Read Anything Good Lately? Susan Allen, Jane Lindaman, 2006-08-01 A child's question prompts another's alphabetic reveries in this invitation to consider the many things and places to read: an atlas at the airport, a biography in bed. In page-sized cartoons Enright follows her smiling young bookworm from place to place, showing her reading alone and with company indoors and out, up a tree even in a Jacuzzi. Serving as a reminder to parents too that reading opportunities are all around, this presents an engaging literary game likely to continue well beyond one pass through the ABCs. Kirkus Reviews *Classical*

Hollywood, American Modernism Jordan Brower, 2024-01-18 This book charts the Hollywood studio system's genesis, international dominance, and self-understood demise by way of its influences on modernist literature in the United States. It shows how the American film industry's business practices and social conditions inflected the form of some of the greatest works of prose fiction and non-fiction. **Draco** Autumn Reed, Julia Clarke, 2016-01-16 Two weeks. How can so much change

in the span of two weeks? I got my birthday wish. I have a new job, new friends, new life. But it came at a cost: my dad. He's missing, and I'm still no closer to finding him. To complicate matters, I'm struggling to figure out just who Liam Knox, Ethan Chase, Theo, and Jackson are. And more importantly, what they do. I'm tempted to rely on them to trust them. But how can I when I'm not convinced they're being completely honest? **Draco** is book two in The Stardust Series, a slow-burn contemporary reverse harem romance. **Falling Sideways** Thomas E. Kennedy, 2012-11-01 There seems to be no shortage of business at the Tank, a high-profile firm in Copenhagen. There are meetings to attend, memos to write, colleagues to undermine. But when the Tank's nefarious CEO announces a round of downsizing, everyone becomes exponentially more concerned about whatever it is they're doing. Top executive Frederick Breathwaite is frantically trying to ensure a stable future for his son, while the boy's greatest fear is that his future might resemble his father's absurd present. Meanwhile, Harald Jaeger is lost in amorous fantasies of his female colleagues but has still managed to catch the CEO's eye as a possible replacement for Breathwaite.

A Drop of Chinese Blood James Church, 2012-11-13 James Church's Inspector O novels have been hailed as crackling good. The Washington Post and tremendously clever Tampa Tribune, while Church himself has been embraced by critics as the equal of Le Carré. Publishers Weekly starred. Now Church, a former Western intelligence officer who pulls back the curtain on the hidden world of North Korea in a way that no one else can, comes roaring back with a new novel introducing Inspector O's nephew, Major Bing, the long-suffering chief of the Chinese Ministry of State Security operations on the border with North Korea. The last place Bing expected to find the stunningly beautiful Madame Fang, a woman Headquarters wants closely watched, was on his front doorstep. Then, as suddenly as she shows up, Madame Fang mysteriously disappears across the river into North Korea, leaving in her wake both consternation and a highly sensitive assignment for Bing to bring back from the North a long-missing Chinese security official. Concerned for his nephew's safety, O reluctantly helps him navigate an increasingly complex and deadly maze, one that leads down the twisted byways of O's homeland. In the tradition of Philip Kerr,

s Berlin Noir trilogy and the Inspector Arkady Renko novels A Drop of Chinese Blood presents an unfamiliar world a perplexing universe where the rules are an enigma to the reader and even sometimes to Inspector O Once again James Church has crafted a story with beautifully spare prose and layered descriptions of a country and a people he knows by heart
