

The background of the book cover is a monochromatic blue photograph. On the left, a large white ship is docked at a wooden pier. In the foreground on the right, a sailor in a dark uniform and white-topped hat stands looking out towards the ship. The water is calm, and a distant shoreline with buildings is visible in the background.

Terry Smyth

Long Nights Journey Into Day Prisoners Of War In The Far East 1941-1945:

Long Night's Journey into Day Charles G. Roland, 2010-10-30 Sickness starvation brutality and forced labour plagued the existence of tens of thousands of Allied POWs in World War II More than a quarter of these POWs died in captivity Long Night's Journey into Day centres on the lives of Canadian British Indian and Hong Kong POWs captured at Hong Kong in December 1941 and incarcerated in camps in Hong Kong and the Japanese Home Islands Experiences of American POWs in the Philippines and British and Australians POWs in Singapore are interwoven throughout the book Starvation and diseases such as diphtheria beriberi dysentery and tuberculosis afflicted all these unfortunate men affecting their lives not only in the camps during the war but after they returned home Yet despite the dispiriting circumstances of their captivity these men found ways to improve their existence keeping up their morale with such events as musical concerts and entertainments created entirely within the various camps Based largely on hundreds of interviews with former POWs as well as material culled from archives around the world Professor Roland details the extremes the prisoners endured from having to eat fattened maggots in order to live to choosing starvation by trading away their skimpy rations for cigarettes No previous book has shown the essential relationship between almost universal ill health and POW life and death or provides such a complete and unbiased account of POW life in the Far East in the 1940s

World War II Spencer C. Tucker, Priscilla Roberts, 2005-02-23 Designed with the more visual needs of today's student in mind this landmark encyclopedia covers the entire scope of the Second World War from its earliest roots to its continuing impact on global politics and human society Over 1 000 illustrations maps and primary source materials enhance the text and make history come alive for students and faculty alike ABC-CLIO's World War II A Student Encyclopedia captures the monumental sweep of the Big One with accessible scholarship a student friendly image rich design and a variety of tools specifically crafted for the novice researcher For teachers and curriculum specialists it is a thoroughly contemporary and authoritative work with everything they need to enrich their syllabi and meet state and national standards Ranging from the conflict's historic origins to VJ Day and beyond it brings all aspects of the war vividly to life its origins in the rubble of World War I its inevitable outbreak its succession of tumultuous battles and unforgettable personalities Students will understand what the war meant to the leaders the soldiers and everyday families on home fronts around the world Featured essays look at Pearl Harbor the Holocaust the atomic bomb and other crucial events as well as fascinating topics such as signals intelligence and the role of women in war A separate primary source volume provides essential source material for homework test preparation or special projects With a wealth of new information and new ideas about the war's causes course and consequences World War II will be the first place students turn for the who what when where and more importantly the why behind this historic conflict

Captive Fathers, Captive Children Terry Smyth, 2022-10-06 Why are the daughters and sons of Far East prisoners of war still captivated by the stories of their fathers What is it that compels so many of the children after so many years to search for the

details of their fathers captivity And how over the decades have they come to terms with their childhood memories In his book Terry Smyth treads new ground by examining the processes through which the children s memory practices came to be rooted in the POW experiences of their fathers By following a life course approach and a psychosocial methodology the book demonstrates how memory and trauma were worked into the social and cultural lives of individual children and explores how the relationship between their inner psychic worlds and subsequent memory practices unfolded against a challenging and morally ambivalent geopolitical background The book invites readers to engage with the author in a journey of exploration and self reflection with elements of auto ethnography adding richness to the text Enlivened by interview extracts case study material and ethnographic observations this work opens up fresh and ambitious perspectives on the personal legacies of war

The Captain Was a Doctor Jonathon Reid,2020-10-24 A Canadian medical officer and prisoner of war returns from the Second World War a hero and a very different man In August 1941 John Reid a young Canadian doctor volunteered to join the Royal Canadian Army Medical Corps with four friends from medical school After five weeks of officer training in Ottawa Reid took an optional two week course in tropical medicine a choice which sealed his fate Assigned to C Force the two Canadian battalions sent to reinforce semi tropical Hong Kong he was among those captured when the calamitous Battle of Hong Kong ended on Christmas Day After a year in Hong Kong prison camps Reid was chosen as the only officer to accompany 663 Canadian POWs sent to Japan to work as slave labourers His efforts over the next two and a half years to lead treat and protect his men were heroic He survived the war but finding a peace of his own took ten tumultuous years with casualties of a different sort He would never be the same

War Experience and Memory in Global Cultures

Since 1914 Angela K. Smith,Sandra Barkhof,2018-05-11 This edited collection explores and develops representations of war experience from 1914 to the ongoing conflicts of the 21st century through the specific lens of memory It builds on recent explorations of the importance of war experience in shaping cultural memory that have focused on the aftermath of the First World War and the Second World War particularly through Holocaust studies These essays by a range of international and interdisciplinary scholars broaden the scope considerably examining the alternate spaces of the First World War and those that followed it through a range of different media offering an artistic trajectory to the centennial commemorations of 2014

18 Long Hard Road Thomas Saylor,2007 Scores of WWII POWs offer lessons of wartime as they remember the terror and hardship of their days in captivity

Hong Kong's War Crimes Trials Suzannah Linton,2013-09-26 Immediately after the Second World War 46 trials were held by the British military in Hong Kong in which 123 defendants mainly from Japan were tried for war crimes This book is the first to analyze these trials situating them within their historical context and showing their importance for the development of international criminal law

Finding Japan Anne Shannon,2012-11-01 In contrast to the widely known experiences of Asian immigrants who came to Canada this book looks at movement in the opposite direction Using text and images it is a collection of stories about how Canadians found Japan the first place they reached

when travelling westward across the Pacific These connections began as early as 1848 when the adventurous son of a Hudson s Bay Company trader tempted fate by smuggling himself disguised as a shipwrecked sailor into the closed and exotic land of the shoguns He was followed by an intriguing cast of characters missionaries educators businessmen social activists political figures diplomats soldiers and occasional misfits who experienced a rapidly changing Japan as it underwent its remarkable transformation from a largely feudal society to a modern state Now when the world is becoming more Asia centric Finding Japan provides glimpses into an earlier era that challenged conventional perceptions about Canadian connections across the Pacific *Choice* ,2001 *Behind Barbed Wire* Alexander Mikaberidze,2018-11-26 An indispensable reference on concentration camps death camps prisoner of war camps and military prisons offering broad historical coverage as well as detailed analysis of the nature of captivity in modern conflict This comprehensive reference work examines internment forced labor and extermination during times of war and genocide with a focus on the 20th and 21st centuries and particular attention paid to World War II and recent conflicts in the Middle East It explores internment as it has been used as a weapon and led to crimes against humanity and is ideal for students of global studies history and political science as well as politically and socially aware general readers In addition to entries on such notorious camps as Abu Ghraib Andersonville Auschwitz and the Hanoi Hilton the encyclopedia includes profiles of key perpetrators of camp and prison atrocities and more than a dozen curated and contextualized primary source documents that further illuminate the subject Primary sources include United Nations documents outlining the treatment of prisoners of war government reports of infamous camp and prison atrocities and oral histories from survivors of these notorious facilities
