Wales have included teacher preparation for taking a lead in a school subject area in their first appointment There is no longer a place for a teacher newly qualified or not in primary schools whose sole responsibility is for his or her own class A teacher must have specific specialist knowledge and expertise in particular subjects which must be shared with all staff This text contains the latest curriculum and assessment changes It aims to help students and newly qualified teachers to understand the complexities of being a co ordinator of the National Curriculum subjects in the early years of schooling and reports on best practice

The Really Practical Guide to Primary English Diana Bentley,1999 This book contains clear chapter objectives suggestions for further reading on each topic and a glossary explaining key terms that the new or trainee teacher will need to understand The authors have all taught English in the primary setting are experienced teacher trainers and respected practitioners in their own specialist fields

The Learning and Teaching of Reading and Writing Naomi Flynn,Rhona Stainthorp,2006-07-11 This book provides a unique description of teacher pupil interaction during the Literacy Hour in good schools It is based on detailed observations in inner city primary schools that were recognised as effective and improving The analysis is informed by contemporary research into the development and teaching of early literacy The book provides practice based examples of how teachers and schools might adapt their delivery for literacy as they move to greater creativity in their teaching of reading and writing The analysis begins within the classrooms of three expert Key Stage 1 teachers and broadens out in to the wider setting of the schools and their senior management teams An important theme running throughout the book is how the three teachers were able to make exceptional provision for their pupils who were largely second language speakers and from socio economically disadvantaged groups The teachers successful practice grew from their understanding of both early literacy development and planning for individual need The information in this book will enable student teachers recently qualified teachers and teachers interested in enhancing their literacy teaching to develop their practice in a similarly successful way

Developing a Leadership Role Within the Key Stage 1 Curriculum Julie A. Davies,1995 Since 1989 initial teacher training courses in England and Wales have recognized the need for teachers to take a lead in a school subject area in their first appointment There is no longer a place for a primary school teacher newly qualified or not whose sole responsibility is his or her own class Further a teacher must have specific specialist knowledge and expertise in particular subjects which must be disseminated to the rest of the staff A teacher also needs to develop the skills of communication leadership and persuasion
