Confronting Religious Denial of Science Catherine M. Wallace, 2016-07-05 Confronting Religious Denial of Science: Christian Humanism and the Moral Imagination traces the cultural backstory of contemporary conflicts between biblical literalists who oppose evolution and New Atheists who insist that religion is so pernicious it should be outlawed if not exterminated. That's a clash of fundamentalisms. It's a zero-sum game derived from high Victorian misunderstanding of both religion and science. The God whom science supposedly replaces is the Engineer Almighty sitting at his keyboard, controlling every event on earth. But that's not a viable concept of God. Far better, Wallace argues, to understand Christianity in Clifford Geertz's terms as a system of symbols that both constitutes a worldview and, according to David Sloan Wilson, encourages prosocial behavior. That reframing makes it possible to reclaim what biblical scholars have said for

decades the miracles of Jesus were confrontational symbolic actions They contradicted the political status quo in colonial Palestine not the laws of biology Prayer she explains is not magical thinking It s a creative highly disciplined introspective process most familiar to many people in forms like mindfulness meditation Wallace offers an intriguing exploration of issues that believers seldom discuss in ways that make sense to the religiously unaffiliated embed container position relative padding bottom 56 25% height 0 overflow hidden max width 100% embed container iframe embed container object embed container embed position absolute top 0 left 0 width 100% height 100% *Island Lullaby* Margie Tyone Bruce,2015-03-01 Gregory Steel Schaeffer is a reluctant heir to his father s fortune and obligations in a foreign country the Philippines His Filipina mother abandoned him when he was two years old and the prejudice he feels toward his mother the country where she was from and its people is very strong But when his father becomes ill he has no choice but to go and take over the business As he makes business decisions in place of his father he meets a fisherman s daughter Narra Matibay a beautiful tender hearted and carefree young woman He vows never to fall in love with the likes of his mother but can he resist the irresistible charm the enchanting beauty and the soothing lullaby of the islands **The Pall Mall Magazine** ,1912 **The Lone Hand** ,1913 *Truth* ,1911 **Imp!** Gus Franza,2015-10-30 Wally Androsch helluva nice guy has a serious problem he and Mimi his beloved wife want very much to solve To relieve the reader of anxiety let me say here that they do solve the problem but not before an incredibly hilarious and complicated series of bawdy experiences and obstacles are confronted and eliminated *The Sketch* ,1911 **The Play Pictorial** ,1911 *Time* Briton Hadden, Henry Robinson Luce,2002-04
