Campbell, Ken Campbell's first book of stories from his growing up years and early adult life

Stories I Lived was so captivating that it left readers with an appetite for more More Stories I Lived will surely satisfy the palate and grab the imagination through the author's vivid folksy storytelling from a much simpler time when survival meant hard work and boys had the time to ride out on horseback and explore the rural wilderness Campbell writes with humor and purpose as he tells the stories he lived and the hard learned life lessons that survival gave him From picking his first tomatoes to raising a willful pet sheep from exploring a hidden cave to sledding uncontrolled down a steep hill from enduring a home style haircut to corralling a run away horse His stories will make you laugh and they will even make you wince Yet don't worry everything will come out all right in the end and you'll come away having enjoyed the journey and learned something with the author as well More wonderful tales from a true treasure Uncle Kenny takes us to a simpler time with smiles aplenty and great life lessons along the way Eric Brown Ministerial Director Upper Columbia Conference
