Reader's Digest Guide to Love and Sex Amanda Roberts, Barbara Padgett-Yawn, 2001 **The Publishers Weekly**, 1879 **Sex Guides** Patty Campbell, 2017-04-07 The history of the sex guide for adolescents documents the quite unconscious movement of Western culture's ideas about sex and youth revealing the heritage of our own sexual beliefs and codes of behaviour The first section of this book first published in 1986 traces the development of the sex guide examining 400 books from 1892 to the 1980s The second section comprises a detailed analysis of the patterns content and usefulness of all the contemporary manifestations of the genre The history of the teen sex manual is a fascinating revelation of American attitudes towards adolescent sexuality **Mother Jones Magazine**, 1982-06 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues The British National Bibliography Arthur James Wells, 2000 **Readers' Guide to Periodical Literature**, 1922 **The 5 Sex Needs of Men and Women** Gary Rosberg, Barbara Rosberg, Ginger Kolbaba, 2006 Lists the top sex needs of husbands and wives and discusses how to meet those needs from a Christian perspective *The Reader's Digest*, 1926 The Secret History of Marvel Comics Blake Bell, Michael J. Vassallo, 2013-11-16 The Secret History of Marvel Comics digs back to the 1930s when Marvel Comics wasn't just a comic book producing company Marvel Comics owner Martin Goodman had tentacles into a publishing world that might have made that era's conservative American parents lynch him on his front porch Marvel was but a small part of Goodman's publishing empire which had begun years before he published his first comic book Goodman mostly published lurid and sensationalistic story books known as pulps and magazines featuring sexually charged detective and romance short fiction and celebrity gossip scandal sheets And artists like Jack Kirby who was producing Captain America for eight year olds were simultaneously dipping their toes in both ponds The Secret History of Marvel Comics tells this parallel story of 1930s 40s Marvel Comics sharing offices with those Goodman publications not quite fit for children The book also features a comprehensive display of the artwork produced for Goodman's other enterprises by Marvel Comics artists such as Jack Kirby and Joe Simon Alex Schomburg Bill Everett Al Jaffee and Dan DeCarlo plus the very best pulp artists in the field including Norman Saunders John Walter Scott Hans Wesso L F Bjorklund and Marvel Comics 1 cover artist Frank R Paul Goodman's magazines also featured cover stories on celebrities such as Jackie Gleason Elizabeth Taylor Liberace and Sophia Loren as well as contributions from famous literary and social figures such as Isaac Asimov Theodore Sturgeon and L Ron Hubbard Book Review Index, 2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index **A Search for Meaning in Love, Sex, and Marriage** Hugo L. Female Adolescent Sexuality in the United States, 1850-1965 Ann Kordas,2019-04-08 This book examines the history of female adolescent sexuality in the United States from the middle of the nineteenth century until the beginning of the 1960s The book analyzes both adult perceptions of female adolescent sexuality and the experiences of female adolescents themselves It examines what girls knew or thought they knew about sex at different points in time girls sexual experiences girls ideas about love and romance female adolescent beauty culture and the influence of popular culture on female adolescent sexuality It also examines the ways in which adults responded to female adolescent sexuality and the efforts of adults to either control or encourage girls interest in sexual topics dating girls participation in beauty culture and their education on sexual topics The book describes a trajectory along which female adolescents went from being perceived as inherently innocent and essentially asexual to being regarded and feared as primarily sexual in nature **Love in America** Francesca M.

Cancian,1990-08-31 In the last twenty five years Americans have gained considerable freedom in thier personal lives Relationships are now more flexible and self development has become a primary goal for both men and women Most scholars have criticized this trend to greater freedom arguing that it undermines family bonds and promotes selfishness and extreme independence Francesca Cancian is more optimistic In this book she shows that many American couples succeed in combining self development with commitment and that interdependence not independence is their ideal In interdependent relationships love and self development do not conflict but reinforce each other Love in America compares traditional forms of marriage with these newer forms of close relationships Starting with the nineteenth century Cancian shows how gender roles became polarized with love which was identified with emotional expression no practical help being the responsibility of women while self development was regarded as a masculine concern These traditional images of love and relationships are still held by many Americans today even though as Cancian points out this can lead to marital conflict and individual stress and illness By contrast new images of love emphasizing self development for men and women and flexible androgynous roles

began to emerge around 1900 accelerating in the 1960s She concludes that this trend to self development and androgyny will continue but that whether it will lead to more interdependent relationships or to more independence and isolation depends partly on economic and political changes in the wider society The evidence for Cancian s argument comes from sociological historical and psychological sources Her book will interest readers in these disciplines as well s appeal to a wide general audience **Ms. Magazine** ,1973 **Forthcoming Books** Rose Arny,2003 **Axelrod & Cooper's Concise Guide to Writing** Rise B. Axelrod,Charles Raymond Cooper,2006 Provides six guided writing assignments along with readings and strategies for writing and research all in a brief flexible easy to use format *What Did I Ever See in Him?* Amrita Sharma,2011-01-24 Ruskin Bond wrote his first short story Untouchable at the age of sixteen in 1950 Since then he has written over a hundred stories including the classics A Face in the Dark The Kitemaker The Tunnel and Time Stops at Shamli Two of his autobiographical works Life with Father and My Father s Last Letter are also included in this selection Filled with characteristic warmth gentle humour and keen observations on daily life this collection brings together some of the fi nest short fiction by one of India s best loved authors
