Weissinger,2022-03-21 Bardolomy tells the story of a man who travels to the stars in search of happiness and a new home Earth is flooded and Europa his workplace is a frozen world After a perilous journey he finds a world inhabited by intelligent beings that have created a model society Welcomed by a friendly race of evolved humans engineered by an A I he discovers

the terrible secret to their survival The planet has such a hellish climate of storms torrential rains solar flares and searing heat from two suns that the people must hibernate underground during the Burn season He must either repair his ship and resume a possibly futile quest for a more hospitable planet or modify his genetic structure and transform into a different species In addition by bringing advanced technology and weapons he awakens an ancient interspecies rivalry that threatens to undermine the harmony of the civilization Combining philosophical speculation with a gritty survival tale Bardolomy takes the reader on an escapist ride into the future and a man's search for identity in an age of manufactured humans **Being Here** Manini Nayar,2022-02-28 We are all now writing stories Sometimes in memory sometimes in air The wind lifts and passes us in gusts Our stories scatter over continents camouflaged histories we cannot share In *Being Here* Manini Nayar brings together a finely crafted collection of interconnected stories that follow the daily miracle of her characters inner lives Nayar brings to the forefront immigrant women making their way in the world as mothers as wives as outliers and as rebels She writes about their insistence on autonomy the absurdity of the struggles they face and their occasional triumphs These stories loop and double back across time and locales linking characters through memory while illuminating lives forever changed by an offhand phrase an act of will or an unsought encounter Readers will meet a wide array of characters but it is Nina with whom they will become most familiar as she appears throughout the collection first as a young wife brought to the US by her husband Siddharth Vellodi second as an older sister and third as a divorced mother whose daughter's fateful rebellion remains the mysterious and incandescent center of the stories Nayar's exploration of inward lives as the locus of dramatic action and events allows both characters and readers to grapple with simply being In doing so Nayar reveals the performative aspects of language particularly its ability to create destroy and heal connections In poetic and eloquent prose *Being Here* constructs a luminous collage of restless immigrants united by their shared deference to a brave new journey In their burgeoning voices another America is found both latent and radiantly alive **The Lancet** ,1894 [Tough Luxe: A Humorous Fashion History Amateur Sleuth Cozy Mystery](#) Diane Vallere,2021-02-23 Enjoy this humorous and edgy cozy mystery with a fashionable amateur sleuth and a mystery connected to the past by national bestselling author Diane Vallere She wanted to visit an old friend The friend is in jail for murder Can Samantha find new evidence to clear a convicted killer Fashionista Samantha Kidd's new role as style columnist for the local paper encourages her to attend events and discover new trends But when an out of the blue invitation to visit an acquaintance arrives standing out is the last thing she wants The acquaintance is the heiress to a pretzel fortune or she would be if she were free Instead she's quietly serving a double life sentence after being convicted of killing her media mogul husband When new evidence surfaces the heiress is ready to break her silence But while the press lines up to get the scoop and the ratings Samantha can't help wondering who the victim is in this scenario And after hearing the heiress's story firsthand Sam suspects the wrong person was locked up If she's right a killer's on the loose and will stop at nothing to silence Samantha too Can Samantha infiltrate the high life to expose a down
