The Guiding Symptoms of Our Materia Medica Constantine Hering, 1887 **The Guiding Symptoms of Our Materia Medica** Constantin Hering, 1887 **English in context , Books and Religious Devotion**

Allan F. Westphall, 2015-02-05 In *Books and Religious Devotion* Allan Westphall presents a study of the book collecting habits and annotation practices of Thomas Connary an Irish immigrant farmer who lived in New Hampshire in the latter half of the nineteenth century Connary led a pious life that revolved around the use annotation and sharing of religious books His surviving annotated volumes provide a revealing glimpse into the utility of books for a common reader and they show how one remarkable eccentric reader turned religious books into near icons Through a careful excavation of book adaptations and enhancements Westphall gives us insight into the range of opportunities provided by the material book for recording and communicating Connary's religious fervor The study also investigates the broader nineteenth century cultural setting in which books are seen as testimonies of personal faith and come to function as instruments of social interaction in both domestic and public spheres Underlying Connary's many and varied interactions with books is his belief that working in books as physical objects can be a devout exercise instrumental in human salvation

The World of South African Music Christine Lucia, 2009-03-26 The present Reader is a selection of texts on South African music which are chosen not only for their importance or the frequency of citations but with the express purpose of providing the reader with a deep understanding of the music itself Consequently there are readings that are chosen because they have been influential but

there are also many which though published have not enjoyed very wide circulation There are those which are of obvious historic interest and others which speak to contemporary issues Among other things the volume provides an excellent sense of the varying ideologies and approaches that determine the relationship between author and subject The reader is indispensable to scholars and enthusiasts of South African music and it is of great interest to ethnomusicologists more generally It is also an excellent resource for those who do not have immediate access to harder to find articles and is perhaps most vital to those who are looking to find a way into the world of South African music

Proceedings of the High School Conference of ... ,1928 *The Cambridge History of Judaism: Volume 5, Jews in the Medieval Islamic World* Phillip I. Lieberman,2021-09-02 Volume 5 examines the history of Judaism in the Islamic World from the rise of Islam in the early sixth century to the expulsion of Jews from Spain at the end of the fifteenth This period witnessed radical transformations both within the Jewish community itself and in the broader contexts in which the Jews found themselves The rise of Islam had a decisive influence on Jews and Judaism as the conditions of daily life and elite culture shifted throughout the Islamicate world Islamic conquest and expansion affected the shape of the Jewish community as the center of gravity shifted west to the North African communities and long distance trading opportunities led to the establishment of trading diasporas and flourishing communities as far east as India By the end of our period many of the communities on the other side of the Mediterranean had come into their own while many of the Jewish communities in the Islamicate world had retreated from their high water mark

The Siddur Companion Paul H. Vishny,2005 There is an architecture to the Siddur which is truly a work of splendor It was not created by one hand nor at one time or in one place The Siddur records the Jewish People s joyous searching for God but it also records their longing for redemption even as the text frequently marks suffering and hostile surroundings This work is intended to form the background for a meaningful devotion to prayer during the week and on the major festivals It will help guide the novice through the different prayers and make these prayers more understandable and fulfilling It will also give the daily davener a sense of where these prayers came from how the rabbis developed them and even their deeper purpose and meaning
