form the truest recollection of these vast events WWII The People s Story combines text based largely on eyewitness accounts from major archives in the US and Britain with audio CDs that use actual recordings from the same archives. Comprehensively illustrated in colour and monochrome the narrative draws on the reminiscences of servicemen and civilians men women and children who lived through the most momentous years of the twentieth century. The accompanying recordings feature the voices of veterans and survivors as they actually describe events bringing to life the human experience of those years fraught with danger terror and grief.
