Machado, Jeanette Rodríguez, 2010-01-01 Speaking for the growing community of Latina feminist theologians the editors of this volume write With the emergence and growth of the feminist theologies of liberation we no longer wait for others to define or validate our experience of life and faith We want to express in our own words our plural ways of experiencing God and our plural ways of living our faith And these ways have a liberative tone With twelve original essays by emerging and established Latina feminist theologians this first of its kind volume adds the perspectives realities struggles and spiritualities of U S Latinas to the larger feminist theological discourse The editors have gathered writings from both Roman Catholics and Protestants and from various Latino a communities The writers address a wide array of theological concerns popular religion denominational presence and attraction methodology lived experience analysis of nationhood and interpretations of life lived on a border that is not only geographic but also racial gendered linguistic and religious **The Wiley Blackwell Reader in Practical Theology** Bonnie J. Miller-McLemore, 2019-07-24 Contains a general introduction to the discipline featuring classic and pioneering essays that address the history methods issues and exemplary illustrations of research teaching and practice Presenting a diverse collection of landmark essays The Wiley Blackwell Reader in Practical Theology explores the turn of the century renaissance of practical theology as an academic discipline and shows how the discipline has advanced a steady epistemological insurgency in theology throughout the twentieth and twenty first century The text provides scholars students and ministerial professionals with easy access to original seminal sources that represent major milestones growing edges and useful classificatory rubrics A handy one volume primer to practical theology the book Offers an excellent bird s eye view of the discipline s essential foundational contributions Provides significant introductory overview material helpful in guiding both new and experienced readers to practical theology Includes brief overview introductions before each essay to situate the reading and highlight key contributions and occasional limitations Features

essay selections that consider race gender sexuality age and other differences as a critical subtheme The Wiley Blackwell Reader in Practical Theology is an indispensable resource for students faculty and professionals in practical theology and colleagues in related cognate disciplines in theological education and religious studies **The Christian Theology Reader** Alister E. McGrath,2016-08-04 Regarded as the leading text in Christian theology for the last 25 years Alister E McGrath's The Christian Theology Reader is now available in a new 5th edition featuring completely revised and updated content Brings together more than 350 readings from over 200 sources that chart 2 000 years of Christian history Situates each reading within the appropriate historical and theological context with its own introduction commentary and study questions Includes new readings on world Christianity and feminist liberation and postcolonial theologies as well as more selections by female theologians and theologians from the developing world Contains additional pedagogical features such as new discussion questions and case studies and a robust website with new videos by the author to aid student learning Designed to function as a stand alone volume or as a companion to Christian Theology An Introduction 6th edition for a complete overview of the subject *Willful Ignorance* Helen T. Boursier,2022-04-27 Using ethnographic research *Willful Ignorance* Overcoming the Limitations of Christian Love for Refugees Seeking Asylum examines the attitudes of clergy and lay leaders regarding their inattention to racism as it intersects with the harsh reality of U S immigration policies and practices This multi faceted work begins with a reality check on the scope of forced migration and its intersection with the historical legacy of racism in America including testimonies from displaced migrants and immigration advocates who help to alleviate state inflicted suffering at the U S Mexico border Helen T Boursier examines the rationales Christian leaders use to justify the local church's nominal response including the discursive buffers and stall tactics they use to deflect their lack of preaching teaching leadership and or ministry with displaced migrants who are their near neighbors The Christian church's firm foundation to embody love as social justice provides a historical rebuttal while case studies of congregations that offer displaced migrants compassionate hospitality model exemplary contemporary response Closing with practical suggestions for how to begin building bridges with migrants Boursier argues for a philosophy of religion that embraces resistance to racism and exclusion from asylum through a missiology of compassion that exemplifies an ecclesiology of love **Engaging Latino/a/x Theologies** Sharon E. Heaney,2024-02-26 Sharon E Heaney describes how the life giving interruption of Latin American poets novelists artists and theologians changed her life in a conflict ridden Northern Ireland An outsider in this study she provides an engagement with a stream of theology in the United States she takes to be exemplary Latino a x theology is *teologia en conjunto* collaborative theology It models ways to examine complicated and contested histories and identities and it resists dominant assumptions about theological points of departure in favor of also valuing the everyday as locus theologicus Identifying major themes and foundational thinkers alongside more recent developments Heaney offers an overview and invites readers to further reading study and formation Modelling what it esteems each chapter closes in

