Freezing Injunctions in Private International Law Filip Šaranović, 2022-10-27 The extent of available pre judgment asset preservation relief is widely regarded as a unique characteristic of English law and one of the key factors attracting international commercial litigation to the English courts By taking a novel view of the theoretical foundations of a freezing injunction this book challenges the long established view that such an injunction is an in personam form of relief whose sole purpose is to prevent unscrupulous defendants from making themselves judgment proof Dr Šaranović combines historical and comparative perspectives to identify several theoretical flaws in the court's jurisdiction to grant this popular form of interim relief The book demonstrates that the current application of private international law rules in this field leads to inequality among litigants and illegitimate encroachment upon the sovereignty of foreign states It proposes a range of possible solutions to alleviate concerns about the scope of freezing injunctions both in the domestic and international arena *The Selected Writings of William Hazlitt Vol 9* Duncan Wu, Tom Paulin, David Bromwich, Stanley Jones, Roy Park, 2020-04-15 William Hazlitt is viewed by many as one of the most distinguished of the non fiction prose writers to emerge from the Romantic period This nine volume edition collects all his major works in complete form Operative Mitral and Tricuspid Valve Surgery Narain Moorjani, Bushra S.
