Triumph in Exile Victoria D Schmidt,2002 Victoria Schmidt vividly tells the story of Madame De Sta l who motivated by uncompromising principles and fortified with the unlimited resources of her wealthy father Jacques Necker the minister of finance to Louis XVI helped to bring down an unbridled tyrant and altered the course of history in France and the rest of the modern world Although Germaine de Sta l was among the first to recognize Napoleon as a champion of democracy and helped him rise to power she was also one of the first to acknowledge his uncontrolled desire for military and political dominance The emperor soon exiled her from her beloved France and banned her best selling books and treatises He forbade her to write and limited her movements to a small area around her country estate in Coppet Switzerland It was after a daring escape from Coppet across the continent to Russia and Sweden that she took part in formulating the military alliance between the Swedish Crown Prince and Czar Alexander that brought about Napoleon s downfall

Unlocking the Idioms:
An LDS Perspective on Understanding Scriptural Idioms George M. Peacock,2023-02-02 Idioms and idiomatic language are as real to the messages of holy scripture as are prophecies and parables Idioms are words and phrases that express more than the actual words themselves They paint mental or emotional images that bring events or feelings to the present quickly and with intensity Like a cultural shorthand they can describe things without using lengthy explanations On the other hand idioms can be meaningless and misleading if the reader has no experience with the culture and language from which the idioms originated Mistranslation and cultural differences both contribute to the misinterpretation of many scriptural idioms Phrases such as gird up your loins and salt of the earth will lose their intended effect if they are taken only literally In these pages George M Peacock explains exactly what idioms are how to identify them and how learning their meaning can add to
