Elizabeth Ettorre

Making Lesbians Visible In The Substance Use Field:

Making Lesbians Visible in the Substance Use Field Elizabeth Ettorre, 2005 Making Lesbians Visible in the Substance Use Field marks an important step in the creation of an environment to heal the hurt of invisibility felt by lesbian substance users This unique book works to develop an understanding of the complex relationship between sexual orientation and substance use by challenging the traditional stereotypes about the behavior identity and culture of sexual minority women Contributors draw on ethnographic work grounded theory and personal accounts to present quantitative and qualitative data on depression race ethnicity social identity self esteem recovery addiction counselors and treatment programs and HIV risk and infection

Women and Alcohol Patsy Staddon, 2015-06-03 This research and practice based book considers the social meaning of women s alcohol use and its treatment raising concerns about the political role of treatment in making women behave or to be well It challenges current policy and practice in the field and aims to develop a new approach to women s drinking

Heterosexism in Health and Social Care J. Fish, 2006-10-31 This interdisciplinary text develops a theory of heterosexism and provides everyday examples from health and social care environments It engages with current debates including intersecting identities and presents a coherent analysis of the health and social care needs of lesbian gay bisexual and transgender people

Autoethnography as Feminist Method Elizabeth Ettorre, 2016-11-25 Autoethnography is an ideal method to study the feminist I Through personal stories the author reflects on how feminists negotiate agency and the effect this has on one s political sensibilities Speaking about oneself transforms into stories of political responsibility a key issue for feminists who function as cultural mediators

Health and Wellness Concerns for Racial, Ethnic, and Sexual Minorities Joshua C. Collins, Tonette S. Rocco, Lawrence O. Bryant, 2014-06-13 Minority status in the United States often accompanies diminished access to education employment and subsequently health care This volume explores factors that have contributed to health disparities among racial ethnic and sexual minorities Focused on developing strategies for understanding these disparities and promoting wellness in minority communities the authors highlight social forces such as racism ethnocentrism sexism and homophobia which continue to influence not only access to and quality of care but also perception and trust of health care professionals The authors identify several common themes including the importance of communication intentional and unintentional discriminatory structures and perhaps most significantly the role of culturally relevant learning sites This is the 142nd volume of the Jossey Bass series New Directions for Adult and Continuing Education Noted for its depth of coverage it explores issues of common interest to instructors administrators counselors and policymakers in a broad range of education settings such as colleges and universities extension programs businesses libraries and museums

Mental Health Service Users in Research Patsy Staddon, 2015-01-14 In examining how our identity shapes the knowledge we produce Mental health service users in research considers ways of doing research which bring multiple understandings together effectively and explains the

sociological use of autobiography and its relevance Alcohol Problems: Practice Interventions: Oxford Bibliographies Online Research Guide Oxford University Press,2010-05-01 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In social work as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Social Work a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit [www aboutobo com](http://www.aboutobo.com)

Writing Philosophical Autoethnography Alec Grant,2023-09-15 Writing Philosophical Autoethnography is the result of Alec Grant s vision of bringing the disciplines of philosophy and autoethnography together This is the first volume of narrative autoethnographic work in which invited contributing authors were charged with exploring their issues concerns and topics about human society culture and the material world through an explicitly philosophical lens Each chapter while written autoethnographically showcases sustained engagement with philosophical arguments ideas concepts theories and corresponding ethical positions Unlike much other autoethnographic work within which philosophical ideas often appear to be grafted on or supplementary the philosophical basis of the work in this volume is fundamental to its shifting content focus and context The narratives in this book from scholars working in a range of disciplines in the humanities and human sciences function as narrative conceptual and analytical exemplars to act as a guide for autoethnographers in their own writing and suggest future directions for making autoethnography more philosophically rigorous This book is suitable for students and scholars of autoethnography and qualitative methods in a range of disciplines including the humanities social and human sciences communication studies and education The SAGE Handbook of Qualitative Methods in Health Research Ivy Bourgeault,Robert Dingwall,Ray de Vries,2010-08-19 The Sage Handbook of Qualitative Methods in Health Research is a comprehensive and authoritative source on qualitative research methods The Handbook compiles accessible yet vigorous academic contributions by respected academics from the fast growing field of qualitative methods in health research and consists of A series of case studies in the ways in which qualitative methods have contributed to the development of thinking in fields relevant to policy and practice in health care A section examining the main theoretical sources drawn on by

