and both are hard to sustain On the other hand operating in pure logic has no motivation energy or drive behind it Yet if you want to increase your winning especially in competition against others then you will need to find execute and turn into a habit certain logical factors to do not require emotion intuition or inspiration of the moment Many people like to make excuses why they lose or why someone is great at this or that and they are not The use of the word talent is an excuse there is no such thing as talent All skill are learned If you want to be as good as someone else is at something then find the Winner s Logic factors of what makes them win I show you how in this book If you want to succeed in business then find the Winner s Logic factors and execute them while finding what needs to be done habitually regularly The secrets as taught in Winner s Logic is in finding the factors then then getting your self to execute those factors with purely logical mind For Examples If you want to become a writer a blogger a book writer you will have to know how to spell correctly and how to use grammar correctly You will also need to know how to communicate clearly and directly in your writing These are basic logical fundamental things that most people would acknowledge Yet there are many who simply never make the effort to correct these fundamental factors needed for winning in writing If you want to increase your rates of winning or at least increase your levels of personal success in basketball then you will need to find all logical mechanical factors and habits of those who have high rates of success in basketball and create a list of skills and habits to acquire to do and install as a habit for yourself If you want to win in starting a business online then you will need to find the array of Winner s Logic factors that individuals or formal business are doing that are producing the results while avoiding getting pulled into side tangents that take a lot of work but that do not deliver results Consider health most people know that it s bad to continually take in toxins while not feeding the body the required daily essential nutrients they need But those same people habitually take in toxins while depriving their physical bodies the essential nutrients needed for proper functioning the don t execute the Winners Logic factors and establish the habits needed for optimal health why In this book Winner s Logic I will cover the reasons What s holding you back from doing the factual things that bring more winning to your life that you already know to do Maybe you don t really have clarity on the logical winning things that will bring the winning you want And maybe you need to know how to find those winning factors exactly so you can clearly and swiftly take action upon those factors Winner s Logic teaches you how to do this There are other factors that can hold you back from finding and executing the factors that bring about more winning to your lie many factors hidden and maybe not so hidden Discover these factors and how to find them in your life so you can remove what is holding you back as explained in Winner s Logic Also included is one of my productivity performance mindstates that you can use that you can put on like a hat in order to start rapidly accomplishing winning factors You can use this performance mindstate for accomplishing tasks and for installing new Winner s Logic habits Find out more order your copy of Winner s Logic today

Winners Don't Whine and Whiners Don't Win Julia Cook, 2016-07-06 A Book About Good Sportmanship But I HATE losing GEEEEZE Wendell HAS to win at everything and if he doesn t he whines about it

When Wendell has one of those days where nothing seems to go his way his mom helps him understand that everything in life doesn't have to be a contest and losing does not make you a loser. In fact it can make you stronger. She also points out that although it feels great to celebrate a win winning isn't everything and whining about things just makes it worse. Whiners aren't winners and winners never whine. You can't win at everything all of the time. This creative story addresses two very challenging topics winning and whining.
