**Tilting at Windmills** Henry Murphy, 2020-03-31 Mark had never thought of retiring. Barristers don't retire. However, his 64th birthday was fast approaching. When I'm 64 and all that and beneath the wig and gown he had always had a desire to write. Time was running out. It's now or never. He rather he and his wife Helen decided they would take a year out. Like their children had only later. They quickly ruled out the West of Ireland and the Wild Atlantic Way. For obvious reasons. And opted instead for a pueblo blanco in Andaluc a Mark could write his bestseller there. A white washed house in a white washed village in the mountains of Andaluc a. What more could an aspiring author want. He lost no time in getting down to it. A writing room without a view and a typewriter. And no interruptions. Everything went splendidly for a day or two when fate intervened. Followed by weeks of slow progress while he negotiated surgery and the intricacies of plot. In May Mark carried out a quarterly review. Radical changes were called for and implemented ruthlessly. Beginning with telling Helen he couldn't come home for her birthday. Summer came and went and so did Helen. Deadlines loomed. Would Mark do it. Would he achieve his New Year's resolution. One Year One Novel. From the author of the Dermot McNamara series *An Eye on the Whiplash*, *Brief Cases* and *A Night at the Inns* comes a hilarious new novel which will ring familiar to anyone who has ever thought there is a book within them

**How to Draw a Novel** Martin Solares, 2023-12-12 Finalist for the Big Other Book Award for Translation. From the acclaimed author of *The Black Minutes* and *Don't Send Flowers*. *How to Draw a Novel* is an ingenious and visually stimulating exploration of narrative and craft from master storyteller and former publisher Mart n Solares. In this finely wrought collection of essays Mart n Solares examines the novel in all its forms, exploring the conventions of structure, the novel as a house that one must build brick by brick, and the objects and characters that build out the world of the novel in unique and complex ways. With poetic, graceful prose that reflects the power of fascination with literary fiction, Solares uses line drawings to realize the ebb and flow of the novel, with *Moby Dick* spiraling across the page while *Dracula* takes the form of an erratic heartbeat. A novelist, occasional scholar, and former acquiring editor in Mexican publishing, Solares breaks out of the Anglo-American dominated canon of many craft books ranging across Latin and South America as well. He considers how writers invent or discover their characters, the importance of place or not in the novel, and the myriad of forms the novel may take. Solares' passion for the form is obvious, and his insights into the construction of the novel are as profound as they are accessible. This is a writer's book and an important contribution to the study of craft and fiction