qualitative researchers A section on specific techniques for the collection of data A section exploring issues relevant to the strategic place of qualitative research in health care environments The Sage Handbook of Qualitative Methods in Health Research is an invaluable source of reference for all students researchers and practitioners with a background in the health professions or health sciences **Under the Rainbow** Jeanette A. Auger, Kate Krug, 2020-07-10T00:00:00Z With

contributions from Dayna B Daniels Judy Davidson Valda Leighteizer and Ross Higgins Under the Rainbow is a primer on the social and political history and the everyday practices and processes of living queer lives in Canada Framed through a life course perspective this book provides an overview of the historical and contemporary issues in the lives of gay lesbian bisexual trans and or queer folk The chapters in this text highlight the contributions of academics and community groups as well as individuals working on queer issues in Canada and focus primarily on contemporary Canadian material introducing readers to topics such as law history health education youth older persons end of life decisions social constructions of sexual identities sports transgender issues and issues experienced by lesbians and gay men living in Quebec Ezili's Mirrors

Omise'eke Natasha Tinsley, 2018-01-19 From the dagger mistress Ezili Je Wouj and the gender bending mermaid Lasiren to the beautiful femme queen Ezili Freda the Ezili pantheon of Vodoun spirits represents the divine forces of love sexuality prosperity pleasure maternity creativity and fertility And just as Ezili appears in different guises and characters so too does Omise'eke Natasha Tinsley in her voice and genre shifting exploratory book Ezili's Mirrors Drawing on her background as a literary critic as well as her quest to learn the lessons of her spiritual ancestors Tinsley theorizes black Atlantic sexuality by tracing how contemporary queer Caribbean and African American writers and performers evoke Ezili Tinsley shows how Ezili is manifest in the work and personal lives of singers Whitney Houston and Azealia Banks novelists Nalo Hopkinson and Ana Lara performers Mildred Gerestant and Sharon Bridgforth and filmmakers Anne Lescot and Laurence Magloire none of whom identify as Vodou practitioners In so doing Tinsley offers a model of queer black feminist theory that creates new possibilities for decolonizing queer studies *Corporeality* Cassandra A. Ogden, 2013-03-01 Regardless of how a person

spends her or his day in a classroom in work or outside employment whatever our thoughts beliefs and experiences of life all living is embodied We are of and within our bodies During the last thirty years social scientists have increasingly turned their attention to the body as a site of both theoretical engagement and empirical exploration Recently public discourse has also become preoccupied with embodied debates the obesity crisis and the London 2012 Paralympics have located the body firmly in the realm of public interest The new essays collected in *Corporeality The Body and Society* demonstrate some of the unique advantages attainable through studying the body sociologically Focusing in on a series of embodied fields related to lifestyle media war disability drugs and mental health the book re-states the fundamental importance of a body centred approach in the social sciences Work by established experts in the field sits side by side with new voices to provide an accessible and stimulating snap shot of the role of the body in society in the early twenty first century **Cultural**

Ecstasies Ilana Mountian,2013 In this important contribution to the field Ilana Mountian critically analyses discourses surrounding drug addiction drug prohibition treatment and prevention and highlights new ways of understanding the role that gender plays in the ethics of drug use across cultures The book analyses the discourses of religion criminality and medicine and shows how they combined with key historical events affect our views of drug use and drug users based on gender race and class The book draws on research from a variety of fields to provide alternative conceptual and methodological perspectives on the subject including critical theory gender studies post colonial studies psychoanalysis philosophy Cultural Ecstasies is an innovative study of drugs and addiction and will be of great interest to students researchers and professionals working in psychology sociology social work health care criminology and allied disciplines

