Lord Cornbury Scandal:

The Lord Cornbury Scandal Patricia U. Bonomi, 2000-02-01 The portrait of a viscount in women's clothing from the colonial government of New York addresses the climate of political corruption conspiracy slander and rumormongering prevalent in his times Also addressed are the postwar American Whig tendencies to completely discount colonial benevolence and well kept provincial politics in favor of scorn and derision of the British colonial government The Lord Cornbury Scandal Patricia U. Bonomi, 2012-12-01 For more than two centuries Edward Hyde Viscount Cornbury royal governor of New York and New Jersey from 1702 to 1708 has been a despised figure whose alleged transgressions ranged from raiding the public treasury to scandalizing his subjects by parading through the streets of New York City dressed as a woman Now Patricia Bonomi offers a challenging reassessment of Cornbury She explores his life and experiences to illuminate such topics as imperial political culture gossip Grub Street and the climate of slander early modern sexual culture and constitutional perceptions in an era of reform In a tour de force of scholarly detective work Bonomi also reappraises the most conclusive piece of evidence used to indict Cornbury a celebrated portrait said to represent the governor in female dress that hangs today in the New York Historical Society Stripping away the many layers of the Cornbury myth this innovative work brings to life a fascinating man and reveals the conflicting emotions and loyalties that shaped the politics of the First British Empire A tour de force of historical detection Tim Hilchey New York Times Book Review Bonomi's book is more than an exoneration of Cornbury It is a case study of what she aptly calls the politics of reputation Edmund S Morgan New York Review of Books A fascinating authoritative glimpse into the seamy underside of imperial politics in the late Stuart era Timothy D Hall Pennsylvania Magazine of History and Biography An intriguing detective story that casts light upon the operation of political power in the past and the nature of history writing in the present Alan Taylor New Republic For more than two centuries Edward Hyde Viscount Cornbury royal governor of New York and New Jersey from 1702 to 1708 has been a despised figure whose alleged transgressions ranged from looting the colonial treasury to public cross dressing in New York City Stripping away the many layers of the Cornbury myth Patricia Bonomi offers a challenging reassessment of this fascinating figure and of the rough and tumble political culture of the First British Empire with its muckraking press salacious gossip and conflicting imperial loyalties A Treasury of Great American Scandals Michael Farquhar, 2003-07-01 Following on the heels of his national bestseller A Treasury of Royal Scandals Michael Farquhar turns his attention to matters a little closer to home with A Treasury of Great American Scandals From the unhappy family relationships of prominent Americans to the feuds smear campaigns duels and infamous sex scandals that have punctuated our history we see our founding fathers and other American heroes in the course of their all too human events Ineffectual presidents lazy generals traitors treacherous fathers nagging mothers ungrateful children embarrassing siblings and stories about insanity death and disturbing postmortems are all here as are disagreeable marriages vile habits and of course sex good sex bad sex and good bad sex too

We can take comfort in the fact that we are no worse and no better than our forebears But we do have better media coverage Bonus educational material A brief history of the United States including scandals The American Hall of Shame A complete listing of presidential administrations *Not for Filthy Lucre's Sake* Daniel J. Weeks,2001-06 The late seventeenth and early eighteenth centuries were tumultuous times for New Jersey The settlers in East New Jersey rose in violent opposition to the proprietary government of the province Antiproprietary agitators including Richard Saltar defied the authority of the province courts often forcibly breaking up the proceedings and physically assaulting the judges Daniel J Weeks reveals that the antiproprietary movement was more than a spontaneous outburst against the perceived oppressions of the proprietors It was in fact a concerted and well planned effort to overthrow proprietary power in New Jersey and establish a government based on the consent of the majority of the freeholders The troubles had their roots in the very first days of settlement after the proprietors private owners of the land and government refused to recognize the land patents of the settlers BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved [Hidden History of the Mid-Hudson Valley](#) Carney Rhinevault,Tatiana Rhinevault,2011-09-09 The Albany Post Road was the vital artery between New York City and the state capital in Albany in the eighteenth and nineteenth centuries It saw a host of interesting events and colorful characters though these unusual and extraordinary stories as well as their connection to the thoroughfare are oft forgotten Revolutionary War spies marched this path and anti rent wars rocked Columbia County Underground Railroad safe houses in nearby towns like Rhinebeck and Fishkill sheltered slaves seeking freedom in Canada and Frank Teal s Dutchess County murder remains unsolved With illustrations by Tatiana Rhinevault local historian Carney Rhinevault presents these and other hidden stories from the Albany Post Road in New York s mid Hudson Valley **Political Thought in Seventeenth-Century Ireland** Jane H. Ohlmeyer,2000-06-29 This book provides an in depth analysis of seventeenth century Irish political thought and culture **Encyclopedia of New Jersey** Maxine N. Lurie,Marc Mappen,2004 Contains nearly original articles along with illustrations and maps collecting a wealth of information about the state of New Jersey