conversation with a Latino a x leader in the church The conclusion is written by practical theologian Altagracia Perez Bullard She affirms this is not just an intellectual exercise this engagement is the practice of our lives as we journey with God and as we journey with one another It is an exciting journey It changes us Introduction to the U.S. Latina and Latino Religious Experience Hector Avalos,2021-10-01 Latinos Latinas are the largest minority in the United States but the field of U S Latino Latina studies is still in its infancy This work represents the first single volume ever published on the U S Latino Latina religious experience an area that is even less explored A carefully selected group of experts examines the major sub groups of Latinos Latinas including Mexican Americans Puerto Ricans and Cuban Americans along with some of the lesser studied groups such as Dominicans and Central Americans In addition the volume includes important thematic chapters on the role of art film health care literature music politics and women s influence in the U S Latino Latina religious experience

Handbook of Latina/o Theologies Edwin David Aponte,Miguel A. De La Torre,2006-05-01 Handbook of Latino a Theologies explores the varied theological ecclesiastical spiritual and cultural expressions associated with the term Latino a or Hispanic theology There is no single definition of Hispanic Latino theology but rather a multiplicity of perspectives within the diverse Latino a communities that articulate a distinctive and relevant Hispanic viewpoint This collection of thirty four essays surveys how Latinos as understand and do theology within those varied contexts It gives attention to the history nature sources and development of Latinos as theological expressions within the U S and their contribution to the overall theological discourse and to the individual groups that gave rise to them Part I of the handbook presents essays on many traditional topics in Christian theology representative both of the individual authors and various beliefs found in Latino a communities Part II focuses on trends and contextual issues within the overall Hispanic Latino theological conversation

Emerging Theologies from the Global South Mitri Raheb,Mark A. Lamport,2023-03-29 In recent decades there has been a seismic shift in world Christianity Whereas formerly Christianity existed as a Caucasian Euro American phenomenon the majority of Christians today reside in the Southern Hemisphere or the Global South And what is true for the demographics of Christianity has followed lockstep for its theological developments The era of German theologians setting the tone for global church are gone Today some of the loudest and most creative voices in theology speak from the emerging contingencies of the Global South for example promoting Latinx Black Caribbean and Asian theologies and their influence often influences the conversation in the United States and Europe In addition just as the center of Christianity has moved geographically from north to south so with theological seminaries in the west which have declined as training centers for clergy These events coincide with new theological centers are opening in Asia Africa Oceania and Latin America The bottom line is contemporary Christianity today looks significantly different than it did a century ago and publications have been slow to acknowledge let alone describe and elaborate upon this major shift to the largest religion in the world These shifts guide our intentions in this book Such a reference book which could also be used as a textbook therefore is very much needed In

fact there is nothing like the contents of this single volume book in the publishing market which allows for high quality interdisciplinary and international dialogue

Beyond Liberation Theology Ivan Petrella, 2013-01-03 Liberation theologies are the most important theological movement of our time In the 20th century their influence shook the Third and First Worlds grass root organizations and the affluent Western academy as well as the lives of priests and laypeople persecuted and murdered for living out their understanding of the Christian message In the 21st C their insights and goals remain unfortunately as valid as ever

Wading Through Many Voices Harold Recinos, 2011-04-16 Wading through Many Voices brings together the voices of Latino a African American Asian American Native American and Euro American scholars to produce a dialogue of public theology how faith communities divided by race class ethnicity and gender can find a common ground for life together The authors articulate a multiethnic perspective on public theology that counters the divisive identity politics of U S public life with systematic thinking that strengthens the commitment to critically transform social relations in light of a shared vision of public good The contributors develop a shared public theology that addresses social divisions while offering readers a broad vision to collaborate and struggle for an improved understanding of the common good for our pluralistic society In light of emerging social issues the contributors suggest that a fundamental respect for difference is a required first value for living together in a common social and political space

