Visit to the zoo

I recently went on a visit to the zoo, and it was so much fun! I saw all sorts of amazing animals, including lions, giraffes, and monkeys. My favorite part was seeing the elephants, because they were so big and majestic. I also got to see a baby elephant, and it was so cute and playful. I also saw some flamingos, and they were so colorful and graceful. The zoo was a great place to learn about all the different animals and see them up close. I can't wait to go back and see even more amazing creatures.

Developing Reading Comprehension Katherine A. Dougherty Stahl, Georgia Earnest Garcia, 2015-02-18 Early literacy instruction typically emphasizes foundational skills, often at the expense of engaging young children in reading and supporting their comprehension of different types of texts. This book explains the essential elements of comprehension and shares a wealth of classroom-tested instructional practices. It presents developmentally informed strategies for scaffolding comprehension skills using content to promote engagement and implementing high-level discussions and writing tasks. Ways to teach and assess English learners and other diverse students are highlighted throughout. The book features explicit links to the Common Core
