Newell, 2019-04-05 Dear Brother Jane Manning James wrote to Joseph F Smith in 1903 I take this opportunity of writing to ask you if I can get my endowments and also finish the work I have begun for my dead Your sister in the Gospel Jane E James A faithful Latter day Saint since her conversion sixty years earlier James had made this request several times before to no avail and this time she would be just as unsuccessful even though most Latter day Saints were allowed to participate in the endowment ritual in the temple as a matter of course James unlike most Mormons was black For that reason she was barred from performing the temple rituals that Latter day Saints believe are necessary to reach the highest degrees of glory after death A free black woman from Connecticut James positioned herself at the center of LDS history with uncanny precision After her conversion she traveled with her family and other converts from the region to Nauvoo Illinois where the LDS church was then based There she took a job as a servant in the home of Joseph Smith the founder and first prophet of the LDS church When Smith was killed in 1844 Jane found employment as a servant in Brigham Young s home These positions placed Jane in proximity to Mormonism s most powerful figures but did not protect her from the church s racially discriminatory policies Nevertheless she remained a faithful member until her death in 1908 Your Sister in the Gospel is the first scholarly biography of Jane Manning James or for that matter any black Mormon Quincy D Newell chronicles the life of this remarkable yet largely unknown figure and reveals why James s story changes our understanding of American history *Whose Welfare?* Gwendolyn Mink, 2018-09-05 Over the past few decades the goal of welfare reform has been to move poor families off of welfare not necessarily out of poverty By that criterion the Personal Responsibility and Work Opportunity Act of 1996 has been successful indeed throughout the nation millions have vanished from the welfare rolls But what has been the cost of this success to the women and children who were the overwhelming majority of recipients Here a group of distinguished feminist scholars examines the causes and the impact of recent changes in welfare policy Some of the authors trace the politics of welfare from the 1960s emphasizing how attitudes toward motherwork and working mothers have evolved in the backlash against poor women s motherhood Several other authors consider the effects of the new welfare policy on employment and wages on the lives of noncitizen immigrants on poor women s ability to escape domestic violence and on their reproductive and parental rights A third set of authors explores dependency and caregiving along with the role of feminist thinking on these issues in the politics of welfare Whose

Welfare concludes with a historical analysis of activism among poor women By illuminating that legacy the volume challenges readers to build progressive agendas from the demands and actions of poor and working class women What Price Utopia? Daphne Patai,2008-05-29 This volume brings together for the first time more than two dozen of Daphne Patai's incisive and at times satirical essays dealing with the academic and intellectual orthodoxies of our time Patai draws on her years of experience in an increasingly bizarre academic world where a stifling politicization threatens genuine teaching and learning Addressing the rise of feminist dogma the domination of politics over knowledge the shoddy thinking and moralizing that hide behind identity politics and the degradation of scholarship her essays offer a resounding defense of liberal values Patai takes aim at the unctuous and also dangerous posturing that has brought us restrictive speech codes harassment policies and a vigilante atmosphere while suppressing plain speaking about crucial issues But these trenchant essays are not limited to academic life for the ideas and practices popularized there have spread far beyond campus borders Included are two new pieces written especially for this volume one on the bullying tactics of a famous feminist and the other on Islamic fundamentalism *The Women's Movement* Don Nardo,2011-04-15 This fascinating volume focuses on the women's movement featuring quotations from sources such as diaries public records and contemporary chronicles Author Don Nardo explains the ordeal of being an American woman in days without rights He then details the long road to the ballot box and the emergence of a new powerful public woman The gender equality struggle is richly chronicled here **Routledge International Encyclopedia of Women** Cheris Kramarae,Dale Spender,2004-04-16 For a full list of entries and contributors sample entries and more visit the Routledge International Encyclopedia of Women website Featuring comprehensive global coverage of women's issues and concerns from violence and sexuality to feminist theory the Routledge International Encyclopedia of Women brings the field into the new millennium In over 900 signed A-Z entries from US and Europe Asia the Americas Oceania and the Middle East the women who pioneered the field from its inception collaborate with the new scholars who are shaping the future of women's studies to create the new standard work for anyone who needs information on women related subjects **Rad American Women A-Z** Kate Schatz,2015-08-31 The New York Times Bestseller This is The Most Inspiring Children's Book We've Ever Seen Refinery29.com The very first kids book released by the iconic publishing house City Lights *Rad American Women A-Z* navigates the alphabet from Angela Davis to Zora Neale Hurston with colorful illustrations and short powerful narratives The perfect gift for the junior riot grrl in your life Bust Magazine The History of Feminism in an Awesome Picture Book The ABCs just got a major girl power upgrade Chantal Strasburger Teen Vogue Like all A-Z books this one illustrates the alphabet but instead of A is for Apple A is for Angela as in Angela Davis the iconic political activist B is for Billie Jean King who shattered the glass ceiling of sports C is for Carol Burnett who defied assumptions about women in comedy D is for Dolores Huerta who organized farmworkers and E is for Ella Baker who mentored Dr Martin Luther King and helped shape the Civil Rights Movement And the list of great women

The Oxford Encyclopedia of Women in World History Bonnie G. Smith, 2008 The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated women's daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical

social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune womens and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike **The Wave** ,1998 **Defending Marriage** United States.
