Mr Charlie Lets You I Talk:

Matthew's Rise Debra Spearman, 2021-01-04 Set on Caddo Lake in northwest Louisiana this middle reader novel finds eleven year old Matthew Morin and his family recovering from a tragic loss and trying to regain normalcy as they head to the family farmhouse There Matthew will build new friendships investigate a suspicious fire discovering a Caddo Indian mound and solving the mystery surrounding the area They soon turn their attention to the enigmatic new neighbor down the road As they investigate further they are pitched into a race against time to save the burial site from desecration Race Talk in a Mexican Cantina Tatcho Mindiola, 2021-07-01 People avoid speaking about race in the presence of another racial group for fear of saying something wrong and creating friction This was not the situation at JB s a small Mexican cantina located in one of Houston s oldest Mexican barrios Mexicans made up most of the regular patrons but a small number of whites also visited the bar on a regular basis This situation created the circumstances for race talk in which the Mexican patrons needled and criticized the white patrons because of their whiteness The white patrons likewise criticized the Mexican patrons but their remarks were not as strident in comparison to those they received When Tatcho Mindiola visited the bar and heard the race talk he realized that it was a unique situation He thus became a regular patron and over a three year period kept notes on the racial exchanges he observed and heard which form the basis of this insightful volume Lightnin' Hopkins Alan Govenar, 2010-05-01 By the time of his death in 1982 Sam Lightnin Hopkins was likely the most recorded blues artist in history This brilliant new biography the first book ever written about him illuminates the many contradictions of the man and his myth Born in 1912 to a poor sharecropping family in the cotton country between Dallas and Houston Hopkins left home when he was only eight years old with a guitar his brother had given him He made his living however he could sticking to the open road playing the blues and taking odd jobs when money was short This biography delves into Hopkins s early years exploring the myths surrounding his meetings with Blind Lemon Jefferson and Texas Alexander his time on a chain gang his relationships with women and his lifelong appetite for gambling and drinking Hopkins didn t begin recording until 1946 when he was dubbed Lightnin during his first session and he soon joined Muddy Waters and John Lee Hooker on the national R B charts But by the time he was rediscovered by Mack McCormick and Sam Charters in 1959 his popularity had begun to wane A second career emerged now Lightnin was pitched to white audiences not black ones and he became immensely successful singing about his country roots and injustices that informed the civil rights era with a searing emotive power More than a decade in the making this biography is based on scores of interviews with Lightnin s lover friends producers accompanists managers and fans **Mojo Hand** Timothy J. O'Brien, David Ensminger, 2013-04-02 In a career that took him from the cotton fields of East Texas to the concert stage at Carnegie Hall and beyond Lightnin Hopkins became one of America s greatest bluesmen renowned for songs whose topics effortlessly ranged from his African American roots to space exploration the Vietnam War and lesbianism performed in a unique eccentric and spontaneous style of guitar playing that inspired a

whole generation of rock guitarists Hopkins's music directly and indirectly influenced an amazing range of artists including Jimi Hendrix Stevie Ray Vaughan Miles Davis John Coltrane Tom Waits and Bob Dylan as well as bands such as the Grateful Dead Jefferson Airplane and ZZ Top with whom Hopkins performed *Mojo Hand* follows Lightin Hopkins's life and music from the acoustic country blues that he began performing in childhood through the rise of 1950s rock n roll which nearly derailed his career to his reinvention and international success as a pioneer of electric folk blues from the 1960s to the 1980s The authors draw on 130 vivid oral histories as well as extensive archival and secondary sources to provide the fullest account available of the development of Hopkins's music his idiosyncratic business practices such as shunning professional bookers managers and publicists and his durable and indelible influence on modern roots blues rock n roll singer songwriter and folk music *Mojo Hand* celebrates the spirit and style intelligence and wit and confounding musical mystique of a bluesman who shaped modern American music like no one else
