

THIS MARRIAGE

by Rumi

May these vows and this marriage be blessed.
May this marriage be as sweet as milk and honey,
May this marriage be as intoxicating as old wine,
May this marriage be fruitful like the date palm,
May this marriage be full of laughter,
and everyday a paradise.
May this marriage be a seal of compassion,
for here and hereafter.
May this marriage have a fair face and a good name,
May this marriage be as welcome as the
full moon in the night sky.
Listen lovers, now you go on,
as I become silent and kiss this blessed night.

Long Marriage Poems:

The Long Marriage: Poems Maxine Kumin, 2003-05-17 This luminous collection is Maxine Kumin's twelfth volume of poetry the first since her remarkable memoir *Inside the Halo* Themes of loyalty longevity and recovery appear here along with poems addressing the eminent dead Wordsworth Gorki Rukeyser and others Inescapably many poems come up out of the earth I live on and tend to Kumin says *The Art of Love Poetry* Erik Irving Gray, 2018 The first study to offer an integral theory of love poetry examining why it is that poetry even more than other arts is so consistently associated with romantic love British Women Poets of the Long Eighteenth Century Paula R. Backscheider, Catherine E. Ingrassia, 2022-10-01 This anthology gathers 368 poems by 80 British women poets of the long eighteenth century Few of these poems have been reprinted since originally published and all are crucial to understanding fully the literary history of women writers Paula R. Backscheider and Catherine E. Ingrassia demonstrate the enormous diversity of poetry produced during this time by organizing the poems in three broad and deliberately overlapping categories by genre establishing that women wrote in all of the forms that men did with equal mastery and creativity by theme offering a revisionary look at the range of topics these writers addressed including war ecology friendship religion and the stages of life and by the poems more specific focus on the women's experiences as writers Backscheider and Ingrassia have selected poems that represent the best work of skilled poets creating a wonderful mix of canonical and little known pieces They include the complete texts of longer poems that are abridged or omitted in other collections Their substantial part introductions textual notes bibliographical information and biographical sketches situate the poets and their writings within the cultural and political milieu in which they appeared To generate further scholarship on this subject this essential anthology puts primary texts in front of students scholars and general readers It fills the persistent need to document women's poetic expression during the long eighteenth century and to rewrite the literary history of the period a history from which women have largely been excluded *Where I Live: New & Selected Poems 1990-2010* Maxine Kumin, 2010-04-12 *Where I Live* is a collection celebrating the remarkable poetic range of one of America's greatest living poets *Where I Live* gathers poems from Maxine Kumin's five previous books The poems take as their concern rural life family and poetic legacy and they wrestle with political and social causes Also included is a generous selection of twenty three new poems which expand upon themes that have preoccupied Kumin and bring her record of poetic mastery up to the present Kumin's rare kinship with the natural world is again seen in this collection Book Jacket

significant authors themes and history *Notational Experiments in North American Long Poems, 1961-2011* A. J. Carruthers, 2017-01-28 This book is a critical experiment that tracks the literary and poetic uses of musical notation and notational methods in North American long poems from the middle of last century to the contemporary moment Poets have readily referred to their poems as scores Yet in this study Carruthers argues that the integration of musical scores in expansive works of this period does more work than previously thought offering both resolution and escape from the demands placed on long poem form The five case studies on Langston Hughes Armand Schwerner BpNichol Joan Retallack and Anne Waldman offer approaches to reading literary scores in what might be described as a critical stave or a critical fugue of instances In differing ways musical notation and notational methods impact the form time and sometimes the ethical and political stances of these respective long poems *The Poetics of Wrongness* Rachel Zucker, 2023-02-07 The Poetics of Wrongness is a collection of essay talks that the poet Rachel Zucker expanded from lectures presented for the Bagley Wright Lecture Series in 2016 Devastating in their revelations yet hopeful in their endurance these are lectures of protest and reckoning Zucker declares I write against My poetics is a poetics of opposition and provocation that I never outgrew Against the status quo or the powers that be writing out of and into wrongness Thus Zucker deftly dismantles the outdated paradigms of motherhood aesthetics feminism poetics and politics Bringing Bernadette Mayer Marina Abramovic Alice Notley Adrienne Rich Audre Lorde among many others into the conversation Zucker questions the categories that have been imposed on poetry as well as a poet's need to speak and the resulting responsibilities Prescient in their original observations these expanded talks seek to respond to and engage the many political events since their presentation remaining timelessly persistent in their galvanizing force **Walt Whitman and the Making of Jewish American Poetry** Dara Barnat, 2023-08-01 Walt Whitman has served as a crucial figure within the tradition of Jewish American poetry But how did Whitman a non Jewish American born poet become so instrumental in this area of poetry especially for poets whose parents and often they themselves were not born here Dara Barnat presents a genealogy of Jewish American poets in dialogue with Whitman and with each other and reveals how the lineage of Jewish American poets responding to Whitman extends far beyond the likes of Allen Ginsberg From Emma Lazarus and Adah Isaacs Menken through twentieth century poets such as Charles Reznikoff Karl Shapiro Kenneth Koch Muriel Rukeyser Adrienne Rich Marge Piercy Alicia Suskin Ostriker and Gerald Stern this book demonstrates that Whitman has been adopted by Jewish American poets as a liberal symbol against exclusionary and anti Semitic elements in high modernist literary culture The turn to Whitman serves as a mode of exploring Jewish and American identity *The Best American Poetry 2025* David Lehman, Terence Winch, 2025-09-02 Guest edited by Terence Winch NEA Fellow and editor of the pick of the week on the Best American Poetry blog the 2025 edition marks a poignant farewell to series editor David Lehman celebrating more than three decades of poetic excellence For thirty eight years The Best American Poetry series has won widespread acclaim as the nation's most influential and vital poetry

Humor in Modern American Poetry

Rachel Trousdale, 2017-11-16 Modern poetry at least according to the current consensus is difficult and often depressing But as *Humor in Modern American Poetry* shows modern poetry is full of humorous moments from comic verse published in popular magazines to the absurd juxtapositions of *The Cantos* The essays in this collection show that humor is as essential to the serious work of William Carlos Williams as it is to the light verse of Phyllis McGinley For the writers in this volume the point of humor is not to provide comic relief a brief counterpoint to the poem s more serious themes humor is central to the poems projects These poets use humor to claim their own poetic authority to re define literary tradition to show what audience they are writing for to make political attacks and perhaps most surprisingly to promote sympathy among their readers The essays in this book include single author studies discussions of literary circles and theories of form Taken together they help to begin a new conversation about modernist poetry one that treats its lighthearted moments not as decorative but as substantive Humor defines groups and marks social boundaries but it also leads us to transgress those boundaries it forges ties between the writer and the reader blurs the line between public and private and becomes a spur to self awareness
