Words in Rhythm David Stewart Handelman, 2012-07-18 The time that I have spent traveling in the many journeys of my life I find myself listening to sweet music I also find myself seeking not only words of wisdom that I can translate but I hear music that remind me of life past and the many hopes for the future In order to fully appreciate what any author is trying to articulate one must first put themselves into the poem or story to fully understand what they are trying to write or say Poetry is based upon the authors own interpretation of the subject that they are writing about True poetry is taken from the depth of one's own soul and their feelings at the time that they put the quill to the parchment The Long Road Lynne Kathryn Cote, 2006-08-01 FOR READER'S GUIDE visit www.lynnecote.com The Long Road sets thirteen stories