Los Evangelicos Juan Francisco Martinez, Lindy Scott, 2009-02-04 Los Evangelicos Portraits of Latino Protestantism in the United States is a small contribution to a much larger project It is part of CEHILA s the Commission for the Study of the History of the Church in Latin America and the Caribbean effort to write church history from the perspective of those who have had no voice those who have not been allowed to reflect on their own history It serves as a call to gather more snapshots of Latino Protestantism to organize these portraits according to different interpretive schemes to analyze the photos with their historical contexts in mind and to utilize these results to challenge the traditional ways in which the history of Christianity in the United States is generally told This book is proof that there are women and men in the Protestant Latino church in the United States with the ability to carry out these tasks Yet an exhaustive history of Latino Protestantism in the United States is still missing The Latino Protestant community needs people to rise up and interpret within wider contexts the stories told in this volume and elsewhere Telling our stories is both a testimony that God has been present in our pilgrimage and a confession regarding the future The same God who accompanied us this far will remain among us Thus we will keep collecting portraits and preparing to take new snapshots of whatever God may do in the future Our photo album closes at a dynamic moment for Latino Protestant churches in the United States From many different perspectives the authors of this book present a growing enthusiastic church ready to serve the Lord The portraits show how much has been done and yet how much remains to do There are many more stories to tell

Global Voices on Biblical Equality Aida Besancon Spencer, William David Spencer, Mimi Haddad, 2008-08-18 Global Voices on Biblical Equality is a fresh look at the contextualizing of gender equality

throughout the world Biblical equality is a burgeoning global reform movement led by scholars and leaders not only in North America but also on every continental landmass in the world What inroads is biblical equality making around the globe What is its appeal What still needs reform How is biblical equality transforming each culture In this book female and male writers who are ethnically part of every continent explore the contextual challenges successes and adaptations of engaging the biblical text on gender and ministry The contributors write on Asia India and China and Asian America Korean America They treat Africa Zimbabwe and African America Writers address Indigenous America Native America and Latin America Hispanic America and Brazilian America Writers also discuss Western Europe Australia and North America The editors of this volume are Aida Besancon Spencer William David Spencer and Mimi Haddad Other contributors include Ellen Alexander Beulah Wood Cecilia Yau Matthew D Kim Constantine M Murefu Darin Vincent Poullard Sandra Gatlin Whitley Awilda Gonzalez Tejera John Runyon Eliana Marques Runyon Elke Werner Roland Werner Kevin Giles and Roberta Hestenes **Journal of Hispanic/Latino Theology**, 2002 *Profane & Sacred* Bridget Kevane, 2008 *Profane Sacred* analyzes the role of religion in Latino American literature exploring questions of cultural and community identity theology and spiritual practices

Feminist Theology with a Canadian Accent Mary Ann Beavis, Elaine Guillemin, Barbara Helen Pell, 2008 An examination of the Canadian feminist theology context its history its multicultural perspective its expression of marginal experiences its commitment to social justice its exploration of eco feminism and its embrace of cultures ethnicities and the unique contribution of Canada's First Nations peoples **New Horizons in Hispanic/Latino(a) Theology** Benjamin Valentin, 2003 U S Latinx theology is a formidable tradition of varied discourses reflecting the richly textured reality of Latinx life in the United States The writings of the third generation of U S Latinx religious scholarship provide a window on some of the new turns and methodological directions being taken in Hispanic Latinx theology About these new directions the contributors to *New Horizons in Hispanic Latino a Theology* ask What do these directions mean for Latinx religious studies In suggesting ways of proceeding the contributors dare to defy disciplinary lines and expectations They offer us new horizons

Latin American Liberation Theology Ivan Petrella, 2005 Latin American liberation theology was one of the most important theological developments of the 20th century This text looks at what has happened in the past decade Prophetic Witness Colleen M. Griffith, 2009 Presenting practical strategies for reform and renewal of the Church this strikingly direct volume brings together the voices of leading Catholic theologians who offer ideas for change while still showing that feminist reflection can work in support of the Church With insightful essays on a wide range of complex topics from Catholic sexual ethics in the 21st century and practical theology in global Christian contexts to race class and gender and the next generation of faithful women this inspirational anthology provides an exciting perspective into the lives of practicing women and the particular challenges they face within the Church Contributors include Susan Abraham Karen A Barta Rosemary P Carbine Francine Cardman and M Shawn Copeland among many others
