Reading Biblical Narrative A Practical Guide Tools For Biblical Study:

Reading Biblical Narrative J. P. Fokkelman, 2000-03-01 Narrator characters action hero quest plot time and space entrances and exits these are the essential components of all narrative literature This authoritative and engaging introduction to the literary features of biblical narrative and poetry will help the reader grasp the full significance of these components allowing them to enter more perceptively into the narrative worlds created by the great writers of the Bible

Reading Biblical Narrative Jan P. Fokkelman, 2019-05-21 This is an enormously instructive and practical hands on introduction for students of the Bible as literature by one of the world s leading exponents of Hebrew narrative technique Issues covered include introduction to the art of reading the narrator and his characters narrative structure narrative devices

The Conflict Between Faith and Experience, and the Shape of Psalms 73-83 Stephen J. Smith, 2022-06-16 Stephen J. Smith enters the lively field of editorial criticism of the Hebrew Psalter or Psalterexegese with this detailed investigation into the final form of Psalms 73-83 In the book he engages scholarly disagreements over this collection s structure the degree and nature of its literary unity and the primary theological message s it communicates Smith argues that the sequence of Psalms 73-82 and possibly 83 has a deliberate design that reflects a sustained focus on addressing and resolving a multidimensional collision between faith i.e. core Israelite beliefs about God and experience i.e. the individual community s lived experience of God that was precipitated by God s prolonged absence in the Temple s destruction c. 586-587 BCE Parting ways with previous scholarship Smith contends that a recursive organizing principle rooted in biblical parallelism structures the collection Over the book s nine chapters he makes the case that the editor s grouped its psalms into two major blocks 74-78/79-82 of two sub groupings each 74-76/77-78/79-82/80-81 in order to develop a single topic in multiple dimensions the severe threat that God s prolonged absence in the temple s destruction posed to the ongoing viability of various core Israelite beliefs about God most fundamentally God s goodness Smith makes the case that the collection is shaped to resolve this crisis by bolstering the reader s confidence in and commitment to these beliefs in the face of their apparent failure

Emerging Sectarianism in the Dead Sea Scrolls, 2022-07-18 These essays reflect the lively debate about the sectarian movement of the Scrolls They debate the degree to which the movement was separated from the rest of Judaism and whether there was one or several watershed moments in the separation Notable contributions include a cluster of essays on the Teacher of Righteousness and a thorough survey of the archaeology of Qumran The texts are problematic in historical research because they rely on biblical stereotypes Nonetheless possible interpretations can be compared and degrees of probability debated The debate is significant not only for the sect but for the nature of ancient Judaism

Promises to Keep Yael Ziegler, 2008 While many studies explore the literary role of the oath in general literature none have contended with the role of the oath in the biblical narratives This study seeks to fill that vacuum This study demonstrates that by perceiving the oath as a literary device for plot and character development additional or more precise meanings may be revealed in the biblical stories

The Rhetoric of the New Testament Duane F. Watson, 2019-05-21 A new comprehensive bibliography of books and articles on the rhetoric of the New Testament published since AD 1500 The bibliography is arranged by categories which include Jewish heritage invention arrangement style hermeneutics with specific listings for each book of the NT It is prefaced with a select bibliography of primary and secondary sources on classical and modern rhetoric An invaluable research tool

The Double Voice of Her Desire ,2019-05-21 To the attentive listener women s texts speak with a double voice Women are quite capable of telling a conventional story reflecting the expectations of the dominant culture However at the same time they tell their own muted story Such stories are fragments of resistance and anyone who has experience of living on the margins can track them down Such was the view of Fokkelen van Dijk Hemmes 1943 1994 This is a comprehensive collection of the late scholar s groundbreaking work in feminist biblical interpretation in English translation The essays document Van Dijk Hemmes development and show how her work relates to contemporary developments in feminist thinking There is a Foreword by Mieke Bal an in memoriam by Athalya Brenner and an overview of van Dijk Hemmes extensive output of books and articles completes the volume Fokkelen van Dijk Hemmes taught Women s Studies and Old Testament at the University of Utrecht Her pioneering work of feminist interpretation tragically cut short was highly influential both inside and outside the Netherlands Translated by David E Orton *The Canonical Hebrew Bible* Rolff Rendtorff, 2019-05-21