The New Encyclopedia of American Scandal George C. Kohn,2001 Covering people and events from the 1630s to the present day this reference offers 455 entries on such topics as dirty politics white collar scams botched cover ups tawdry love affairs and despicable acts of corruption **The State Trials and the Politics of Justice in Later Stuart England** Brian Cowan,Scott Sowerby,2021 The book discusses the state trial as a legal process a public spectacle and a point of political conflict a key part of how constitutional monarchy became constitutional State trials provided some of the leading media events of later Stuart England The more important of these trials attracted substantial public attention serving as pivot points in the relationship between the state and its subjects Later Stuart England has been known among legal historians for a series of key cases in which juries asserted their independence from judges In political history the government s sometimes shaky control over political trials in this period has long been taken as a sign of the waning power of the Crown This book

revisits the process by which the state trial emerged as a legal proceeding a public spectacle a point of political conflict and ultimately a new literary genre It investigates the trials as events as texts and as moments in the creation of historical memory By the early nineteenth century the publication and republication of accounts of the state trials had become a standard part of the way in which modern Britons imagined how their constitutional monarchy had superseded the absolutist pretensions of the Stuart monarchs This book explores how the later Stuart state trials helped to create that world **Trust and Distrust** Mark Knights,2021-12-02 Trust and Distrust offers the first overview of Britain s history of corruption in office in the pre modern era 1600 1850 and as such will appeal not only to historians but also to political and social scientists Mark Knights paints a picture of the interaction of the domestic and imperial stories of corruption in office showing how these stories were intertwined and related Linking corruption in office to the domestic and imperial state has not been attempted before and Knights does this by drawing on extensive interdisciplinary sources relating to the East India Company as well as other colonial officials in the Atlantic World and elsewhere in Britain s emerging empire Both corruption and office were concepts that were in evolution during the period 1600 1850 and underwent very significant but protracted change which this study charts and seeks to explain The book makes innovative use of the concept of trust which helped to shape office in ways that underlined principles of selflessness disinterestedness integrity and accountability in officials **A Distinct**

Judicial Power Scott Douglas Gerber,2011-01-10 A Distinct Judicial Power The Origins of an Independent Judiciary 1606 1787 by Scott Douglas Gerber provides the first comprehensive critical analysis of the origins of judicial independence in the United States Part I examines the political theory of an independent judiciary Gerber begins chapter 1 by tracing the intellectual origins of a distinct judicial power from Aristotle s theory of a mixed constitution to John Adams s modifications of Montesquieu Chapter 2 describes the debates during the framing and ratification of the federal Constitution regarding the independence of the federal judiciary Part II the bulk of the book chronicles how each of the original thirteen states and their colonial antecedents treated their respective judiciaries This portion presented in thirteen separate chapters brings together a wealth of information charters instructions statutes etc about the judicial power between 1606 and 1787 and sometimes beyond Part III the concluding segment explores the influence the colonial and early state experiences had on the federal model that followed and on the nature of the regime itself It explains how the political theory of an independent judiciary examined in Part I and the various experiences of the original thirteen states and their colonial antecedents chronicled in Part II culminated in Article III of the U S Constitution It also explains how the principle of judicial independence embodied by Article III made the doctrine of judicial review possible and committed that doctrine to the protection of individual rights

The Secret History of the Jersey Devil Brian Regal, Frank J. Esposito,2019-07-30 A provocative look at the mystery surrounding the Jersey Devil a beast born of colonial times that haunts the corners of the Pine Barrens and the American imagination to this day Legend has it that in 1735 a witch named Mother Leeds gave birth to a horrifying monster a

deformed flying horse with glowing red eyes that flew up the chimney of her New Jersey home and disappeared into the Pine Barrens Ever since this nightmarish beast has haunted those woods presaging catastrophe and frightening innocent passersby or so the story goes In *The Secret History of the Jersey Devil* Brian Regal and Frank J Esposito examine the genesis of this popular myth which is one of the oldest monster legends in the United States According to Regal and Esposito everything you think you know about the Jersey Devil is wrong The real story of the Jersey Devil's birth is far more interesting complex and important than most people believers and skeptics alike realize Leaving the Pine Barrens Regal and Esposito turn instead to the varied political and cultural roots of the Devil's creation Fascinating and lively this book finds the origins of New Jersey's favorite monster not in witchcraft or an unnatural liaison between woman and devil but in the bare knuckled political fights and religious upheavals of colonial America A product of innuendo and rumor as well as scandal and media hype the Jersey Devil enjoys a rich history involving land grabs astrological predictions mermaids and dinosaur bones sideshows Napoleon Bonaparte's brother a cross dressing royal governor and Founding Father Benjamin Franklin

