UNCOMMON DESTINY UNCOMMON PARTNER Wisdom Mupudzi,2011-05-06 I wrote UNCOMMON DESTINY UNCOMMON PARTNER out of a passion to see young people and people at large maximise their potential through authentic relationships that empower and enable their destinies to be fully manifested With over 10 years of research I share powerful and revelatory insights on relationships In the book I cover relationships on two fronts the Spiritual Dimension and Natural Dimension It s imperative for people to understand how these 2 dimensions relate One thing that is made clear in the book is that the Spiritual Dimension is the causal realm Discover how to break cycles of abuse generational curses spoken curses and many other less talked about issues affecting people in relationships Also discover some of the things barring many people from getting into relationships and also under mining relationships If you are preparing to get married this book will unleash some things that you need to be aware of before the Big day The book also covers things like romance versus finance Is there really a such thing as the one Etc Also be the first to learn about the Wise House Model a model that will enable you to master and fully embrace how each aspect of your life come together If you are single this book will empower you not to treat your single year s with contempt but seize that window as an opportunity to fully get into your purpose and also do your homework If you are married this book will zero in on some of the spiritual matters that could be affecting your marriage that you need to be aware of and it will empower you to cherish your partner like never before You have an UNCOMMON DESTINY **The Reader's Digest** ,2008 **Annie's Heaven** Karla Clark,2008-10 Kylie can t believe her luck Just when she is certain that her dream of having her own dog will never come true a stray German Shepherd unexpectedly shows up on her doorstep She and her family try to do the right thing by taking it to the animal shelter so they can find his owner Because the animal shelter has too many animals they ask Kylie and her family to foster the dog until they have more room Kylie hopes that during the time they foster the dog her mom will fall in love with him and they would get to keep him forever It s the perfect plan unless of course his owners show up to claim him Will Kylie s dream become a reality or is she up for the biggest disappointment of her life Kids and their families really can help animals by becoming foster parents To find out more
