewed as a process that begins with downloading the Word followed by productive meditation The process then moves through the rhetorical steps from a search for content to the sermon s delivery Throughout the book the rhetorical principles are treated as a subordinate element to the Word a means of giving effectiveness to the truth The Rhetoric of the Pulpit aims to reflect the spirit of Aristotle St Augustine St Paul and Kenneth Burke **Recent Homiletical Thought** A. Duane Litfin, Haddon W. Robinson, 1983 **Pregação cristocêntrica** Bryan Chapell, 2024-09-13 Em Prega o Cristoc ntrica Bryan Chapell oferece um guia essencial e transformador para pastores e pregadores que desejam expor as Escrituras com profundidade clareza e centralidade em Cristo Este livro uma ferramenta indispensável para quem busca redescobrir o poder e a relevância da pregação expositiva ao mesmo tempo em que desafia os pregadores a conectar as verdades eternas da Bíblia com as lutas e realidades do cotidiano Chapell defende que toda a Escritura aponta para a redenção através de Jesus Cristo e por isso toda pregação fiel deve ser fundamentada nesse foco cristocêntrico Ele explora com detalhes as técnicas e os princípios que guiam a pregação expositiva desde a preparação do sermão até sua apresentação com dicas práticas para alcançar a congregação de forma eficaz e poderosa Além disso o autor oferece orientações valiosas sobre como estruturar sermões para ocasiões especiais como casamentos funerais e eventos evangelísticos tornando este livro um recurso completo para ministros Mais do que um manual técnico Prega o Cristoc ntrica uma defesa apaixonada do papel da pregação como meio pelo qual o poder transformador da Palavra de Deus se manifesta Chapell adverte contra as pregações moralistas ou focadas em graça barata e em vez disso propõe um modelo redentivo que revela a graça de Deus e desafia os crentes a responderem em obediência amorosa ao evangelho Se você deseja aprimorar suas habilidades de pregação aprofundar sua compreensão das Escrituras ou simplesmente conectar sua função ministerial este livro um convite para proclamar o evangelho com autoridade e paixão sempre apontando para o centro de toda a Bíblia Jesus Cristo Prepare-se para ser desafiado inspirado e equipado a pregar de forma fiel e transformadora **Paperbound Books in Print** , 1982
