Reading Faulknerian Tragedy:

Reading Faulknerian Tragedy Warwick Wadlington, 1967 **Reading Faulknerian Tragedy** Warwick Wadlington, 2019-06-30 This could be the best Faulkner study of the decade the counterpart of Vickery in the 50s and Brooks in the 60s It is ambitious powerfully well informed and quite as pathbreaking in its approach as one would expect from the author of *The Confidence Game in American Literature* Gary Lee Stonum Department of English Case Western Reserve University *Reading Faulknerian Tragedy* illuminates theories of reading and of tragedy as it poses new questions in respect to four of Faulkner's major novels Drawing on the work of the literary theorists Kenneth Burke and Mikhail Bakhtin and the anthropologist Clifford Geertz Warwick Wadlington gives a coherent account of the aesthetics of Faulkner's tragedy and advocates a model of reading based not on interpretation but on performance Faulkner's voice he asserts functions as an invitation to readers to assume roles become speakers and thus listeners and so in a sense complete the text they are reading and to take pleasure in or suffer the consequences of their role taking Offering an anthropology of rhetoric Wadlington examines the cultural contexts of Faulkner's writing and describes a kind of tragedy springing from the possibilities of heroic existence in a culture that stresses honor and shame He defines tragedy as part of a historical genealogical process and locates the reading and writing of tragedy within the distinctly human opposition to personal mortality In his view reading epitomizes the performance of the scripts of culture itself and it is one of the cultural activities that constitute persons by furnishing them with the very power to exist Wadlington offers detailed analyses of *The Sound and the Fury* *As I Lay Dying* *Light in August* and *Absalom Absalom* Rich and provocative in its implications for literary theorists as well as for Faulknerians the book will also be welcomed by specialists and students of twentieth century American literature and the novel **William Faulkner's As I Lay Dying** Harold Bloom, 2013 Provides a collection of critical essays on Faulkner's *As I Lay Dying* **Reading the American Novel 1920-2010** James Phelan, 2013-04-02 This astute guide to the literary achievements of American novelists in the twentieth century places their work in its historical context and offers detailed analyses of landmark novels based on a clearly laid out set of tools for analyzing narrative form Includes a valuable overview of twentieth and early twenty first century American literary history Provides analyses of numerous core texts including *The Great Gatsby* *Invisible Man* *The Sound and the Fury* *The Crying of Lot 49* and *Freedom* Relates these individual novels to the broader artistic movements of modernism and postmodernism Explains and applies key principles of rhetorical reading Includes numerous cross novel comparisons and contrasts **Following Faulkner** Taylor Hagood, 2017 An examination of how Faulkner's work has been analyzed elucidated and promoted by a massive body of scholarly work spanning over seven decades Faulkner and the Politics of Reading Karl F. Zender, 2023-10-18 With this study Karl F Zender offers fresh readings of individual novels themes and motifs while also assessing the impact of recent politicized interpretations on our understanding of Faulkner's achievement Sympathetically acknowledging the need to decenter the canon Zender's searching

interrogation of current theory clears a breathing space for Faulkner and his readers between the fustier remnants of New Criticism and the excesses of post structuralism Each chapter opens with a balanced presentation of the genuine gifts contemporary theory has bestowed on our comprehension of a particular novel or problem in Faulkner criticism and then proceeds with a groundbreaking reading The Politics of Incest challenges older psychoanalytic interpretations of Faulkner s use of the incest motif and Faulkner s Privacy defends the novelist s difficulty or reticence as an aesthetic resistance against the rude candor of deregionalized and depersonalized culture Subsequent chapters take up the volatile issues of Faulkner s representations of women and of African Americans and a close reading of the classic Barn Burning critiques the current tendency to blur the concepts of patriarchy and paternity The elegiac final chapter Where is Yoknapatawpha County draws on a comparison with John Updike s Pennsylvania fiction and a reading of Joan Williams s The Wintering to explore Faulkner s disinclination to represent the quotidian realities of southern life in his later novels Zender shows that Faulkner s stylistic withdrawal attempts to transform into beauty his alienation from the postwar world and his fear of aging That Faulkner and the Politics of Reading itself recovers and gives new luster to Faulkner s beauty will surely please in the author s words those readers for whom literature is less a mechanism of social change than a source of pleasure The originality of its critical vision will inspire Faulkner scholars students of American literature and general readers *Reading Faulkner* Richard

Marius, 2006 *Reading Faulkner* Introductions to the First Thirteen Novels is a collection of lectures by Harvard University professor and nationally known novelist and biographer Richard Marius Marius had been charged with the task of teaching an introductory course on Faulkner to undergraduates in 1996 and 1997 Combining his love of Faulkner s writing with his own experiences as an author and teacher Marius produced a series of delightful lectures which stand on their own as sparkling well rounded essays that help beginning students in understanding the sometimes difficult work of this celebrated literary master An expository treatment of Faulkner s major works *Reading Faulkner* comprises essays that are arranged in roughly chronological order corresponding to Faulkner s development as a writer In a way sure to captivate the imagination of a new reader of Faulkner Marius explicates themes in Faulkner s work and he sheds light on the larger social history that marked Faulkner s literary production In addition Marius is a southerner who grew up a couple of generations after Faulkner and like Faulkner turned his own world into the setting for his fiction This unique perspective combined with Marius s thorough readings of the novels grounded in basic Faulkner criticism provides an engaging and accessible self guided tour through Faulkner s career *Reading Faulkner* is perfect for students from high school through the undergraduate level and will be enjoyed by general readers as well Richard Marius 1933 1999 taught at the University of Tennessee before heading Harvard s expository writing program from 1978 to 1998 He was the author of *Thomas More* *Martin Luther* *The Christian between God and Death* and four novels about his native East Tennessee Nancy Grisham Anderson is an associate professor of English at Auburn University Montgomery She is the author of *The Writer s Audience* *A Reader for Composition* and the

Faulkner's Questioning Narratives David L. Minter, 2001 Focusing on the core novels including *The Sound and the Fury* *Absalom Absalom* *Sanctuary* *Light in August* 2003 and *Go Down Moses* David Minter illuminates Faulkner's mature fiction the tensions at play within the fiction and the creativity not only exhibited by the author but also extended to his characters and required of his readers Faulkner's achievement Minter contends was in combining daring experiments in form with searching examinations of grave social political and moral problems His novels change and expand the role of the reader by means of proliferating narratives that lead to questions rather than answers and to approximation rather than resolution Minter shows how this process at times implicates the reader in the corruption and violence of the story as when the reader is required to fill in out of his or her own experience the crucial gaps left in the narrative of *Sanctuary* Positioning Faulkner on the cusp between modernist and postmodernist writing Minter shows how his methods
