Savage Girls and Wild Boys Michael Newton, 2025-08-22 *Savage Girls and Wild Boys* is a fascinating history of extraordinary children brought up by animals raised in the wilderness or locked up for long years in solitary confinement Wild or feral children have fascinated us through the centuries and continue to do so today In a haunting and hugely readable study Michael Newton deftly investigates a number of infamous cases He looks at Peter the Wild Boy who gripped the attention of Swift and Defoe and at Victor of Aveyron who roamed wild in the forests of revolutionary France He tells the story of a savage girl lost on the streets of Paris of two children brought up by wolves in the jungles of India and of a Los Angeles girl who emerged from thirteen years locked in a room to international celebrity He describes too a boy brought up among monkeys in Uganda and in Moscow the

child found living with a pack of wild dogs *Savage Girls and Wild Boys* examines the lives of these children and of the adults who rescued them looked after them educated or abused them How can we explain the mixture of disgust and envy that such children can provoke And what can they teach us about our notions of education civilization and man's true nature *The Adventures of Mowgli* Rudyard Kipling, 2009-07 Rudyard Kipling's eternal classics *The Jungle Book* and *The Second Jungle Book* are most loved for the stories of Mowgli the boy who grew up in a wolf pack This book brings together all the stories of Mowgli It begins with Father Wolf rescuing an abandoned baby boy from the tiger Shere Khan terror of the jungle The child grows up among the animals befriending Bagheera the Panther Balu the Bear and making mortal enemies with Shere Khan the Tiger He is kidnapped by monkeys exiled by the wolf pack disowned by humans till he finally vanquishes Shere Khan and returns to the forest But the call of his own kind grows stronger and he eventually finds his own tenuous place among men and animals Kipling's creations from the two *Jungle Books* human and animal have remained alive in literature and celluloid for nearly a century They have mesmerized entertained and educated generations of children In this special Puffin Classics edition Mowgli comes alive once more accompanied by illustrations rendered by Gond artist Durga Bai and an affectionate heartwarming introduction by that other favourite children's writer Ruskin Bond **Country Life**, 1906 **All the Mowgli Stories** Rudyard Kipling, 2017-05-18 *All the Mowgli Stories* is a collection of all nine of Rudyard Kipling's stories about the feral man cub whose adventures sat at the heart of *The Jungle Book* is sure to delight readers young and old Designed to appeal to the booklover the Macmillan Collector's Library is a series of beautiful gift editions of much loved classic titles Macmillan Collector's Library are books to love and treasure This edition of *All the Mowgli Stories* is beautifully illustrated by Stuart Tresilian and includes an afterword by the editor Marcus Clapham Separated from his human parents Mowgli is raised by wolves mentored by the cunning panther Bagheera and taught the Law of the Jungle by Baloo the strict but kindly bear But the Indian jungle is full of dangers and he must fight to survive the tiger Shere Khan has sworn to kill him the sinister monkey residents of the Cold Lairs wish to kidnap him and his home is threatened by the Cobra and the Red Dog **Out of Bounds** Alan G. Johnson, 2011-03-31 *Out of Bounds* focuses on the crucial role that conceptions of iconic colonial Indian spaces jungles cantonments cities hill stations bazaars clubs played in the literary and social production of British India Author Alan Johnson illuminates the geographical rhetorical and ideological underpinnings of such depictions and from this argues that these spaces operated as powerful motifs in the acculturation of Anglo India He shows that the bicultural intrinsically ambivalent outlook of Anglo Indian writers is acutely sensitive to spatial motifs that insofar as these condition the idea of home and homelessness alternately support and subvert conventional colonial perspectives Colonial spatial motifs not only informed European representations of India but also shaped important aesthetic notions of the period such as the sublime This book also explains how and why Europeans rhetorical and visual depictions of the Indian subcontinent whether ostensibly administrative scientific or aesthetic constituted a primary means of memorializing Empire creating an idiom that

postcolonial India continues to use in certain ways Consequently Johnson examines specific motifs of Anglo Indian cultural remembrance such as the hunting memoir hill station life and the Mutiny all of which facilitated the mythic iconography of the Raj He bases his work on the premise that spatiality the physical as well as social conceptualization of space is a vital component of the mythos of colonial life and that the study of spatiality is too often a subset of a focus on temporality Johnson reads canonical and lesser known fiction memoirs and travelogues alongside colonial archival documents to identify shared spatial motifs and idioms that were common to the period Although he discusses colonial works he focuses primarily on the writings of Anglo Indians such as Rudyard Kipling John Masters Jim Corbett and Flora Annie Steel to demonstrate how conventions of spatial identity were rhetorically maintained and continually compromised All of these considerations amplify this book's focus on the porosity of boundaries in literatures of the colony and of the nation *Out of Bounds* will be of interest to not only postcolonial literary scholars but also scholars and students in interdisciplinary nineteenth century studies South Asian cultural history cultural anthropology women's studies and sociology

Rudyard Kipling, 2005 The *Jungle Book* introduces Mowgli the boy foundling adopted by a family of wolves Shere Khan the tiger Bagheera the black panther and Baloo the sleepy brown bear How did the Leopard get his spots How did the Elephant get his trunk In *Just So Stories* Kipling wittily supplies the answers to these and other questions Puck of Pook's Hill relates how Dan and Una's magical meeting with Puck the last of the People of the Hills leads to their adventures with Romans and Crusaders Saxons and Vikings And later in *Rewards and Fairies* the three meet an array of characters ranging from Iron Age warriors to Good Queen Bess and Sir Francis Drake In Kipling's rattling school yarn *Stalky Co Stalky M Turk and the Beetle* are a trio of scallywags with a keen desire to break the rules their unruly activities give the stories an enduring appeal to all children especially those who have ever wilted beneath the stern glance of a peevish schoolmaster Kipling's wry sometimes tongue-in-cheek style will delight and entertain young readers while adults throughout the world will remember his stories with affection