Founded on a lifetime s research and creative thought this is the crowning work of an internationally celebrated Hebrew Bible Old Testament scholar Part I provides an engaging running commentary on the text from a final form canonical perspective and Part II deals with a range of thematic issues including creation covenant and election the patriarchs the promised land torah cult Moses David Zion language about God prophecy wisdom Israel s historical consciousness hermeneutics Jewish and Christian theology of the Hebrew Bible It is both an invaluable tool for students and a significant work demanding the attention of professionals *Supplements to Vetus Testamentum* ,1953 *Recapturing the Voice of God*

Steven W. Smith, 2015-06-01 In *Recapturing the Voice of God* veteran preacher Steven W Smith teaches how to preach genre sensitive text driven sermons to allow the structure of the text to be the structure of the sermon **Valuable and**

Vulnerable Julie Faith Parker, 2013-11-11 Just as women in the Bible have been overlooked for much of interpretative history children in the Bible have fascinating and compelling stories that scholars have largely ignored This groundbreaking book focuses on children in the Hebrew Bible The author argues that the biblical writers recognized children as different from adults and used these ideas to shape their stories She provides conceptual and historical frameworks for understanding children and childhood and examines Hebrew terms related to children and youth The book introduces a new methodology of childist interpretation and applies it to the Elisha cycle 2 Kings 2 8 which contains forty nine child characters Combining literary insights with social scientific evidence the author demonstrates that children play critical roles in the world of the text as well as the culture that produced it *Literary Construction of Identity in the Ancient World* Hanna Liss, Manfred

Oeming, 2010-06-30 Encountering an ancient text not only as a historical source but also as a literary artifact entails an important paradigm shift which in recent years has taken place in classical and Oriental philology Biblical scholars Egyptologists and classical philologists have been pioneers in supplementing traditional historical critical exegesis with more literary approaches This has led to a wealth of new insights While the methodological consequences of this shift have been discussed within each discipline until recently there has not been an attempt to discuss its validity and methodology on an interdisciplinary level In 2006 the Faculty of Bible and Biblical Interpretation at the Hochschule für Jüdische Studien Heidelberg and the Faculty of Theology at the University of Heidelberg invited scholars from the U S Canada the Netherlands Israel and Germany to examine these issues Under the title *Literary Fiction and the Construction of Identity in Ancient Literatures Options and Limits of Modern Literary Approaches in the Exegesis of Ancient Texts* experts in Egyptology classical philology ancient Near Eastern studies biblical studies Jewish studies literary studies and comparative religion came together to present current research and debate open questions At this conference each representative from a total of 23 different disciplines dealt with literary theory in regard to his or her area of research The present volume organizes 17 of the resulting essays along 5 thematic lines that show how similar issues are dealt with in different disciplines 1 Thinking of Ancient Texts as Literature 2 The Identity of Authors and Readers 3 Fiction and Fact 4 Rereading Biblical Poetry and 5 Modeling the Future by Reconstructing the Past

Consumption and Wealth in Luke's Travel Narrative James A. Metzger, 2007 While several recent studies have suggested that the Gospel of Luke recommends generous almsgiving or a relatively benign sharing ethic that mimics existing redistributive measures in early Roman Palestine this book argues that a much more subversive reading of the Gospel's wealth and possessions traditions is defensible *The Temporal Mechanics of the Fourth Gospel* Douglas Estes, 2008-01-01 By redefining narrative temporality in light of modern physics this book advances a unique and innovative approach to the deep seated temporalities within the Gospel of John and challenges the implicit assumptions of textual brokenness that run throughout Johannine scholarship *Unity and Disunity in Ezra-Nehemiah* Mark J. Boda, Paul L. Redditt, 2008 Until the late 1960s the scholarly consensus was that Chronicles Ezra Nehemiah was a single unified literary work Then arguments began to be mounted for treating Chronicles as a distinct composition and the majority of scholars were swayed by these arguments though others retained the older consensus view In recent years some scholars have begun to suggest that Ezra and Nehemiah are distinct literary entities This new debate is the occasion for the present volume Here scholars from around the globe Canada Finland Germany Guatemala Israel Korea the Netherlands United Kingdom United States showcase current scholarly explanations for the final shape of this literary complex known as Ezra Nehemiah Fourteen scholars present their approach to the unity or disunity of this literature employing research methodologies that range from the diachronic to the synchronic Critical responses to this emerging research are provided by three reviewers Joseph Blenkinsopp Tamara Eskenazi and Hugh Williamson whose work laid the