Mental Health and Otherness Ilana Mountian,2024-12-23 Based on two decades of research in Brazil and the UK this book explores the ways in which intersections of gender race and class affect the positioning of the subject as Other in discourses of health and how the positioning of the subject as Other has implications for health research and mental health practice Drawing on feminist post colonial and decolonial studies psychoanalysis and discourse analysis Mental Health and Otherness examines the experiences of immigrants drug users and transsexual people in health and mental health settings and the ways in which stereotypical understandings can affect the subject This book is a study of the discursive construction of ideas about health and mental health in the West and the awareness of processes of othering in clinical practice It will appeal to scholars in psychology sociology and cultural studies with an interest in mental health health care and intersectionality Health, Culture and Society Elizabeth Ettorre, Ellen Annandale, Vanessa M. Hildebrand, Ana

Porroche-Escudero, Barbara Katz Rothman,2017-07-19 This book traces the history of formative enduring concepts foundational in the development of the health disciplines It explores existing literature and subsequent contested applications Feminist legacies are discussed with a clear message that early sociological and anthropological theories and debates remain valuable to scholars today Chapters cover historical events and cultural practices from the standpoint of difference formulate theories about the emergence of social issues and problems and discuss health and illness in light of cultural values and practices social conditions embodiment and emotions This collection will be of great value to scholars of biomedicine health and gender Social Care, Service Users and User Involvement Peter Beresford, Sarah Carr,2012 This book provides a definitive critical introduction to service user views and involvement It addresses both the theoretical and practical issues of service user involvement and includes initiatives on the impact and outcomes from involvement

Feminist Periodicals ,2005 **Twenty-first Century Lesbian Studies** Katherine O'Donnell,2007 The book s cutting edge essays examine the various meanings of lesbian the risks taken by women who live and or act write and speak as lesbians current genealogical myths and the lives studies and activism of lesbians who represent a range of geographical and historical contexts The book presents research produced outside the United States United Kingdom two places which tend to

dominate the field and essays that focus on areas such as medieval studies that are often ignored in theoretical discussions

Lesbians in East Asia Diana Khor, Saori Kamano, 2013-01-11 Discover the courageous vibrant similarities and differences of lesbians in East Asia How are same sex relationships similar or different in the cultures of East Asia Lesbians in East Asia Diversity Identities and Resistance is a unique examination of research and vital issues involving lesbians and lesbianism in East Asia using perspectives by academics and activists who typically are rarely published in English Contributing experts from Hong Kong mainland China Japan and Korea discuss a variety of topics including solidarity and conflicts between lesbians and feminists identities and identity politics lesbian lives and families and representation in mainstream culture Asia because of its inherent language and cultural differences from Western society is a location of a vast unrealized fount of knowledge about same sex relationships and the societies in which they interact Lesbians in East Asia Diversity Identities and Resistance begins to fill this gap in knowledge going beyond East West divisions by gathering in one volume studies in Asia lesbian queer studies of both the West and Asia The text s emphasis is on points of connection and cooperation across the cultures within Asia and between this region and other areas of the world Diverse viewpoints and research on lesbians in China Hong Kong South Korea and Japan are presented showing issues and concerns that may be different and often are very similar to regions beyond those borders Topics in Lesbians in East Asia Diversity Identities and Resistance include lesbian rights and feminism in Korea emotional damage suffered in family work and school contexts including self denial analysis of Internet exchanges in China highlighting those feeling that they should maintain a low profile and others showing disdain toward the lesbian lifestyle gender inequality and discrimination and their effects on self sufficiency the effects of expectations of marriage or remaining single on economics legal standpoints and in school ignorance and intolerance in Korean and Japanese societies identity politics conflicts of ideas between lesbians and feminists and much more Lesbians in East Asia Diversity Identities and Resistance is important illuminating reading for academics and students in women s studies gender studies queer sexuality studies East Asian studies and activists in feminist movements **Revisioning**

Women and Drug Use E. Ettorre, 2007-09-12 This landmark text by one of the most respected researchers in drug use considers the issues surrounding the gendering of drug use and within this looks critically at two approaches the classical and postmodern Ettorre examines the idea of a drug using society and the implications this holds for social inequality and exclusion

Making Lesbians Visible In The Substance Use Field Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Making Lesbians Visible In The Substance Use Field PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Making Lesbians Visible In The Substance Use Field PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms

offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Making Lesbians Visible In The Substance Use Field free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
