Carousel Curriculum Forest Animals in Winter Bridgett Parsons, 2012-02-13
CAROUSEL CURRICULUM Definition carousel a merry go round a conveyer on which items are placed for later retrieval. Education should be fun and we learn by retrieving old information and building on it. My curriculum is a collection of literature based thematic units for early learners. The units are developmentally appropriate for all early learners. They are standards based and Creative Curriculum friendly. Carousel Curriculum has been used successfully with young learners including English language learners children with special needs and diverse learning styles as well as homeschoolers.
