Townsend, 2010-10 By their very nature most newspaper columns and editorials are ephemeral They are often written in haste to meet a deadline and what excites interest today may elicit only yawns tomorrow or the next day This is especially true of community newspapers whose focus is on matters of interest to a smaller parochial readership This book is a collection of pieces that step outside that mold The author's broad education four degrees including a Ph D and a J D and wide range of work experiences college professor probation officer prosecuting attorney professional magician novelist editor publisher and grocery store sackboy to name a few have provided him with a unusual perspective from which to observe and comment on the problems and pleasures of being a sentient being on Planet Earth in the twenty first century and on how we got to this point in human history Inspired

by the example and encouragement of the newspaper editor who gave him his first job in journalism the author has inflicted upon the readers of several newspapers his reflections on a broad and eclectic range of subjects from religious and racial intolerance to UFO sightings and the beauty of a toad s eye Throughout it all the author has been motivated by one unvarying purpose to make his readers think Not just about last week s school board meeting or next month s municipal elections but about ideas and issues with a shelf life longer than that of ripe tomatoes in your grocer s produce department Here then are half a hundred of those pieces rescued from dusty newspaper morgues and offered to a broader audience than the unsuspecting subscribers to whom they were originally addressed The author will be pleased if you read them but he will have failed in his purpose unless reading them makes you think

The Heirs of Anthony Boucher Marvin Lachman, 2005-08-30 A dead partner, a murdered client, it's more than attorney Joe McGuinness bargained for when he signed on at one of Pinnacle Peak, Arizona's most prestigious law firms. The ink on Joe's bar license is barely dry when the death of his firm's senior partner puts the young lawyer's job in jeopardy. Soon, even more is at stake. While on a date with Mia Ortiz, personal assistant to one of the firm's wealthiest clients, Joe walks into a grisly murder scene. Mia's boss, Cordelia Barrett, and her son lie sprawled in a pool of blood. Joe knows Cordelia has recently changed her will, turning off the flow of money to her hotheaded son. But the police don't agree with Joe's theory of murder-suicide and arrest Mia for murder. Meanwhile, fellow lawyer Jerry Dan Kovacs is determined to prove the death of the firm's senior partner wasn't an accident. While Joe works fervently to free Mia, another body turns up, and he must unravel a web of secrets to discover who is using murder to claim the rights of her apparent heir.
