Studies of the Autograph Scores

ALAN TYSON

“This elegantly written and beautifully presented book is, in sum, the most important contribution to Mozart scholarship for many years and must set us thinking afresh about the man and the music.”

— Stanley Sadie, *Encore*

Mozart Studies Of The Autograph Scores:

Mozart Alan Tyson,1987 The results and implications of Tyson s work on Mozart have had a profound impact on virtually every aspect of research on this composer This book assembles his major articles previously scattered through magazines journals and festschrifts plus two unpublished pieces into a treasure trove for musicologists and music lovers *Mozart* Alan Tyson,1987 Mozart Wolfgang Amadeus Mozart,19?? **Review of 'Mozart - Studies of the Autograph Scores' by Alan Tyson** Alec Hyatt King,1989 **Wolfgang Amadè Mozart** Stanley Sadie,1996 This volume is a collection based on the Royal Musical Association s Mozart Conference of 1991 the principal scholarly event in the English speaking world in commemoration of the bicentenary It includes essays placing Mozart in the context in Salzburg and Vienna in which he worked explaining aspects of his life and work hitherto obscure essays interpreting his instrumental music and a substantial series of studies on different aspects of his operas from Lucio Silla to La clemenza di Tito with particular stress on the creative processes in the Da Ponte operas Mozart Studies 2 Simon P. Keefe,2015-09-10 Cultural historical and reception related contexts are central to understanding Mozart one of the greatest and most famous musicians of all time Widening and refining the lens through which the composer is viewed the essays in Mozart Studies 2 focus on themes issues works and repertoires perennially popular among Mozart scholars of all kinds pointing to areas primed for future study and also suitable for investigation by musicians outside the scholarly community Following on from the first Mozart Studies volume internationally renowned contributors bring new perspectives to bear on many of Mozart s most popular works as well as the composer s letters biography and reception Chapters are grouped according to topics covered and collectively affirm the vitality of Mozart scholarship and the significant role it continues to play in defining and redefining musicological priorities in general Mozart's Piano Sonatas John Irving,1997-04-17 An examination of Mozart s piano sonatas showing them to be a microcosm of the composer s changing style A Conductor's Guide to Choral-orchestral Works, Classical Period: Haydn and Mozart Jonathan D. Green,2002 A Conductor s Guide to the Choral Orchestral Works of the Classical Period Part I Haydn and Mozart is the fourth volume in Jonathan Green s innovative study of the vast body of choral orchestral repertoire A treasure trove for conductors of choir and orchestras in this volume all of the masses oratorios cantatas litanies vespers and minor sacred works of Haydn and Mozart are carefully examined For each work the author has compiled the text source duration date of composition date and place of premiere location of manuscript materials commercially available editions a selected discography a bibliography and a brief history of the work Most importantly the performance concerns for the choir orchestra and soloists of each work are evaluated and described This will prove to be an invaluable programming aid for conductors and a touchstone for anyone embarking on research into this music *Mozart* Stanley Sadie,2006-01-19 In the 250th anniversary of Mozart s birth few people would question his rating as the most popular of all classical composers Yet there exists no substantial up to date English language study of the man and his works Aiming to fill this gap Sadie draws

substantially on family correspondence and discusses individual works in sequence relating them to the events and relationships of his life. Much new material connected with Mozart has come to light in recent years and understanding of the context for Mozart's music has broadened immensely. Sadie's biography digests and interprets this corpus of new information.

Mozart the Performer Dorian Bandy, 2023-12-05. An innovative study of the ways performance influenced Mozart's compositional style. We know Mozart as one of history's greatest composers. But his contemporaries revered him as a multi-instrumentalist, a dazzling improviser and the foremost keyboard virtuoso of his time. When he composed it was often with a single aim in mind: to set the stage quite literally for compelling and captivating performances. He wrote piano concertos not with an eye to posterity but to give himself a repertoire with which to flaunt his keyboard wizardry before an awestruck public. The same was true of his sonatas, string quartets, symphonies and operas, all of which were painstakingly crafted to produce specific effects on those who played or heard them: amusing, stirring and ravishing colleagues and consumers alike. *Mozart the Performer* brings to life this elusive side of Mozart's musicianship. Dorian Bandy traces the influence of showmanship on Mozart's style, showing through detailed analysis and imaginative historical investigation how he conceived his works as a series of dramatic scripts. *Mozart the Performer* is a book for anyone who wishes to engage more deeply with Mozart's artistry and legacy and understand why centuries later his music still captivates us.