Political Manhood Kevin P. Murphy, 2010-08-06 In a 1907 lecture to Harvard undergraduates Theodore Roosevelt claimed that colleges should never turn out mollycoddles instead of vigorous men warning that the weakling and the coward are out of place in a strong and free community A paradigm of ineffectuality and weakness the mollycoddle was all inner life whereas his opposite the red blood was a man of action Kevin P Murphy reveals how the popular ideals of American masculinity coalesced around these two distinct categories Because of its similarity to the emergent homosexual type the mollycoddle became a powerful rhetorical figure often used to marginalize and stigmatize certain political actors Murphy's history follows the redefinition of manhood across a variety of classes especially in the work of late nineteenth century reformers who trumpeted the virility of the laboring classes Challenging the characterization of the relationship between political machines and social and municipal reformers at the turn of the twentieth century he revolutionizes our understanding of the gendered and sexual meanings attached to political and ideological positions of the Progressive Era

The Governors of New Jersey Michael J. Birkner, Donald Linky, Peter Mickulas, 2014-02-10 Rogues aristocrats and a future U S president These and other governors are portrayed in this revised and updated edition of the classic reference work on the chief executives of New Jersey Editors Michael J Birkner Donald Linky and Peter Mickulas present new essays on the governors of the last three decades Brendan T Byrne Thomas Kean James Florio Christine Todd Whitman Donald DiFrancesco James McGreevey Richard Codey and Jon Corzine The essays included in the original edition are amended edited and corrected as necessary in light of new and relevant scholarship The authors of each governor's life story represent a roster of such notable scholars as Larry Gerlach Stanley Katz Arthur Link and Clement Price as well as many other experts on New Jersey history and politics As a result this revised edition is a thorough and current reference work on the New Jersey governorship one of the strongest in the nation Also of Interest *New Jersey Politics and Government* *The Suburbs*

Constituting Empire Daniel J. Hulsebosch, 2006-05-18 According to the traditional understanding of American constitutional law the Revolution produced a new conception of the constitution as a set of restrictions on the power of the state rather than a mere description of governmental roles Daniel J Hulsebosch complicates this viewpoint by arguing that American ideas of constitutions were based on British ones and that in New York those ideas evolved over the long eighteenth century as New York moved from the periphery of the British Atlantic empire to the center of a new continental empire Hulsebosch explains how colonists and administrators reconfigured British legal sources to suit their needs in an expanding empire In this story familiar characters such as Alexander Hamilton and James Kent appear in a new light as among the nation s most important framers and forgotten loyalists such as Superintendent of Indian Affairs Sir William Johnson and lawyer William Smith Jr are rightly returned to places of prominence In his paradigm shifting analysis Hulsebosch captures the essential paradox at the heart of American constitutional history the Revolution which brought political independence and substituted the people for the British crown as the source of legitimate authority also led to the establishment of a newly powerful constitution and a new postcolonial genre of constitutional law that would have been the envy of the British imperial agents who had struggled to govern the colonies before the Revolution

Pirate Nests and the Rise of the British Empire, 1570-1740 Mark G. Hanna, 2015-10-22 Analyzing the rise and subsequent fall of international piracy from the perspective of colonial hinterlands Mark G Hanna explores the often overt support of sea marauders in maritime communities from the inception of England s burgeoning empire in the 1570s to its administrative consolidation by the 1740s Although traditionally depicted as swashbuckling adventurers on the high seas pirates played a crucial role on land Far from a hindrance to trade their enterprises contributed to commercial development and to the economic infrastructure of port towns English piracy and unregulated privateering flourished in the Pacific the Caribbean and the Indian Ocean because of merchant elites active support in the North American colonies Sea marauders represented a real as well as a symbolic challenge to legal and commercial policies formulated by distant and ineffectual administrative bodies that undermined the financial prosperity and defense of the colonies Departing from previous understandings of deep sea marauding this study reveals the full scope of pirates activities in relation to the landed communities that they serviced and their impact on patterns of development that formed early America and the British Empire

The Four Deaths of Acorn Whistler Joshua Piker, 2013-06-10 Told by a colonial governor a Creek military leader Native Americans and British colonists each account of Acorn Whistler s execution for killing five Cherokees speaks to the collision of European and Indian cultures the struggle to

preserve traditional ways of life and tensions within the British Empire on the eve of the American Revolution Sex and the Founding Fathers Thomas A. Foster, 2014-01-17 Biographers journalists and satirists have long used the subject of sex to define the masculine character and political authority of America's Founding Fathers Tracing these commentaries on the Revolutionary Era's major political figures in *Sex and the Founding Fathers* Thomas Foster shows how continual attempts to reveal the true character of these men instead exposes much more about Americans and American culture than about the Founders themselves *Sex and the Founding Fathers* examines the remarkable and varied assessments of the intimate lives of George Washington Thomas Jefferson John Adams Benjamin Franklin Alexander Hamilton and Gouverneur Morris from their own time to ours Interpretations can change radically consider how Jefferson has been variously idealized as a chaste widower condemned as a child molester and recently celebrated as a multicultural hero Foster considers the public and private images of these generally romanticized leaders to show how each generation uses them to reshape and reinforce American civic and national identity *Cultures and Identities in Colonial British America* Robert Olwell, Alan Tully, 2015-10-01 Never truly a new world entirely detached from the home countries of its immigrants colonial America over the generations became a model of transatlantic culture Colonial society was shaped by the conflict between colonists' need to adapt to the American environment and their desire to perpetuate old world traditions or to imitate the charismatic model of the British establishment In the course of colonial history these contrasting impulses produced a host of distinctive cultures and identities In this impressive new collection prominent scholars of early American history explore this complex dynamic of accommodation and replication to demonstrate how early American societies developed from the intersection of American and Atlantic influences The volume edited by Robert Olwell and Alan Tully offers fresh perspectives on colonial history and on early American attitudes toward slavery and ethnicity native Americans and the environment as well as colonial social economic and political development It reveals the myriad ways in which American colonists were the inhabitants and subjects of a wider Atlantic world *Cultures and Identities in Colonial British America* one of a three volume series under the editorship of Jack P. Greene aims to give students of Atlantic history a state of the field survey by pursuing interesting lines of research and raising new questions The entire series *Anglo America in the Transatlantic World* engages the major organizing themes of the subject through a collection of high level debate inspiring essays inviting readers to think anew about the complex ways in which the Atlantic experience shaped both American societies and the Atlantic world itself

The Idea of Europe and the Origins of the American Revolution D. H. Robinson, 2020-09-02 In *The Idea of Europe and the Origins of the American Revolution* Dan Robinson presents a new history of politics in colonial America and the imperial crisis tracing how ideas of Europe and Europeaness shaped British American political culture Reconstructing colonial debates about the European states system European civilisation and Britain's position within both Robinson shows how these concerns informed colonial attitudes towards American identity and America's place inside and ultimately outside the

emerging British Empire Taking in more than two centuries of Atlantic history he explores the way in which colonists inherited and adapted Anglo British traditions of thinking about international politics how they navigated imperial politics during the European wars of 1740 1763 and how the burgeoning patriot movement negotiated the dual crisis of Europe and Empire in the between 1763 and 1775 In the process Robinson sheds new light on the development of public politics in colonial America the Anglicisation Americanisation debate the political economy of empire early American art and poetry eighteenth century geopolitical thinking and the relationship between international affairs nationalism and revolution What emerges from this story is an American Revolution that seems both decidedly arcane and strikingly relevant to the political challenges of the twenty first century

Embracing the Melody of Phrase: An Emotional Symphony within **Lord Cornbury Scandal**

In some sort of taken by screens and the ceaseless chatter of quick conversation, the melodic elegance and emotional symphony developed by the published word frequently diminish in to the back ground, eclipsed by the persistent sound and distractions that permeate our lives. However, set within the pages of **Lord Cornbury Scandal** a marvelous literary value brimming with raw feelings, lies an immersive symphony waiting to be embraced. Crafted by a masterful composer of language, that charming masterpiece conducts visitors on an emotional trip, skillfully unraveling the concealed songs and profound influence resonating within each carefully crafted phrase. Within the depths of the emotional examination, we can examine the book is main harmonies, analyze their enthralling publishing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
